#### **General Purpose**

A University, like any community, must have regulations and/or standards by which its members abide and procedures by which its organization functions. The standards should provide order and an atmosphere conducive to intellectual and personal development. This Student Handbook and the *Code of Student Conduct* contained within are intended to serve these purposes in the interest of all segments of Texas Tech University.

The University has a responsibility to maintain order within the University community and to discipline those who violate its standards, rules, and/or policies. Enrollment requires students to share this responsibility. Students agree to abide by the standards, rules and/or policies set forth in this Student Handbook, the Undergraduate Catalog and other official University publications, as well as the Texas Education Code. Student organizations also agree to follow these standards, rules, and/or policies.

The Student Handbook was approved by the Board of Regents on May 16, 2014 to be effective Monday, May 19, 2014. The University or its representative may amend this document at any time without notice. Changes made outside the annual approval process will be made available here. (Changes made outside the annual approval process will be made available here.)

#### **Membership in the TTU Community**

As members of the academic community, University students enjoy the privileges and share the obligations of the larger community of which the University is a part. Students are entitled to the privileges which accrue to them by virtue of this membership. These privileges carry with them the obligations of responsible citizenship. Students shall conform to University regulations. Students should recognize that citizenship also includes contributing deliberately to strengthening the educational community, improving learning for themselves and their classmates and promoting excellence within the above context. Freedom of discussion, inquiry and expression is protected and nurtured in the classroom as the safeguard of the freedom to learn. Students are expected to exercise their freedom to learn in a manner consistent with the maintenance of good order. Responsibility for maintaining good order in the classroom is vested in the instructor. *The Code of Student Conduct* outlines the standards of behavior for University students and the disciplinary processes to address misconduct.

### School of Law and Texas Tech University Health Sciences Center

Students enrolled in, and student organizations registered with, the Texas Tech University School of Law are subject to the *Code of Student Conduct*. Each document has its own respective disciplinary processes and at times, a single behavioral violation may require two separate disciplinary processes. Students enrolled in the Schools of Medicine, Allied Health Sciences, Nursing, Pharmacy, Graduate School of Biomedical Sciences, and organizations registered with the Texas Tech University Health Sciences Center are subject to the TTUHSC Student Handbook/Code of Professional and Academic Conduct TTUHSC Student Handbook/Code of Professional and Academic Conduct.

## **Part 1: Code of Student Conduct**

The Code of Student Conduct outlines behavioral standards developed by the University community for students and student organizations and the related procedures for addressing misconduct. Students and student organizations are responsible for actions that constitute misconduct and violate the Code of Student Conduct. Any student or student organization found responsible for misconduct may be subject to conduct sanction(s), condition(s), and/or restriction(s).

The Code of Student Conduct and related processes educate students about their rights and responsibilities while promoting holistic development, self-worth, and mutual respect for all members of the University community. Freedom of discussion, inquiry and expression is also fostered by an environment in which the privileges of citizenship are protected and the obligations of citizenship are understood.

### **A. Disciplinary Authority**

The authority to enact and enforce regulations of the University is vested in the Board of Regents. The responsibility for enforcing the regulations and imposing penalties is delegated to the Chancellor and/or President of the University and any University officials the President designates. The Office of the Vice Provost, Undergraduate Education and Student Affairs is the principal agency for the administration of student discipline. Dean of Students, the Office of Student Conduct, and University Student Housing shall implement the student discipline procedures. All references to the officials listed above shall be interpreted to include persons designated to act on their behalf.

#### **1. Jurisdiction**

The University community has developed standards of behavior pertaining to students and to student organizations. Students and registered student organizations are subject to conduct action according to the provisions of the *Code of Student Conduct*. The University respects the rights and responsibilities of students and will consider each violation of University policy and each violation of federal, state and/or local law on a “case-by-case” basis and will further attempt to initially use educational options and subsequent intervention and/or prevention options to assist students.

The Code of Student Conduct applies to behaviors that take place on University premises, at University-sponsored activities and events, and may apply to off-campus behavior when the Dean of Students or Managing Director of Student Conduct determine that the off-campus conduct affects a substantial University interest, such as situations where a student’s conduct may present a danger or threat to the health or safety of him/herself or others; situations that infringe on the rights of other students; situations causing significant disruption to the educational community or detrimental to the educational mission of the University. Proceedings under the *Code of Student Conduct* may be carried out

prior to, independent of, concurrent with or following civil or criminal proceedings.

## **2. Timelines**

It is recommended that reports of alleged violations of the Code of Student Conduct should be received by the Office of Student Conduct within ten (10) University working days of the alleged incident to initiate conduct procedures. There is no time limit on reporting violations; however, the longer someone waits to report an offense, the more difficult it becomes to obtain information and evidence regarding the incidents.

Incidents should be resolved within 60 days of notice regarding the incident, not including appeal. This timeline may vary depending on the availability of students to participate in the process, availability of evidence, delays for concurrent criminal investigations, breaks between academic semesters, and other delays.

## **3. Notice**

Notice is deemed to have been properly provided when written notification is placed in First Class U.S. Mail, campus mail, sent to the student's official assigned Texas Tech University email address, or personally delivered to the student no less than five (5) University working days prior to the scheduled appearance. Failure of a student to receive notice does not prevent the conduct proceedings from being carried out. After proper notice has been given to the student, the Student Conduct Officer or designee may proceed with the review process and may issue a failure to comply code violation against the student. Students are advised to keep their most current local address, permanent address, email address and local telephone number updated in the student records system at [www.raiderlink.ttu.edu/](http://www.raiderlink.ttu.edu/).

## **4. Standards of Evidence**

Use of University information resources for unauthorized or nonacademic purposes including, but not limited to, illegal access, attempted or actual unauthorized accessing, copying, transporting or installing programs, records, data, or software belonging to the University, another user, or another entity, and/or illegal activity (e.g., sharing copyrighted materials or media).
- c. Using University information resources to violate Part 1, Section B2 Actions Against Members of the University Community or Others.
- d. Attempted or actual breach of the security of another user’s account and/or computing system, depriving another user of access to TTU information resources, compromising the privacy of another user or disrupting the intended use of TTU information resources.
- e. Attempted or actual use of the TTU information resources for unauthorized political or commercial purposes, or for personal gain.
- f. Access, creation, storage, or transmission of material deemed obscene (as defined by Chapter 43 of the State of Texas Penal Code on Public Indecency or other applicable laws). Exceptions may be made for academic research where this aspect of the research has the written consent of the Department Head. Discovery of obscene material, including child pornography, on any TTU information resource must be reported to the Information Security Office or Chief Information Officer immediately.
- g. Attempted or actual destruction, disruption or modification of programs, records or data belonging to or licensed by the University or another user or destruction of the integrity of computer-based information using TTU information resources.
- h. Attempted or actual use of TTU information resources to interfere with the normal operation of the University.

- i. Intentional “spamming” of students, faculty or staff (defined as the sending of unsolicited and unwanted electronic communications, including but not limited to e-mails and text messages to parties with whom the sender has no existing business, professional or personal acquaintance) using TTU information resources.

**13. Providing False Information or Misuse of Records**

Knowingly furnishing false information to the University, to a University official in the performance of his or her duties, or to an affiliate of the University, either verbally or through forgery, alteration or misuse of any document, record or instrument of identification.

**14. Skateboards, Rollerblades, Scooters, Bicycles or Similar Modes of Transportation**

Use of skateboards, rollerblades, scooters, bicycles or other similar modes of transportation in University buildings or on University premises in such a manner as to constitute a safety hazard or cause damage to University or personal property.

NOTE: Refer to University Parking Services Regulations at

<http://www.parking.ttu.edu/Resources/pdf/rulesregulations.pdf>.

**15. Violation of Published University Policies, Rules or Regulations**

Violation of any published University policies, rules or regulations that govern student or student organization behavior, including, but not limited to, violations of

- a. University Parking Services
- b. University Student Housing
- c. Recreational Sports
- d. Texas Tech University Board of Regents’ Rules
- e. Texas Tech University Operating Policies and Procedures
- f. Community Policies in Part II of the Student Handbook

**16. Violation of Federal, State, Local Law and/or University Policy**

Misconduct which may constitute a violation of federal, state local laws, and/or Texas Tech University policy will be considered a violation of this policy, and will be investigated and adjudicated through the University conduct system and standard of proof. A lack of conviction in any criminal proceeding will not, in and of itself, serve as evidence in a University conduct proceeding.

