The globalized economy of the 21st century demands graduates be fluent in international perspectives—whether or not their prospective industry is commercial. Our Summer Internship Program allows students to immerse in the culture, while facilitating the development of their international communication, professional and intercultural intelligence skills through a practical international internship experience.

**REQUIREMENTS:**
- Second-year students and above
- 2.5 GPA Minimum
- Engineering Majors of CHE, CE, ECE, CS, IMSE, ME
- Open-minded, responsible and proactive person, open to new cultures, a new set of values and approaches

**Start Dates**
- May 27th, 2020
- June 24th, 2020

**Program Fee**
- $4850 (8 weeks)
- $5950 (12 weeks)

**Vietnam** provides the accessibility and allure of a beautiful Southeast Asian nation, whilst simultaneously staking its claim as a dominant ASEAN economic powerhouse. This allows for an internship in the main economic hub of Vietnam while surrounded by beauty.
