10. Conduct Procedures for Student Organizations

- a. All student organizations, registered and operating as a registered organization are held accountable for the *Code of Student Conduct* to include but not limited to academic integrity, sexual misconduct, hazing, and federal/state/local laws (a lack of conviction in any criminal proceeding of members of the organization or the student organization does not preclude the University from proceeding with TTU conduct processes). The student organization conduct process is outlined in Part I Code of Student Conduct, Section D, including processes for the interim suspension and denial of registration for student organizations.

In compliance with federal guidelines, Texas Tech University provides all students, employees, and prospective students up-to-date information about campus crime statistics, six-year graduation rates of students and student athletes, and campus services such as tuition and fee rates, housing options, withdrawal procedures, study abroad programs and disability services. Links to current information are available at <http://www.depts.ttu.edu/studentconduct/right-to-know.php>.

SECTION P. STUDENT RECORDS

1. General Policy

Policies and procedures concerning student records are based on respect for the privacy of the individual. To minimize the risk of improper disclosure, academic records are maintained separately from disciplinary records. (During the time of disciplinary suspension or expulsion, the notice is placed in the student’s permanent file.) The conditions for access to each are set forth in the *Student Handbook* and complies with federal and state statutes and with registered student organization guidelines. The procedures set forth below apply to all persons formerly or currently enrolled at Texas Tech University.

2. Address of Record

Students must maintain an accurate permanent address with the Office of the Registrar. The address is used for official notifications including billing and notification of official University requirements. Students should maintain a current local address and telephone number that is used by University officials, and/or student organizations and the campus community. Students may update their contact information at www.raiderlink.ttu.edu via the MyTech (for Students) tab.

3. Student Access to Educational Records

- a. All current and former students of the University have the right to access their educational records as provided by law.
- b. Upon written requests, students may obtain copies of their educational records at their expense and pending resolution of administrative holds.

- c. The University will respond to all requests for explanations and interpretations of records or information, if the response does not violate the Family Educational Rights and Privacy Act of 1974, as amended.
- d. A student may waive the right of access to confidential letters of recommendation in the areas of admissions, job placement and receipt of awards. Additionally, recommenders who submit a letter to a student's credential file at the University Career Center may indicate whether they wish the student to have access to said letter. Directory information may be disclosed without the student's permission, unless the student has requested confidentiality See http://www.depts.ttu.edu/registrar/Academic_Information.php for more information.
- e. Non-directory information such as personal conduct, grade point average, academic progress, etc., shall not be released to non-authorized personnel without the consent of the student.

4. Records Not Accessible to Students

The following are records not accessible to students:

- a. Instructional, supervisory and administrative personnel records and the student's educational personnel records in the sole possession of the author and not revealed to any person other than a substitute (i.e. grade books, notes of observation and notes for recollection purposes).
- b. Employment records of a University employee who is not a student.
- c. Medical records are maintained for students visiting Student Health Services. Information contained in the medical record is privileged and will not be released to another person or institution without written permission of the student, unless otherwise authorized by law. While not considered "education" records under the Family Educational Rights and Privacy Act of 1974, as amended, the mentioned statute still allows the patient, in most instances, access to his/her records. The general rule of confidentiality contains an exception when the patient or someone authorized to act on his/her behalf submits a written consent. Consent must be in writing and signed by the patient (or a parent or legal guardian if the patient is a minor). A physician shall furnish copies of medical records requested in accordance with the consent provided, except if the physician determines that access to the information would be harmful to the physical, mental or emotional health of the patient.
- d. Medical and/or psychological information submitted to Student Disability Services for the purpose of determining eligibility and services are not releasable. Students may obtain the original information from the sources.

These forms provide the student with several options concerning the use and confidentiality of letters of reference and recommendation. Under the Family Educational Rights and Privacy Act 1974, as amended, the student does not have access to confidential letters and statements of recommendation which were placed in the educational records before January 1, 1975, if the letters or statements are used for purposes for which they were specifically intended.

SECTION Q. USE OF UNIVERSITY SPACE

1. General Policy

Freedom of expression is critical and fosters free, robust, and uninhibited debate and deliberations by students enrolled at TTU as well as other persons. The purpose of this section is to establish the approval process for the use of University grounds, facilities, and amplification equipment for faculty, staff, academic, and administrative departments. With the exception of expressive activities outlined under Texas Tech University System Regulation 07.04, the space and facilities of the University are available according to the following priorities: the support of the instructional programs of the institution; the programs sponsored and conducted by University academic and administrative departments or organizations affiliated with those departments; the use of campus space and facilities for activities that have as their purpose, service or benefit to the Texas Tech University community, and that are sponsored by registered student organizations, students, faculty, and employees. Notwithstanding any other provision set forth in this section or elsewhere in this Handbook, in the event of any conflict between the terms of TTUS Regulation 07.04 and the provisions of this Handbook, the terms of TTUS Regulation 07.04 shall control.

Except as specifically provided in TTUS Regulation 07.04 or elsewhere in this section, University facilities may not be used by individuals or organizations not connected with the University. An individual who is not a student, faculty, or staff member may attend public functions or activities held on University property, but to be eligible for the use of campus facilities, the function or activity must be sponsored by and affiliated with a University department or registered student organization. There may be a charge for attendance at some events. Sponsorship and/or co-sponsorship minimally include, but are not limited to, direct participation in planning, coordination and implementation by members of the sponsoring organizations. A department, student or registered student organization may not reserve space or facilities on campus and permit it to be used by a non-registered organization or off-campus group or person. Except as otherwise permitted under Texas Tech University or Texas Tech University System policies, non-registered organizations or off-campus groups or persons not sponsored by a department or registered organization will not be permitted to reserve facility spaces on campus. State law requires that University facilities and property not be used for private gain.