**17. Abuse of the Discipline System**

- a. Failure of a student to respond to a notification to appear before a Student Conduct Officer during any stage of the conduct process..
- b. Falsification, distortion, or misrepresentation of information in disciplinary proceedings.

- c. Disruption or interference with the orderly conduct of a disciplinary proceeding.
- d. Filing an allegation known to be without merit or cause.
- e. Discouraging or attempting to discourage an individual's proper participation in or use of the disciplinary system.
- f. Influencing or attempting to influence the impartiality of a member of a disciplinary body prior to and/or during the disciplinary proceeding.
- g. Influencing or attempting to influence another person to commit an abuse of the discipline system.
- h. Failure to comply with the sanction(s), condition(s), and/or restriction(s) imposed by a Student Conduct Officer under the Code of Student Conduct or the Student Handbook.

### **C. Reporting Allegations of Misconduct**

1. To file allegation(s) of misconduct against student(s) or student organization(s), individuals should complete an online incident report form. The written allegation should describe the action or behavior in question. Individuals may also file a report in person at the Office of Student Conduct, located in suite 211 of the Student Wellness Building. Staff are also available in the Student Resolution Center and Dean of Students to take initial reports of allegations and assist with conduct processes. The Office of Student Conduct also regularly reviews reports submitted from University Student Housing and the Texas Tech Police Department.
  
2. Amnesty Provisions
  - a. The Office of Student Conduct will attempt to provide educational options in lieu of conduct proceedings for
    1. Victims who may be hesitant to report incident(s) because they fear that they themselves may be accused of minor policy violations, such as underage drinking, at the time of the incident.
    2. Students who offer assistance to others by calling law enforcement or medical personnel will not be charged with alcohol and drug violations 3a, 3b, 4a, 4b, and 4c.
    3. Students who report serious violations but may be hesitant to report because they are engaged in minor violations.
    4. Students who bring their own use, addiction, or dependency to alcohol, drugs, or other addictions to the attention of the university prior to any conduct incidents or reports.
  - b. Abuse of amnesty provisions can result in a violation of the Code of Student Conduct.
  - c. Amnesty does not preclude students from being charged with violations of misconduct related to B.2. Actions Against Members of the University Community.
  - d. The Code of Student Conduct amnesty provisions do not impact criminal proceedings or charges.
  - e. Amnesty does not preclude students from being required to meet with University staff and to participate in conditions such as counseling and BASICS.
  - f. The Student Resolution Center can assist with questions related to amnesty provisions.

## **D. Conduct Procedures**

### **1. Initial Inquiry**

Upon notice of an alleged violation of the Code of Student Conduct, The Dean of Students or The Managing Director of the Office of Student Conduct will appoint a student conduct officer/ investigator to review allegations of misconduct. The student conduct officer/investigator will inquire, gather and review information about the reported student misconduct and will evaluate the accuracy, credibility, and sufficiency of the information. Incidents will not be forwarded for a hearing unless there is reasonable cause to believe a policy has been violated. Reasonable cause is defined as some credible information to support each element of the offense, even if that information is merely a credible witness or complainant statement. If it is determined that the information reported does not warrant an allegation, a policy warning letter may be issued to clarify the policy that was in question. Unsupported allegations with no credible information will not be forwarded to a hearing.

When an initial report of misconduct by a third party does not identify the victim or the victim is not available, the investigator will investigate the reported incident to fullest extent of the information available.

When a Complainant is identified but is reluctant to participate in the investigative process and/or the student conduct process entirely, the university will make every attempt to follow the wishes of the complainant while weighing the interests of the campus community and the possibility of a continuing threat. If the Complainant does not want to participate in the investigative process but has no aversion to the university pursuing conduct action with respect to the named Respondent, the university will proceed with the student conduct process to the extent of the information available. If the Complainant does not want the university to pursue the report in any respect, the university will investigate further only if there is reason to believe that a significant continuing threat to the campus community exists.

### **2. Remedies & Resources**

#### **a. Remedies**

The University will take immediate action to eliminate hostile environments, prevent reoccurrence and address any effects on the victim and community. This includes immediate steps to protect complainants even before the final outcome of the investigations, including prohibiting the respondent from having any contact with the complainant. These steps will attempt to minimize the burden on the complainant while respecting due process rights of the respondent.

Remedies for students may include, but are not limited to counseling services, victim's advocate assistance, modifications to on-campus housing,

modifications to parking permissions, and modifications to academic schedule. Remedies will be evaluated on a case-by-case basis.

b. **No Contact Orders**

When initial inquiry indicates persistent and potentially escalating conflict between two members of the university community, a No Contact Order may be issued as a remedial, non-punitive deterrent to further conflict or situational complication. A No Contact Order will be issued by the Office of Student Conduct or Dean of Students via the student's official Texas Tech email. The notice serves as an official directive that the student(s) have no contact with the other listed parties. Contact cannot occur in person, by telephone, email, text message or other electronic means of communication, or through a third party (other than an attorney). Should contact need to occur, the student should coordinate with the Office of Student Conduct. This notice may also come with other information related to changes in class schedule or other restrictions to facilitate the no contact order. Failure to comply with the no contact order is considered retaliation and will result in disciplinary action, including possible suspension or expulsion. Violations of no contact orders may also result in immediate temporary suspension during the completion of the conduct process. The term of a No Contact Order is indefinite, unless otherwise stated in the Order.

c. **Resources**

Texas Tech University has a variety of resources to assist students involved in conduct processes or experiencing concerns related to other student conduct. Resources include, but are not limited to assistance in reporting criminal behavior to the Texas Tech Police Department or Lubbock Police Department, counseling services, medical assistance, academic support referrals, and other support services. The Student Resolution Center is also available to help students understand the student conduct process and identify resources.

**3. Notice**

A student will be given notice of his or her involvement in an alleged violation of the Code of Student Conduct by receipt of a "Notice of Involvement/Need to Talk" Letter. When preliminary information indicates that certain, identifiable student(s) are associated with the reported incident, those student(s) will be asked to meet with a student conduct officer/investigator.

In addition to other possible sanctions, conditions and/or restrictions, and in the event that a student fails to respond to written notification, an administrative hold may be placed on the student's record to prevent further registration and transcript receipt. The administrative hold will remain until such time as the student conduct officer/investigator receives an appropriate response.

Failure to comply with or respond to a notice issued as part of conduct procedure and/or failure to appear will not prevent a Student Conduct Officer from proceeding with disciplinary action. Likewise, failure of a student to respond to notification to appear may result in additional alleged violations and result in a charge of Failure to Comply.

#### **4. Interim Actions**

##### **a. Immediate Temporary Suspension – Students**

A student may be temporarily suspended pending completion of conduct procedures if, in the judgment of the Dean of Students, or on recommendation of a Student Conduct Officer/Investigator, the physical or emotional well-being of a student or other students or members of the University community could be endangered or if the presence of the student could significantly disrupt the normal operations of the University. The Dean of Students or designee will notify the Managing Director of the Office of Student Conduct to initiate appropriate conduct procedures to address the disruptive behavior within five (5) University working days from the date of temporary suspension.

Upon immediate temporary suspension, the student may no longer attend classes, use University services and/or resources, and is not allowed to be on campus until the conduct proceedings have been concluded. Any instances whereby the student should need to return to campus must be coordinated through the Office of Student Conduct and the Texas Tech Police Department.

Conduct, on or off campus, that typically results in interim suspension:

1. A significant and articulable threat to the health or safety of a student or other member(s) of the University community.
2. Sexual assault, other forms of sexual misconduct, stalking, and relationship violence that are creating a hostile environment for the victim and the remedy for the harassment requires temporary separation.
3. Criminal felony charges related to weapons, drugs, aggravated assault, and/or terroristic threats.
4. Severe disruption in the academic community related to erratic behavior, threats, property damage, and/or verbal aggression with another student, where the offending student is uncooperative with staff requests.
5. Violation of a No Contact Order
6. Retaliatory harm, discrimination or harassment

##### **b. Immediate Temporary Suspension of Registration – Student Organizations**

If it is determined that a student organization's actions or activities are detrimental to the educational purposes of the University and/or not in accordance to the Student Handbook, that student organization will not be officially registered with the Center for Campus Life. The registration of a student organization may be temporarily suspended while an investigation is pending involving an alleged violation of registered student organization policies and procedures as outlined in the Student Handbook. The registered student organization will be afforded all due process guidelines as described in the Student Handbook.

