

Costa Rica-based students may want to spend fall of 2020 close to home, even when they know they'll go to a U.S. or other foreign university. If you choose to delay your travel abroad, consider keeping up by taking classes at Texas Tech University-CR, based in Escazú. If you stay just for a semester or two, you can complete several courses that should transfer easily to another institution.

What classes would you take?

If you know of the university where you plan to complete your degree or the major you wish to enroll in, we can give you personalized assistance so that the courses you take at Texas Tech meet your target university's requirements. Please contact us at infocostarica@ttu.edu or via WhatsApp or phone call at +506 8791 2602.

As an example, here is a typical course schedule for a first-year university student, with specific, transferable Texas Tech courses.

FALL SEMESTER

COURSE NAME	COURSE #	CREDIT HOURS
Essentials of College Rhetoric	ENGL 1301	3
Art Appreciation	ART 1309	3
Principles of Economics	ECON 2305	3
Chemical Basics	CHEM 1305	4
Experimental Chemical Basics	CHEM 1105	1
Contemporary Math	MATH 1300	3
TOTAL CREDIT HOURS		17

Here is a sample schedule if you plan to major in a STEM field.

FALL SEMESTER (STEM field)

COURSE NAME	COURSE #	CREDIT HOURS
Essentials of College Rhetoric	ENGL 1301	3
Principles of Economics	ECON 2305	3
Principles of Chemistry	CHEM 1307	3
Experimental Chemistry	CHEM 1107	1
Calculus	MATH 1451	4
TOTAL CREDIT HOURS		14

Likewise, it would be easy to stay for a second semester of core classes in history, physical sciences, math, and humanities.

For a complete list of options, please consult the list available on the Texas Tech University-Costa Rica website.
