College Connect Campus Visit Guide Kindergarten – 8th Grade

About Us:

College Connect partners with K-8 schools and community agencies to make higher education accessible and achievable for all learners through hands-on programs, outreach, and signature experiences.

Your Campus Visit Overview:

Duration	~ 2 hours (presentation + walking tour)
Optional Lunch	~ 1 hour (\$10/person, or bring your own)
Customization	STEM, arts, general; special requests welcome (based on availability)

Checklist for Organizing a Campus Visit:

- **Pick your top 3 dates and time for your visit:** Determine number of students, educators, and chaperones.
- **Obtain Administrative Approval:** Request permission and approval from your school administration. Please let us know how we can help with providing any documentation.

TEXAS TECH™

- **Complete Online Booking Form:** Provide all details about your group, special requests, or possible accommodations.

Helpful Reminder Checklist:

- **Arrange Transportation:** We ask that you also provide us with bus driver's name and contact information to ensure communication, if needed.
- **Secure Chaperones:** Please ensure there will be co-ed chaperones with a ratio of one adult per ten students (10:1).
- **Distribute Parent Permission Forms:** Send home permissions slips or forms to guardians so they are aware of their students' trip to Texas Tech University.
- **Prepare for the Visit:** Share itinerary, expectations, and rules with your students.
- **Post Visit Follow-Up:** Collect feedback from students about their experience at Texas Tech! We want to hear their highlights either with a note or on social media!

College Connect is here to help you create a meaningful, engaging experience for your students. We want them to spark their curiosity and open their eyes to the possibilities of higher education. We truly value your decision to bring your group to Texas Tech University and are committed to making it the best experience possible.

Our team will stay in touch as your visit approaches to confirm details and ensure everything runs smoothly. We ask that you keep in contact with us and check your email (including your junk folder) for any updates. We're excited to welcome you to campus!