Conduct, on or off campus, of members of a student organization that typically results in interim suspension:

1. Violent or harassment-type hazing
2. Organization events and activities resulting in allegations against individual students that typically result in individual student interim suspension (as outlined in Interim Action 4a)
3. Cease and desist directives from regional or national organizations
4. Alcohol/drug policy violations during recruitment or social events

c. Withdrawal of Consent

1. Grounds for Removal

The Student Conduct Officer or another University agent acting in accordance with his/her duties may recommend to the Dean of Students that, in accordance with the Texas Education Code, the student have his/her consent to remain on the campus withdrawn if, in the judgment of the Student Conduct Officer and Dean of Students, it is determined that:

- a. The student has willfully disrupted the orderly operation of the premises, and
- b. The student's presence on the campus or facility constitutes a substantial and material threat to the orderly operation of the premises.

If the Dean of Students concurs with the Student Conduct Officer's recommendation, permission for the student to be on University premises will be withdrawn. This Withdrawal of Consent will not be longer than fourteen (14) calendar days and a hearing must be held within these fourteen (14) calendar days to determine the student's status at the University. Permission to be on University premises must be coordinated through the Dean of Students and the Texas Tech Police Department. The Dean of Students will notify all parties of the final decision using the written notification procedures outlined in Part 1, A3 within five (5) University working days.

2. Registration Flag Following Withdrawal of Consent

When a student is withdrawn under this section, an administrative hold will be placed on the student's readmission to the University. This administrative hold will remain on the student's records until the student is readmitted.

NOTE: [See Texas Education Code, Sections 51.233-51.244](#)

**5. Student Rights & Responsibilities**

Prior to the formal investigative process, a student will be provided a Student Rights and Responsibilities document. This document will be reviewed and signed by the student prior to an interview with the investigator/student conduct officer. The Student Rights and Responsibilities document informs the student of his or her rights to be exercised before and during the investigative process. Those rights include

- a. Refrain from making any statement relevant to the investigation. Students have the right to refuse to participate in the investigation process, either in part or entirely. However, a student's refusal to participate in the investigation, in whole or in part, lasts for the duration of the conduct process. Expressly, if a student does not provide information during the investigation, he or she will not be allowed to present new information during the hearing; similarly, if a student provides only limited information during the investigation (i.e., answering some of the investigator's questions but not others), then during the hearing, the student will only be permitted to speak to the information he or she provided, with no additional commentary. The rationale for this policy is to prevent either party from presenting new evidence at the hearing that was available during the investigative process for the purpose of disadvantaging the other party. (Note: see Pre-Hearing for details on inclusion of new, previously unavailable information after conclusion of the investigative process)
- b. Notification of the alleged misconduct.
- c. Know the source of the allegation(s).
- d. Know the specific alleged violation(s) prior to the Formal Hearing.
- e. Know the sanctions, conditions, and/or restrictions that may be imposed because of the alleged violation(s).
- f. Be accompanied by an advisor at any Office of Student Conduct proceeding or any other related proceeding. An "advisor" can be any one of the following: a member of the Texas Tech Community (faculty, staff, or student), a Victim's Advocate, a parent or legal guardian, a relative, or in situations involving criminal legal proceedings, an attorney. An advisor's role is that of support – he or she may not speak on behalf of the student and does not have an active, participatory role in the conduct process. If an advisor for the accused student is an attorney, an attorney from the Office of General Counsel may attend the hearing on behalf of the University. The

complainant and/or the student accused of alleged misconduct is responsible for presenting his or her own information, and therefore, advisors are not permitted to speak or participate directly in any hearing unless authorized by a Student Conduct Officer. Students should select an advisor whose schedule allows attendance at the scheduled date and time for the hearing, as delays will not be allowed due to the scheduling conflicts of an advisor, except at the discretion of a Student Conduct Officer upon written request five (5) University working days in advance of the scheduled hearing date.

- g. To have the opportunity to respond to the allegation(s) and/or present information. In the event that you need additional time to gather information, please inform your conduct officer.
- h. Know that the standard of proof is a preponderance of the evidence. This differs from the standard of proof in a criminal legal proceeding – beyond a reasonable doubt. To make a finding under a preponderance of the evidence, it must be *more likely than not* that a certain behavior took place. In other words, if the evidence indicates that there is a 51% likelihood that a student violated the Code of Conduct, then that student should be found responsible.
- i. Know that the proceedings are not restricted by the Rules of Evidence that govern criminal and civil trials. This means that all evidence and information can be taken into consideration in evaluating a situation, regardless of the source or means used to acquire that evidence or information.
- j. Know that any statements made by the student, or student representing a registered organization, can be used during the proceeding.
- k. Know that if it is discovered that the student made any false or misleading statement(s) during the student conduct process, that student will be subject to further disciplinary action under the *Code of Student Conduct*.

## **6. Formal Investigation**

A trained investigator/student conduct officer will conduct a thorough, reliable, and impartial investigation of the reported incidents including meeting with the party bringing the complaint to finalize the complainant's statement, interview witnesses, collect evidence, create timelines, and receive information from the respondent.

When initial inquiry indicates a concurrent police investigation is occurring, the investigator/student conduct officer will, where possible, collaborate with the Texas Tech Police Department during investigation. Elements of this collaborative investigation may include the investigator coordinating with responding officers at the scene of the incident, joint interviews with police detectives, and evidence sharing. The investigator will never take physical custody of any physical or electronic evidence, but will work closely with the Texas Tech Police Department to

inspect, analyze, and incorporate physical or electronic evidence into the Investigative report.

Once the investigative process is complete, the investigator/student conduct officer will compile the relevant information and evidence into an Investigation Report, which may include a timeline of the event(s), statements from interviews, physical and electronic evidence, a breakdown of the discrepancies in the various interviews, and credibility considerations. The investigator will document any physical or electronic evidence in a manner that is conducive and unobstructive to concurrent or forthcoming police investigations.

A student will have access to the completed Investigation Report for his or her case at the Pre-Hearing phase, after the formal investigative process has concluded. In order to protect confidentiality, students will not be allowed to take a copy of the Investigation Report.

**7. Pre-Hearing/Formal Allegations Assigned**

Once the investigative process is complete, the student will be given notice of a Pre-Hearing Meeting scheduled outside of the student's academic schedule. Should students not participate in the Pre-Hearing, the conduct process may continue without their participation, including the assignment of allegations and Formal Hearing.

During this meeting, students will be given the opportunity to review the Investigation Report and other documents or evidence to be used in the Formal Hearing. While students may identify errors in their statements at this point, they are not able to add additional information to the Investigation Report during the Pre-Hearing unless that information, in the judgment of the investigator, was unavailable during the investigative process and is pertinent to the consideration of the case. If a student discovers new, previously unavailable information during the time after the Pre-Hearing but before the Formal Hearing, the student should inform the investigator/student conduct officer immediately. If the new information is pertinent to the consideration of the case, the investigator/student conduct officer will determine whether the new information should be included in the Investigation Report or presented verbally during the Formal Hearing. If there is new evidence introduced, other involved parties would also be given the opportunity to provide a response to any new evidence that will be presented in the Formal Hearing.

Formal Allegations will be assigned during the Pre-Hearing per the information and evidence gathered during investigation. Allegations are behaviors identified as Misconduct in Part 1B and are assigned for deliberation in the Formal Hearing by the Administrative Hearing Officer or University Discipline Committee to determine the student's responsibility for misconduct. An Allegation Letter will be provided to the student in the Pre-Hearing Meeting or via other methods of notice.

Students may indicate whether an Administrative Hearing or University Discipline Committee Hearing is preferred. However, the Student Conduct Officer/Investigator has the sole discretion in all cases to designate whether an Administrative Hearing or University Discipline Committee hearing will be held notwithstanding the student's preference.

