Open Faculty Positions

Assistant/Associate/Full Professor

The Department of Computer Science at Texas Tech University invites applications for multiple tenured or tenure-track positions at various ranks starting in Fall 2023. Applicants must have a Ph.D. degree in Computer Science or related fields by the time of appointment. With one of the positions to address the teaching needs of the department in the areas of programming language concepts and compilers, we are looking for outstanding candidates in all core and emerging areas of computer science, with track records of research excellence, and the ability to obtain external research funding and become leaders in research and education. Please visit https://www.depts.ttu.edu/cs/department/jobs.php for more information. To apply, please visit http://www.texas Tech.edu/careers/ using requisition numbers 30602BR for the assistant professorship, 30601BR for the associate professorship, or 30600BR for the full professorship.

The review of applications for associate and full professors will start in Mid-October 2022, and the review of applications for assistant professors will start in January 2023. For best consideration, applications for associate and full professors should be submitted by November 1st, 2022, and applications for assistant professors should be submitted by January 15th, 2023. Review of applications will continue until the positions are filled. Should you have questions, please contact Search Committee Chair, Dr. Yu Zhuang, at yu.zhuang@ttu.edu.

Assistant/Associate Professor of Practice

The Department of Computer Science at Texas Tech University invites applications for Assistant/Associate Professor of Practice positions starting in Spring 2023. Applicants must have at least a Master’s degree in Computer Science or related fields by the time of appointment. We are looking for passionate candidates who will contribute to the university’s mission through teaching and mentoring students in professional and career preparation. The selected candidate with a Ph.D. degree will also be offered an opportunity to advance the career development to be considered for a tenure-track or tenured position. Please visit https://www.depts.ttu.edu/cs/department/jobs.php for more information. To apply, please visit http://www.texas Tech.edu/careers/ using requisition number 30592BR for the Assistant Professor of Practice position and 30591BR for the Associate Professor of Practice position.

Applications made by Nov 1st, 2022 will be given the highest priority, and the review will continue until the positions are filled. Please direct any questions to the Search Committee Chair, at cs.teachingsearch@ttu.edu.

As an Equal Employment Opportunity/Affirmative Action employer, Texas Tech University is dedicated to the goal of building a culturally diverse faculty committed to teaching and working in a multicultural environment. We actively encourage applications from all those who can contribute, through their research, teaching, and/or service, to the diversity and excellence of the academic community at Texas Tech University. The university welcomes applications from minoritized candidates, women, protected veterans, persons with disabilities, and dual-career couples. Texas Tech University recently surpassed the Hispanic student population threshold necessary for designation as a Hispanic Serving Institution (HSI).
