Urban Sustainability

Join us for our last seminar of the semester on urban sustainability today, December 6th at Noon in Experimental Sciences Building room 120. Three expert panelists will be speaking and answering questions on urban sustainability in relevance to climate change. This month's panelists are David Driskill, Dr. Jennifer Vanos, and Jason Hodges. If you can't attend the seminar, it is available on YouTube. Simply type in "CSC Live Seminar on Urban Sustainability." This month's seminar is sponsored by Urban Tech and the Mark E. Humphreys Chair. [LEARN MORE](#)