In cases requiring a University Discipline Committee, the investigator/student conduct officer will share the pool of faculty, staff, and students trained for University Discipline Committees. Students will be given the opportunity to strike any member of the University Discipline Committee whose impartiality may be in question. Once the composition of the University Discipline Committee is set, the investigator/student conduct officer will schedule the Final Hearing no sooner than five (5) university working days from the date of the last Pre-Hearing. The five-day period can be waived by the Office of Student Conduct upon consultation with the involved student(s).

#### **8. Informal Resolution**

Once the investigative process is complete and formal allegations have been assigned, but prior to a formal hearing, a responding student has the option to resolve the issue informally. In order to effectuate an Informal Resolution, a responding student must (1) accept the finding(s) with regard to the allegations presented, and (2) accept the sanction(s), condition(s), and/or restriction(s) recommended by the Student Conduct Officer/Investigator.

In cases involving another student (the complainant) and/or a violation of Part 1, Section B2 of the *Code of Student Conduct*, both the Complainant and the Respondent must agree to both the finding(s) and the sanction(s), condition(s), and restriction(s) as recommended by the Student Conduct Officer/Investigator.

In cases where an Informal Resolution is reached, there is no formal hearing and no appeal. The case will only be reopened if new material, previously unavailable is presented.

#### **9. Formal Conduct Hearings**

After proper notice has been given to the student, the University may proceed to conduct either an Administrative or a University Discipline Committee Hearing and deliver a decision or recommendation respectively. The Administrative or University Discipline Committee Hearing may be held and a decision or recommendation made, regardless of whether the student responds, fails to respond, attends the hearing or fails to attend the hearing. Should the student fail to attend the Administrative or University Discipline Committee Hearing, an Administrative Hearing Officer or the

University Discipline Committee may consider the information and render an administrative decision or University Discipline Committee recommendation.

Hearings are closed to the public. Both the complaining and responding students have the right to be present at the Formal Hearing; however, they do not have the right to be present during deliberations. Arrangements can be made so that complaining and responding students do not have to be in the hearing room at the same time. To request changes in the scheduled hearing time, students should contact the Office of Student Conduct no less than three (3) days prior to the scheduled hearing.

a. Administrative Hearing

An Administrative Hearing is the process of adjudicating allegations of violations of the Code of Student Conduct by an Administrative Hearing Officer. The assigned Administrative Hearing Officers makes the decision of responsibility and assigns sanctions, conditions, and restrictions as appropriate.

Written notification of the outcomes of the Administrative Hearing will be provided to the student within five (5) University working days of the conclusion of the Formal Hearing. Students may utilize Disciplinary Appeal Procedures in Part 1, D11.

b. University Discipline Committee Hearing

A University Discipline Committee Hearing panel consists of five (5) committee members including faculty, staff and students. Availability may determine a different composition for the Hearing Panel, and in complaints involving discrimination, sexual misconduct, or other sensitive issues, students may be removed from the panel. For allegations related to academic dishonesty, the University Discipline Committee will be composed of only faculty and students.

During the University Discipline Committee Hearing, a designated Committee Chairperson will facilitate the hearing process. Hearing proceedings, excluding the deliberations of the University Discipline Committee, will be recorded by the University.

The Investigator/Student Conduct Officer presents the investigation report, evidence, witnesses, allegations, and questions for deliberation. The University Discipline Committee may question the investigator/student conduct officer, complainant, respondent and any witnesses. The complainant and respondent do not have the right to question each other nor witnesses directly but may do so through the investigator/student conduct

officer. The complainant and respondent have the right to add or make additional comments about the facts of the case. Should new evidence be presented without prior discussion with the investigator/student conduct officer, the hearing may be halted to consider the inclusion of this information. . Impact statements will also be halted if they are shared prior to the sanctioning phase of the hearing. In the event the chair of the hearing removes a student due to misconduct (complainant, respondent, or witnesses) the alleged misconduct will be forwarded to the Office of Student Conduct.

Following the hearing, the University Discipline Committee will deliberate and will render a decision in regard to the alleged misconduct as well as decide any sanctions, conditions and/or restrictions if applicable. The chair of the University Discipline Committee will inform the Managing Director of the Office of Student Conduct in writing of the decision(s).

Outcomes of the University Discipline Committee will be provided to the student(s) in writing within five (5) University working days of the conclusion of the Formal Hearing. Students may utilize Disciplinary Appeal Procedures as outlined in Part 1, D11.

#### **10. Conduct Outcomes/Findings (Sanctions, Conditions, Restrictions)**

A Student Conduct Officer or the University Discipline Committee may impose sanctions, conditions and/or restrictions as a result of a Formal Hearing where the student is found responsible. Potential sanctions, conditions and/or restrictions are listed in the Code of Student Conduct grid at <http://www.depts.ttu.edu/studentconduct>. Please note that the grid is provided only as a guideline for administering sanctions, conditions, and/or restrictions, by the Administrative Hearing Officer or the University Discipline Committee. The Administrative Hearing Officer and/or the University Discipline Committee may deviate from the grid.

An administrative fee of up to \$100.00 may be imposed on students and student organizations found responsible for violating the *Code of Student Conduct* in addition to any other sanctions, conditions, and/or restrictions also assessed. Implementation of the disciplinary sanction(s), condition(s) and/or restriction(s) will not begin until either the time for a disciplinary appeal has expired or until the disciplinary appeal process is exhausted. Upon the judgment of the Managing Director of the Office of Student Conduct, some cases resulting in sanctioning of suspension and expulsion may begin prior to the completion of the disciplinary appeal process.

If the allegation involves a student organization, the Administrative Hearing Officer or University Discipline Committee may meet with a University staff member whose

professional capacity involves the advising of the organization. This staff member may provide information relevant to potential sanctions, conditions, and restrictions for the committee.

All records concerning a student or student organization related to the disciplinary process will remain on file in the Office of Student Conduct or University Student Housing for a minimum of seven (7) years from the date the case is completed through a Formal Hearing and/or disciplinary appeal procedures (see Part 1, D11, Disciplinary Appeal Procedures).

a. Sanctions

Sanctions are defined as the primary outcome of the alleged violation. If a student or student organization is found responsible, the range of sanctions includes the following outcomes:

1. Disciplinary Reprimand:

The disciplinary reprimand is an official written notification using the notice procedures outlined in Part 1, A3 to the student that the action in question was misconduct.

2. Disciplinary Probation:

Disciplinary probation is a period of time during which a student's conduct will be observed and reviewed. The student must demonstrate the ability to comply with University policies, rules, and/or standards and any other requirement stipulated for the probationary period. Further instances of misconduct under the *Code of Student Conduct* during this period may result in additional sanctions, conditions and/or restrictions.

3. Deferred Disciplinary Suspension:

Deferred disciplinary suspension is a period of time where a disciplinary suspension may be deferred for a period of observation and review, but in no case will the deferred suspension be less than the remainder of the semester. Further instances of misconduct under the *Code of Student Conduct* during this period may result in additional sanctions, conditions and/or restrictions.

4. Time-Limited Disciplinary Suspension:

Time-limited disciplinary suspension is a specific period of time in which a student is not allowed to participate in class or University related activities. The status of disciplinary suspension will be shown on the student's academic record, including the transcript. Time-limited disciplinary suspension is noted on the student's transcript by the phrase "Disciplinary Dismissal". Upon written request by the student to the University Registrar, the notation of "Disciplinary Dismissal" may be removed from the transcript at the discretion of the University upon readmission or the completion of the disciplinary

suspension period. In cases of discriminatory harassment or sexual misconduct, the notation of disciplinary suspension will not be removed. Notification of disciplinary suspension of a student will indicate the date on which it begins and the earliest date the application for student readmission will be considered. The Student Conduct Officer may deny a student's readmission, if the student's misconduct during the suspension would have warranted additional disciplinary action. If the student has failed to satisfy any sanctions, conditions and/or restrictions that have been imposed prior to application for readmission, the Student Conduct Officer may deny readmission to a student. On denial of a student's readmission, the Managing Director of the Office of Student Conduct will set a date when another application for readmission may again be made.

