

TEXAS TECH UNIVERSITY, COMPUTER SCIENCE DEPARTMENT – ACKNOWLEDGMENT OF LEVELING COURSES FORM

This form is used to specify leveling courses for students who do not have the equivalent computing or math background of a computer science undergraduate degree. While leveling courses do not apply toward the student's degree program and, as a result, the student may feel reluctant to take them, we have found that they do help to prepare the student for computer science graduate courses. We prefer you to have the opportunity to perform well in your degree program.

PLEASE FILL IN THIS FORM COMPLETELY AND CLEARLY BY TYPING OR PRINTING USING A MEDIUM POINT, BLACK OR BLUE INK PEN.
