## CSC Seminar Today

The Climate Science Center's seminars resume today, February 7th, at Noon in Experimental Sciences Building room 120. Four expert panelists will be speaking and answering questions about their research on education and its relation to climate change. This month's panelists are Dr. Patricia Solís, Dr. Jerry Dwyer, Dr. Jaclyn Cañas-Carrell, and Heather Greenhalgh-Spencer. If you can't attend the seminar, then watch it live by going to YouTube and typing in "CSC Live Seminar on Education at TTU." This month's seminar is sponsored by the Climate Science Center.