NOTE: For information pertaining to academic courses taken at another higher education institution during time-limited disciplinary suspension, please refer to OP 34.21 located at <http://www.depts.ttu.edu/opmanual/OP34.21.pdf>

#### 5. Student Organizations

Student organizations may also be subject to suspension of their organization's registration. Time-limited disciplinary suspension is a specific period of time in which a student organization's registration and privileges are suspended. Upon written request by the registered student organization's representative to the Center for Campus Life, the notation of disciplinary suspension may be removed from the registration record of the student organization upon completion of the disciplinary suspension period. Notification of disciplinary suspension of an organization will indicate the date on which the suspension begins and the earliest date the application for re-registration will be considered. The Student Conduct Officer may deny an organization's request for re-registration if the organization's misconduct during a period of suspension would have warranted additional disciplinary action. If the organization has failed to satisfy any sanctions, conditions, and/or restrictions that have been imposed prior to application for re-registration, the Student Conduct Officer may deny re-registration to the organization. On denial of an organization's application for re-registration, the Student Conduct Officer will set a date when another application for re-registration may be made.

#### 6. Disciplinary Expulsion:

Disciplinary expulsion occurs when the student is permanently withdrawn and separated from the University.

The status of expulsion will be shown permanently on the student's academic record, including the transcript or student organization's registration. Disciplinary expulsion is noted on the student's transcript by the phrase "Administrative Dismissal."

An administrative hold will be placed on the student record by the Managing Director of Student Conduct to prevent future registration. .

b. Conditions

A condition is an additional component of a disciplinary sanction. A condition is usually an educational or personal element that is to occur in conjunction with the assigned sanction. Some examples of conditions include, but are not limited to:

1. Personal and/or academic counseling intake session.
2. Discretionary educational conditions and/or programs of educational service to the University and/or community.
3. Residence hall relocation and/or contract review/cancellation of residence hall contract and/or use of dining facilities.
4. Restitution or compensation for loss, damage or injury, which may take the form of appropriate service and/or monetary or material replacement.
5. Monetary assessment owed to the University.
6. Completion of an alcohol or drug education program.
7. Referral to the BASICS Program for assessment.

c. Restrictions

A restriction is an additional component of a disciplinary sanction. A restriction is usually an educational component that is to occur in conjunction with the sanction and will usually be time specific. Some examples of restrictions include, but are not limited to:

1. Revocation of parking privileges.
2. Denial of eligibility for holding office in registered student organizations.
3. Denial of participation in extracurricular activities.
4. Prohibited access to University facilities and/or prohibited direct or indirect contact with members of the University community.
5. Loss of privileges on a temporary or permanent basis.
6. Withdrawal of University funding (Student Government Association, departmental, Student Services Fees, etc.)
7. Restrictions associated with violations of Part X, section B.3 (academic integrity) include, but are not limited to, dismissal from a departmental program, denial of access to internships or research programs, loss of appointment to academically-based positions, loss of

departmental/graduate program endorsements for internal and external fellowship support and employment opportunities, and/or removal of fellowship or assistantship support.

d. Alcohol & Drug Violations

Violations of Part 1, sections B3. (alcoholic beverages) or B4 (narcotics or drugs) may result in notification to the parents/guardians of dependent students under the age of 21. NOTE: See Parent Notification Policy at <http://www.depts.ttu.edu/studentconduct/process.php>.

**11. Conduct Appeal Procedures**

A student may appeal the decision or the sanction(s), condition(s) and restriction(s) imposed by the Office of Student Conduct by submitting a written petition to the designated appeal officer within five (5) University working days of receiving the written decision.

The petition must clearly set forth the grounds for the appeal, together with the evidence upon which the appeal is based. A disagreement with the decision alone shall not constitute grounds for appeal. The only proper grounds for appeal, and the only issues that may be considered on appeal are as follows:

- a. A procedural [or substantive error] occurred that significantly impacted the outcome of the hearing (e.g. substantiated bias, material deviation from established procedures, etc.);
- b. The discovery of new evidence, unavailable during the original hearing or review of the case, which could substantially impact the original finding or sanction. A summary of this new evidence and its potential impact must be included; and
- c. The sanctions imposed substantially vary from the range of sanctions normally imposed for similar infractions.

In cases involving alleged misconduct involving actions against members of the university community, either the complainant or respondent may appeal the decision of the Office of Student Conduct. In such cases, the Office of Student Conduct will provide the request for appeal to the other party and provide opportunity for response. In cases involving alleged misconduct involving academic dishonesty, the designated appeal officer is the Associate Academic Dean of the college where the student is enrolled or the Associate Academic Dean of the college housing the course where the violation occurred. In situations where the Associate Academic Dean participated in the hearing as the conduct officer or instructor of record, the designated appeal officer is the Academic Dean.

The designated appeal officer will review the appeal to determine if the appeal is timely and properly sets forth the appropriate grounds for appeal, with adequate accompanying evidence. If any of these requirements are not met, the appeal will be

dismissed, and the decision will be final. If an appeal is granted, the results of the appellate process as outlined below will be final.

If the designated appeal officer determines that new evidence should be considered, he/she may return the complaint to the original hearing body to reconsider the new evidence, or may order a new Administrative or University Discipline Committee Hearing. If new evidence is considered, the original hearing body may increase, decrease, or otherwise modify the sanctions, conditions, and/or restrictions. The original hearing body or designee will notify the student of the outcome using the written notice procedures outlined in Part 1, A3 within eight (8) University working days of the decision. The decision is final and may not be appealed. If a new Administrative or University Discipline Committee Hearing is ordered, all hearing procedures under Part 1, section D (Conduct Procedures) will be followed. The new hearing body or designee will notify the student of the outcome using the written notification procedures outlined in Part 1, A3. within five (5) University working days of the decision. The decision of the new hearing body is final and may not be appealed.

If the Managing Director of the Office of Student Conduct or designee determines that a material procedural or substantive error has occurred, he/she may return the complaint to the original hearing officer/committee with instructions for another hearing in light of the appellate findings. All hearing procedures under Part 1, section D (Conduct Procedures) will be followed. The original hearing body will notify the student in writing of the outcome using the written notification procedures outlined in Part 1, section A3 within five (5) University working days of the decision. This decision is final and may not be appealed. In those cases in which the error cannot be cured by the original hearing body (i.e., some cases of bias), the designated appeal officer may order a new hearing with either a new Student Conduct Officer or with a University Discipline Committee hearing with different members. If a new Administrative or University Discipline Committee Hearing is ordered, all hearing procedures under Part 1, section D (Conduct Procedures) will be followed. The new hearing body or designee will notify the student in writing of the outcome within five (5) University working days of the decision. The decision of the new hearing body is final and may not be appealed.

If the designated appeal officer determines that the sanctions imposed substantially vary from the range of sanctions normally imposed for similar infractions, the director or designee may then increase, decrease or otherwise modify the sanctions, conditions, and/or restrictions instead of returning the case to the original hearing body or convening a new committee. The designated appeal officer will notify the student in writing of the outcome using the written notification procedures outlined in Part 1, section D. within five (5) University working days of the decision. The decision of the designated appeal officer is final and cannot be appealed.

The Office of Student Conduct shall make all reasonable efforts to timely notify the student(s) of the status of the appeal throughout the appellate process, and shall make all reasonable efforts to notify the students as to the result of the appeal within five (5) University working days after the final decision is rendered. The appeals officer's decision is final.

## **12. Former Student Conduct & Readmission**

A former student who engages in conduct that is a violation of the *Code of Student Conduct* may be subject to conduct procedures prior to reenrollment, a bar against readmission, revocation of a degree, and withdrawal of a diploma.

A student who has had an administrative hold placed on his or her records under this section must request readmission from the Managing Director of the Office of Student Conduct at least three (3) weeks prior to any Texas Tech University Office of Admissions application deadlines for the semester or summer session in which the student wishes to re-enroll. The student may be required by the Managing Director of the Office of Student Conduct to submit evidence in writing supportive of his/her present ability to function properly and effectively in the University community. The University will evaluate the student's request and supporting documentation with primary consideration given to satisfying all conditions specified at the time of suspension or withdrawal. If approval is granted by the Managing Director for the Office of Student Conduct for the removal of the administrative hold, the student must then complete the regular University readmission procedures.

