Helpful Hints:
- Use the Still Needed View for a condensed look at what is still needed
- Data Refresh followed by Process New will produce a new audit (Process New is recommended each time a new student audit is viewed)
- The Hours Applied on the Degree Block are the hours applied to the entire degree
- The GPA Calculator currently defaults to the institutional tool
- Print/Save as PDF in one option
- Reduce percentage of zoom on browser to view more of the audit on screen
- Click on DegreeWorks Help to be redirected to FAQ, training guides, and more!
