

TRRTWN, TTU Retiree Return to Work Nonexempt

Purpose of this ePAF Approval Category:

For use when a retired Texas Tech employee with a primary job as RETIRED is returning to work a second job as a nonexempt employee.

For details and comparison with other ePAFs, please review the [Guide for Choosing an ePAF](#) document on the HR Job Aids webpage .

The **DATE** Reminders - Retiree Return to Work

The Personnel Date is the first day of the new job, regardless of whether whether it occurred in the past or is an upcoming date.

The Query Date is pre-populated with today's date and should be over-typed with the Personnel Date. BUT, when submitting a late ePAF, the Query Date must be after the Last Paid Date. It must be after the previous end date if the employee is being reappointed to the same T#. The ePAF will apply even after the Due Date. If the employee has missed a paycheck, a Manual Check Request must be submitted for each pay period missed.