### **B. Academic Integrity**

- a. Texas Tech University Statement of Academic Integrity
  1. Academic integrity is taking responsibility for one's own class and/or course work, being individually accountable, and demonstrating intellectual honesty and ethical behavior. Academic integrity is a personal choice to abide by the standards of intellectual honesty and responsibility. Because education is a shared effort to achieve learning through the exchange of ideas, students, faculty, and staff have the collective responsibility to build mutual trust and respect. Ethical behavior and independent thought are essential for the highest level of academic achievement, which then must be measured. Academic achievement includes scholarship, teaching, and learning, all of which are shared endeavors. Grades are a device used to quantify the successful accumulation of knowledge through learning. Adhering to the standards of academic integrity ensures grades are earned honestly. Academic integrity is the foundation upon which students, faculty, and staff build their educational and professional careers. [Texas Tech University ("University") Quality Enhancement Plan, Academic Integrity Task Force, 2010]
- b. Academic Dishonesty Definitions
  1. Students must understand the principles of academic integrity, and abide by them in all class and/or course work at the University. Academic dishonesty violations are outlined in the Code of Student Conduct. If there are questions of interpretation of academic integrity policies or about what might constitute an academic integrity violation, students are responsible for seeking guidance from the faculty member teaching the course in question.
- c. Academic Integrity Policy Committee
  1. The Academic Integrity Policy Committee formed by the Associate Vice Provost for Student Affairs will conduct an annual review of the Policy and make written recommendations to the Senior Vice President for Academic Affairs and Provost or a Vice Provost designated by the Provost to serve as Chief Academic Officer regarding omissions, clarifications, constructive changes and other matters relevant to the proper interpretation and operation of the Policy. Such written recommendations will be received annually by the CAO no later than March 1.
- d. Instructor Responsibilities

1. Any person becoming aware of alleged violations of academic integrity should report the allegation to the instructor of record in the course. The instructor in a course is responsible for initiating action in each case of dishonesty or plagiarism that occurs in that class. The instructor should contact the Office of Student Conduct to discuss the nature of the violation and the student's record of academic integrity violations. Instructions for reporting allegations of academic dishonesty are available in the Code of Student Conduct. The instructor should attempt to discuss the matter with the student and receive a response from the student about the allegations. Then, the instructor may notify the student of possible academic sanctions including, but not limited to assigning a paper or research project related to academic integrity, make-up assignment that is different than the original assignment, issue no credit for the original assignment, reduce the grade for the assignment and/or course, issue a failing grade on the assignment, and/or issue a failing grade for the course. The academic sanction will not be implemented or assigned until all disciplinary procedures are complete. All academic integrity violations should be referred to the Office of Student Conduct Programs as a central clearinghouse of violations and for adjudication as a *Code of Student Conduct* violation where disciplinary sanctions, conditions, and/or restrictions will be assigned.
- e. Withdrawal and Assignment of Grades
1. Once a student has been notified of an academic integrity violation, the student may not drop the course until the academic integrity processes are complete. A student should continue attending class and participating in course work until the disciplinary process is complete. If it is determined that the student was not responsible for academic integrity violations, the student may file a request with the Associate Vice Provost for Student Affairs for approval to drop the course or withdraw from the University retroactively, without academic and financial penalty.
  2. If a referring faculty member must submit a final course grade before an Academic Integrity Violation allegation is resolved, the faculty member should notify the Department Chair and the Associate Academic Dean of the intention to assign a grade of F and/or leave the final grade blank. The involved student may be given a temporary grade of X by the Office of the Registrar, which does not affect the student's GPA, until the academic integrity adjudication process is complete. When the academic integrity adjudication process is complete, the final grade will be assigned through the appropriate academic channels and the completion of a grade change form. All appeals related to academic integrity violations should follow the process outlined in Part X.E: Code of Student Conduct: Disciplinary Appeals Procedures.
- f. Academic and Disciplinary Penalties

1. The academic and disciplinary penalties will not be implemented until the disciplinary procedure and appeal process has been exhausted. In cases in which a student is found not responsible for academic dishonesty, the student will be entitled to the grade he/she would have received in the absence of an academic integrity violation. In addition, the student will be allowed to continue in the particular course without prejudice.
- g. Referrals to the Office of Student Conduct
1. In addition to the assignment of academic sanctions by the instructor of record, a referral of the academic integrity violation should also be made to the Office of Student Conduct for the assignment of disciplinary sanctions. Instructions for reporting academic dishonesty violations are available in the Code of Student Conduct. A student referred to the Office of Student Conduct for alleged violations of academic misconduct is entitled to all substantive and procedural guarantees provided in the *Code of Student Conduct*. Law students are subject to discipline procedures as described in the Honor Code of the School of Law. Instructors of record of the course where the violation occurred and the associate academic dean of the college where the student is enrolled or of the college housing the course where the violation occurred may participate in the adjudication of the violation and assignment of additional sanctions, conditions and/or restrictions with the Office of Student Conduct as outlined in the *Code of Student Conduct*.
- h. NOTE: Additional Academic Integrity information is available from the Office of Student Conduct and TTU Ethics Center.

### **C. Anti-Discrimination Policy**

Texas Tech University does not tolerate discrimination or harassment of students based on or related to sex, race, national origin, religion, age, disability, status as a covered veteran, or other protected categories, classes, or characteristics. While sexual orientation is not a protected category under state or federal law, it is Texas Tech University policy not to discriminate on this basis. Actions related to admission, discipline, housing, extracurricular and academic opportunities shall not be made based on a student's protected status. Discriminatory behavior is prohibited regardless of the manner in which it is exhibited, whether verbally, in writing, or electronically displayed or conveyed. Individuals who violate these policies and laws are subject to disciplinary action, up to and including expulsion.

#### a. Definitions

##### 1. Discriminatory Harassment

- a. Discriminatory harassment is verbal or physical conduct based on a student's sex, race, national origin, religion, age, disability, sexual orientation, or other protected categories, classes, or characteristics and is so severe, persistent, or pervasive it adversely affects the victim's education or creates an intimidating, hostile, abusive or offensive educational environment which interferes with the student's ability to realize the intended benefits of the University's resources and opportunities.

The Student Resolution Center is available to assist with these processes. An online reporting form is also available.
- b. Office of Civil Rights Complaints
  - 1. Nothing in this policy shall prevent a student from presenting a charge of discrimination or other grievance covered by this policy to an external agency, such as the United States Department of Education: Office of Civil Rights (OCR), 400 Maryland Avenue, SW Washington, DC 20202-1100, Customer Service Hotline#: (800) 421-3481, <http://www.ed.gov/ocr>.
- c. Non-retaliation
  - 1. Retaliation is strictly prohibited against a person who files a complaint of discrimination or harassment in good faith, opposes a charge or testifies, or assists or participates in an investigative proceeding or hearing. Retaliatory harassments is an intentional action taken by an accused

individual or allied third party, absent legitimate non-discriminatory purposes, that harms an individual as reprisal for filing or participating in a grievance process.

d. Confidentiality

1. Confidentiality of both complainant and accused will be honored to such extent as is possible without compromising the University's commitment to investigate allegations of discrimination and harassment and only in instances where there is no credible threat to the safety of the complainant, respondent, or others. The willful and unnecessary disclosure of confidential information by anyone, including the alleged victim, regarding discrimination and harassment complaints to any person outside of the investigation process may result in appropriate disciplinary measures against the offending party.

e. Faculty/Staff and Student Relationships

1. Texas Tech University is committed to the promotion of professional and educational relationships and open channels of communication among all individuals. The faculty/staff and student relationship is of the highest value and impacts a student's educational experience. Consensual relationships, including affectionate liaisons or other intimate or close relationships between faculty and students in a faculty members class or with whom the faculty member has an academic or instructional connection are prohibited. Faculty/staff with direct or indirect teaching, training, research oversight or direction, supervisory, advisory, or evaluative responsibility over the student should recognize and respect the ethical and professional boundaries that must exist in such situations. If questions arise about situations involving faculty/staff and student relationships, they can be directed to the student's Academic Dean, Provost's Office or the Dean of Students.

f. Grievance or Complaint Processes

1. A grievance is a formal complaint pertaining to adverse actions taken on the basis of the student's protected status or other violation of law or TTU policy. A violation of a University policy alone does not necessarily constitute a violation of law or an action prohibited by law. Additional information about grievance and complaint processes is available here. Complaint processes are outlined in Part II, Section D of the Student Handbook.

a. Grievances and Investigations – Complaints Involving Other Students

- i. Grievances and investigations of formal complaints against other student(s) pertaining to adverse actions taken on the basis of the student's protected status or other violation of law or TTU policy are guided by the Student Conduct

Procedures outlined in the Student Handbook, Part 1 Code of Student Conduct.

