

Instructions:

1. Save this blank file
2. Open the downloaded file, fill out recommendation form
3. Save file as student's "LastName, FirstName - City, State"
4. Email saved recommendation to outreach.coe@ttu.edu

Thank you for your support of our eGIRL camp and our future female leaders in STEM!

*This form is required for application

Teacher Evaluation

Thank you for taking the time to assist your student with her application to our summer camp! The evaluator must be able to adequately evaluate the student's math and science aptitude as well as other qualities which are important for engineers to possess. Once the evaluation is complete, please put in a sealed envelope with your signature across the seal. You are also welcome to email this to outreach.coe@ttu.edu. Please make sure the student's name is on the evaluation form.

Student Name _____

Teacher Name _____ Grades & Subjects Taught _____ Years in Profession _____

School Name & Address _____ School Phone Number _____

Email _____ Courses you have taught/are currently teaching the student _____

Compared to the students taught this year, please check the appropriate column for each characteristic.