- b. Grievances and Investigations – Complaints Involving Faculty or Staff
  - i. This grievance process is applicable to all students who choose to complain about unlawful discrimination or other violations of the law that adversely affect their educational environment and the responding party is a faculty or staff member.
  - ii. While not appropriate, not all rude or offensive comments or conduct constitute sexual harassment or unlawful discrimination.
  - iii. All grievance investigations and procedures will be non-adversarial in nature. These procedures are entirely administrative in nature and are not considered legal proceedings.
  - iv. The filing of a grievance shall not affect the ability of TTU to pursue academic and disciplinary procedures for reasons other than the student’s filing of a grievance.
  - v. Prior to filing a formal grievance, a student should attempt to resolve the situation by addressing the offending party in an informal manner and in an atmosphere of mutual respect. A student is not required to contact the person involved if doing so is impracticable, the student is uncomfortable doing so, or if the student believes that the conduct cannot be effectively addressed through informal means. If the situation is not resolved by informal means, the student may file a formal grievance.
  - vi. A student may also consult with the Dean of Students or Student Resolution Center to determine if he/she wishes to file a formal grievance. Students wishing to file a grievance should complete the grievance form located at [www.deanofstudents.ttu.edu](http://www.deanofstudents.ttu.edu). However, even if a formal grievance is not filed, the Dean may notify key personnel at his or her discretion about the allegation, and other action may be taken by TTU as deemed appropriate. Other actions include, but are not limited to, conferring with supervisors or other administrators concerning inappropriate behavior occurring within their area of responsibility and informing alleged offenders of TTU’s policy and educating departments and supervisors as needed on this and other policies.

- vii. If the grievance involves the Dean of Students, the grievance should be presented to the Equal Employment Opportunity Office.
- viii. Upon receipt of a signed grievance, an investigation will be conducted by the Dean of Students or designee. The Vice Provost for Student Affairs & Undergraduate Education and the appropriate academic dean will be notified of the grievance.
- ix. The investigation may consist of the review of the grievance and any supporting documentation, examination of other relevant documentation, and interviews with relevant individuals. The extent of the investigation and its procedures will be determined by and at the discretion of the Dean of Students. The Equal Employment Opportunity Office or other administrators may be consulted to assist with the investigation.
- x. After the investigation is complete, the Dean of Students or designee will provide a written determination to the student who has filed the grievance, the accused parties, the appropriate academic dean, and the Vice Provost for Student Affairs & Undergraduate Education.
- xi. In the event a finding of a violation of this policy is made, appropriate disciplinary action will be taken as determined by the appropriate administrator. Disciplinary action for faculty and staff would be referred to the next senior level administrator and coordinated with the Equal Employment Opportunity Office.

#### **E. Class Absences**

- a. Responsibility for class attendance rests with the student. Regular and punctual attendance at all scheduled classes is expected, and the University reserves the right to deal at any time with individual cases of non-attendance. In case of an illness requiring an absence from class for more than one week, the student should notify his/her academic dean. Texas Tech University Operating Policy 34.04 provides complete information regarding class attendance and reporting student illness and emergencies.
- b. Religious Holy Day Absences
  1. A student who intends to observe a religious holy day should make that intention known in writing to the instructor prior to the absence. More information is available in Texas Tech University Operating Policy 34.19.
- c. Student Absence due to Sponsorship of Student Activities and Off-Campus Trips
  1. According to the Undergraduate and Graduate Catalog, faculty, department chairpersons, directors, or others responsible for a student representing the University on officially approved trips should notify the student's instructors of the departure and return schedules in advance of the trip. The instructor so notified must not penalize the student, although the student is responsible for material missed. Students absent because of University business must be given the same privileges as other students (e.g., if other students are given the choice of dropping one of four tests, then students with excused absences must be given the same privilege).
  2. According to Texas Tech University Operating Policy 34.06, students will be responsible for making their own individual arrangements with instructors for class work missed while participating in an off-campus trip.

## **F. Complaint Processes**

- a. Complaints Against Students
- b. Complaints Against Faculty
- c. Complaints Against Staff
- d. Discriminatory and/or Sexual Harassment
  1. Students with grievances related to discrimination in the educational environment on the basis of race, sex, national origin, religion, age, disability, sexual orientation, genetic information, or other protected categories, classes, or characteristics should review the Anti-Discrimination policies in Part 2, C of the Student Handbook.
- e. Students with Disabilities
  1. Any students seeking remedy on the basis of a disability must register as a disabled student with Student Disability Services and must provide all required documentation of a disability. Students who are denied services or denied a specific accommodation request by a Student Disability Services counselor may appeal the decision to the Managing Director Student Disability Services. The ADA Campus Coordinator for Students is the Managing Director of Student Disability Services, 335 West Hall, (806) 742-2405.
- f. Personal Records
  1. Guidelines governing student access to personal records and the procedures for challenging information in these records are contained in the student records policy that is detailed in the Student Handbook Part 2, Section P.
- g. Disciplinary Action
  1. The University disciplinary appeals process is outlined in the Student Handbook Part 2, Section D. Conduct Procedures relating to the School of Law are contained in the Honor Code of the School of Law. Procedures relating to the School of Medicine, School of Nursing and the School of Allied Health are contained in the School of Medicine Student Handbooks, School of Nursing Student Handbook, and the School of Allied Health Student Handbooks.
- h. Employment
  1. A student wishing to pursue a grievance concerning employment with the University and who has not found satisfaction or resolution with his or her immediate supervisor or the person in charge of that department may contact the Office of Equal Employment Opportunity in accordance with the grievance procedures outlined in the University Operating Policy 70.10. The procedures manual may be reviewed in the Office of Equal Employment Opportunity.
- i. Grades
  1. The instructor assigned to a course has the responsibility for determining a grade and for judging the quality of academic performance. A grade can

be formally appealed only when there is demonstrable evidence that prejudice, arbitrary or capricious action on the part of the instructor has influenced the grade. The burden of proof that such an unfair influence has affected a grade rests with the student who appeals the grade. The complete student grade appeal policy and procedure is listed in Texas Tech University Operating Policy 34.03. A copy of the grade appeal procedures may be obtained from any academic college dean's office or from the Office of the Provost. Also, refer to the Student Handbook Part 2, Section B, Academic Integrity.

j. Parking Citations

1. Students may appeal a campus parking citation online at [www.parking.ttu.edu](http://www.parking.ttu.edu). Transportation & Parking Services rules and a description of the three-tiered appeals process is described in the *Traffic and Parking Regulations* available online at <http://www.parking.ttu.edu/resources/pdf/rulesregulations.pdf>

k. Graduate School Requirements

1. Graduate students may address specific grievances arising from matters affecting academic standing and performance, other than admission to the Graduate School (see <http://www.depts.ttu.edu/opmanual/OP64.01.pdf>) and allegations of academic dishonesty (see the *Code of Student Conduct*). Such matters include, but are not limited to, disputes concerning comprehensive and qualifying examinations, these and dissertations, academic probation and suspension, and graduate assistantships. See OP 64.07 <http://www.depts.ttu.edu/opmanual/OP64.07.pdf> for more information. Appeals of course grades are made through the dean of the college in which the course is offered and are, therefore, excluded from consideration under OP 64.07; see OP 34.03 <http://www.depts.ttu.edu/opmanual/OP34.03.pdf>

## **G. Financial Responsibility**

- a. Students must meet all financial responsibilities due to the University. The writing of checks on accounts with insufficient funds, issuance of stop pays, fraudulent credit card chargebacks, or the nonpayment or delinquent payment of outstanding loans and failure to meet any other financial obligations to the University are considered a lack of financial responsibility. Financial irresponsibility may subject the student to additional fees, fines, suspension of check writing and cashing privileges, denial of registration, withholding of grades and transcripts and adjudication under the *Code of Student Conduct*. A student who fails to make full payment of tuition and mandatory fees, including any incidental fees, but the due date may be prohibited from registering for classes until full payment is made. A student who fails to make full payment prior to the end of the semester or term may be denied credit for the work done that semester or term.
- b. Generally, failure to meet financial obligations to the University may result in:
  1. Cancellation of the student's registration if tuition and registration fees are not paid by the dates provided by Student Business Services or if a returned check given in payment of tuition and fees is not redeemed by that time.
  2. Possible criminal prosecution for writing insufficient fund checks.
  3. A hold preventing future registration placed on a student's academic records.
  4. A hold on receiving official University transcripts until the obligation is paid.
  5. Students should understand that consequences may result from not resolving one's financial obligations to the University. The University may report individual student financial problems to a credit agency or a collection agent. Before registering or requesting a transcript, students may check on the presence of holds by accessing their records at [www.raiderlink.ttu.edu](http://www.raiderlink.ttu.edu) under the TTU MyTech (for Students) tab.
  6. For more information, please visit the Student Business Services website at [www.sbs.ttu.edu](http://www.sbs.ttu.edu).

## **H. Freedom of Expression**

- a. Hyperlink to Use of University Space Policy Related to Freedom of Expression (Part 2, Section Q)

## **I. Housing Requirements**

- a. The Texas Tech residence hall system includes a variety of living options and provides convenient and affordable housing for approximately 7,400 students. Learning Communities provide students with the opportunity to live with others of similar interests. Murray Hall and Talkington Hall offer suite-style accommodations to men and women. Most suites include four private bedrooms, a common living area, and shared bathrooms. Talkington Hall and the new West Campus Village include a limited number of two bedroom suites. The new West Campus Village upperclass and graduate buildings are apartment style living with full kitchens and washer and dryers. The West Campus graduate building is for students at least 21 years or age. Carpenter/Wells Complex, which is arranged in three-bedroom townhouses or four-bedroom flats, offers private bedrooms in a suite-style setting. Priority for assignment to Carpenter/Wells Complex will be given to students of sophomore or above classification. Gordon Hall, a suite-style residence, is designated as the Honors College Residence Hall.
- b. An experienced and trained staff of Residence Life Coordinators and Community Advisors manages each residence hall. Each residence hall office provides assistance to residents with concerns, including maintenance requests, room and roommate assignments, and resource information.
- c. The interests of students living on campus are promoted through the Residence Halls Association and individual hall governments. Each hall government sponsors social, cultural, educational, and recreational activities.
- d. Complete information regarding campus housing can be found at [housing.ttu.edu](http://housing.ttu.edu). Information regarding residence hall policies can be found at [housing.ttu.edu/hall-policies](http://housing.ttu.edu/hall-policies).
- e. Housing Policy
  1. In support of the Strategic Plan of Texas Tech University, the University requires students with less than 30 post high school college hours to live in the University Residence Halls if there are vacancies. Institutional research suggests that students who live on campus are significantly more inclined to remain in college and achieve higher GPAs in comparison to students living off campus. Compliance with the University housing policy is a condition of enrollment, as set forth in the Student Handbook and the academic catalogs and approved by the Board of Regents.
- f. Housing Requirement
  1. Subject to verification and authorization by University Student Housing, students who meet one or more of the following criteria may be eligible to live off campus:

- a. A student is residing and continues to reside in the established primary residence of her/his parents (or legal guardian) if it is within a 60-mile radius of Texas Tech University. The parents must have established their primary Lubbock-area residency at least six months prior to the request for an exemption. In order for the exemption request to be considered, legal guardianship must have been established by a court of law at least one year prior to the request.
- b. A student presents sufficient evidence of an extreme financial hardship condition based on guidelines similar to those required for financial aid.
- c. A student is married or has dependent children living with the student.
- d. A student is 21 years of age or over on or before the first day of classes of the initial semester of enrollment.
- e. A transfer student has successfully completed 30 or more semester hours of academic credit prior to the student's enrollment or re-enrollment. Credit earned by exam (Advanced Placement, CLEP, ACT, and SAT) and hours received from concurrent high school credit are not considered.
- f. A student is awarded a University scholarship/sponsorship that is managed by a University department or college and includes the equivalence of the current academic school year's room, dining plan, tuition, fees, and textbooks (as estimated by the Student Financial Aid Office). Upon prior approval from the managing department or college, the student may request to be exempted from living on campus. The managing department or college must provide verification in writing to University Student Housing prior to the student's enrollment and/or re-enrollment to the University.
- g. A student is enrolled in the Graduate School or Law School.
- h. A student has served in active military service, as verified by a discharge certificate (DD214).
- i. A student presents sufficient evidence of an extreme medical condition, as documented by his/her treating physician for which on-campus accommodations cannot be made.
- j. A student presents sufficient and satisfactory evidence of extreme or unusual hardship that will be intensified by living in the residence halls.
- k. A student has completed a full academic year (fall and spring terms) of residence in the Texas Tech University residence halls prior to off campus residence eligibility.
- l. A student is enrolled in on-line classes only.
- m. A student is taking six or less hours during the academic year.

- n. A student enrolled for a TTU or TTUHSC campus other than the Lubbock campus.
- 2. In conjunction with the University's support of academic integrity, evidence of deliberate falsification of information, data, or any materials submitted, or providing false or erroneous information in connection with an application for exemption from the on-campus housing requirement will be grounds for disciplinary action. Such action may include, but is not limited to, revocation of a previously approved exemption, restitution of up to a semester's room and dining plan fees, or probation, as determined by the Office of Student Conduct and in accordance with the Code of Student Conduct at Texas Tech University.
- 3. Students sign a Residence Hall Contract for the summer session or the academic year (fall and spring semesters). Any student wishing to move from the residence halls should consult the Residence Hall Contract for the provisions applicable to cancellation of the contract. Authorization for exemption from the on-campus housing requirement does not relieve the student of contractual obligations that may have been assumed with the University for housing in the residence halls.

- c. Registration of New and Re-Registering Student Organization
1. A student organization may file the "intent to form" a registered student organization application to the Student Organization Staff or designee administering student organizations. This is a temporary status, which lasts for 30 days and allows the non-registered group the privileges of University facilities and publicity venues common to registered student organizations. The 30-day time period should be used to recruit new members, develop a constitution and by-laws and obtain a permanent full-time faculty/staff advisor. A student organization may choose to register within the 30-day time period if they have met all of the requirements to register.
  2. Before the "intent to form" expiration deadline, students still interested in permanent status should complete the on-line registration process, and schedule a meeting with the Student Organization Staff to discuss finalizing their status as a registered student organization. Extensions of the "intent" status are possible under extenuating circumstances and requests should be addressed to the Student Organization Staff. Although re-registration of current groups occurs during the spring, this does not mean that new or reforming groups have to wait until the spring to complete the process.
  3. New and/or re-registering student organizations that desire the benefits of a registered student organization should attend a Student Organization Registration Meeting or make an individual appointment with the Student Organization staff to discuss the policy regulating the registration of student organizations.

It is recommended to include the organization's risk management policy into the bylaws or upload it to the organization OrgSync files folder.

Upon filing their registration application, groups must attach a letter from their national affiliate with their IRS 501(c) (Internal Revenue Code) tax exemption number from the Internal Revenue Service. This is the mechanism the government uses to verify eligibility for single-sex exemption.
  - f. Provide the title, campus address, telephone number and e-mail address of a full-time Texas Tech University/Texas Tech Health Science Center faculty or staff member indicating their willingness to serve as the organization's advisor.
  - g. The assessment will be in the form of a written report containing the findings and recommendations of the medical and other professionals performing the assessment.
- c. Within five (5) University working days from the initial meeting with the student or five University working days from the date of notice regarding the meeting, the student will be scheduled for an assessment with a medical doctor, a licensed counseling or clinical psychologist, and other professionals as appropriate. If applicable, this assessment would include a psychiatrist from Student Health Services and a psychologist from the Student Counseling Center.
- d. The student may provide information from other medical professionals as part of the assessment.
- e. If a student elects not to participate in this assessment, the process will continue with the information that is otherwise available to consider.
