PART II
COMMUNITY POLICIES

SECTION A. ALCOHOL POLICY & INFORMATION

a. Alcoholic Beverage Provisions in the Code of Student Conduct

SECTION B. ACADEMIC INTEGRITY

a. Texas Tech University Statement of Academic Integrity

Academic integrity is taking responsibility for one’s own class and/or course work, being individually accountable, and demonstrating intellectual honesty and ethical behavior. Academic integrity is a personal choice to abide by the standards of intellectual honesty and responsibility. Because education is a shared effort to achieve learning through the exchange of ideas, students, faculty, and staff have the collective responsibility to build mutual trust and respect. Ethical behavior and independent thought are essential for the highest level of academic achievement, which then must be measured. Academic achievement includes scholarship, teaching, and learning, all of which are shared endeavors. Grades are a device used to quantify the successful accumulation of knowledge through learning. Adhering to the standards of academic integrity ensures grades are earned honestly. Academic integrity is the foundation upon which students, faculty, and staff build their educational and professional careers. [Texas Tech University ("University") Quality Enhancement Plan, Academic Integrity Task Force, 2010]

b. Academic Dishonesty Definitions

Students must understand the principles of academic integrity, and abide by them in all class and/or course work at the University. Academic Misconduct violations are outlined Part II, section B.2 of the Code of Student Conduct. If there are questions of interpretation of academic integrity policies or about what might constitute an academic integrity violation, students are responsible for seeking guidance from the faculty member teaching the course in question.

c. Instructor Responsibilities

Any person becoming aware of alleged violations of academic integrity should report the allegation to the instructor of record in the course. The instructor in a course is responsible for initiating action in each case of dishonesty or plagiarism that occurs in that class. The instructor should contact the Office of Student Conduct to discuss the nature of the violation and the student’s record of academic integrity violations. Instructions for reporting allegations of academic dishonesty are available in the Code of Student Conduct. The instructor should attempt to discuss the matter with the student and receive a response from the student about the allegations. Then, the instructor may notify the student of possible academic sanctions including, but not limited to assigning a paper or research project related to academic integrity, make-up assignment that is different than the original assignment, issue no credit for the original assignment, reduce the grade
for the assignment and/or course, issue a failing grade on the assignment, and/or issue a failing grade for the course. The academic penalty will not be implemented or assigned until all disciplinary procedures are complete. All academic integrity violations should be referred to the Office of Student Conduct as a central clearinghouse of violations and for adjudication as a Code of Student Conduct violation where disciplinary sanctions will be assigned.

d. Withdrawal and Assignment of Grades

1. Once a student has been notified of an academic integrity allegation, the student may not drop the course until the academic integrity processes are complete. If a student drops or withdraws, the student will be reinstated to the course in question. A student should continue attending class and participating in course work until the disciplinary process is complete. If it is determined that the student was not responsible for academic integrity violations and/or the referring faculty member allows the student to withdraw from the course, the student may file a request with the Associate Vice Provost for Student Affairs for approval to drop the course or withdraw from the University retroactively.

2. If a referring faculty member must submit a final course grade before an Academic Integrity Violation allegation is resolved, the faculty member should notify the Department Chair and the Associate Academic Dean of the intention to assign a grade of F and/or leave the final grade blank. The involved student may be given a temporary grade of X by the Office of the Registrar, which does not affect the student’s GPA, until the academic integrity adjudication process is complete. When the academic integrity adjudication process is complete, the final grade will be assigned through the appropriate academic channels and the completion of a grade change form. All appeals related to academic integrity violations should follow the process outlined in Part I, section C.5 (Disciplinary Appeals Procedures).

e. Academic and Disciplinary Penalties

The academic and disciplinary penalties will not be implemented until the disciplinary procedure and appeal process has been exhausted. In cases in which a student is found not responsible for academic dishonesty, the student will be entitled to the grade he/she would have received in the absence of an academic integrity violation. In addition, the student will be allowed to continue in the particular course without prejudice.

f. Referrals to the Office of Student Conduct

In addition to the assignment of academic sanctions by the instructor of record, a referral of the academic integrity violation should also be made to the Office of Student Conduct for the assignment of disciplinary sanctions. Instructions for reporting academic dishonesty violations are available in the Code of Student Conduct. A student referred to the Office of Student Conduct for alleged violations of academic misconduct is entitled to all substantive and procedural guarantees provided in the Code of Student Conduct. Law students are subject to discipline procedures as described in the Honor Code of the School of Law. Instructors of record of the course where the violation occurred and the associate academic dean of the college where the student is enrolled or of the college housing the course where the violation occurred may participate in the adjudication of the
violation and assignment of additional sanctions with the Office of Student Conduct as outlined in the *Code of Student Conduct*.

If questions arise about situations involving faculty/staff and student relationships, they can be directed to the student’s Academic Dean, Provost’s Office or the Dean of Students.

9. **Grievance or Complaint Processes**
   A grievance is a formal complaint pertaining to adverse actions taken on the basis of a student’s protected status or other violation of law or TTU policy. For additional information regarding the complaint process, see TTU Operating Policies 40.02 and 40.03.

10. **Grievances or Complaints and Investigations – Involving Employees, Whether Faculty, Staff, or Students**

Students absent because of University business must be given the same privileges as other students (e.g., if other students are given the choice of dropping one of four tests, then students with excused absences must be given the same privilege).

Extensions of the “intent” status are possible under extenuating circumstances and requests should be addressed to the Student Organization Staff. This is the mechanism the government uses to verify eligibility for single-sex exemption.
- Provide the title, campus address, telephone number and e-mail address of a full-time Texas Tech University/Texas Tech Health Science Center faculty or staff member indicating their willingness to serve as the organization’s advisor.

organizations not connected with the University, with the exception of the use of Forum
Areas for free expression as set forth in the section below or as otherwise permitted under
Texas Tech University or Texas Tech University System policies. An individual who is
not a student, faculty, or staff member may attend functions or activities held on
University property, but to be eligible for the use of campus facilities, the function or
activity must be sponsored by and affiliated with a University department or registered
student organization. Sponsorship and/or co-sponsorship minimally include, but are not
limited to, direct participation in planning, coordination and implementation by members
of the sponsoring organizations. A department, student or registered student organization
may not reserve space or facilities on campus and permit it to be used by a non-registered
organization or off-campus group or person. Except as otherwise permitted under Texas
Tech University or Texas Tech University System policies, non-registered organizations
or off-campus groups or persons not sponsored by a department or registered
organization will not be permitted to reserve space on campus. State law requires that
University facilities and property be used only for state purposes and not for private gain.

2. Reservation Requirements
   a. Reservations must be made for the use of buildings and grounds under the control
      of the University. Requests for reservations will be granted according to the
      priorities of the designated area. Requests must be made to the appropriate office.
      Requests from registered student organizations must be signed by the
      organization’s president and full-time faculty/staff advisor. Requests from
      individuals must be signed by the person applying for the use of the space or
      facilities.
   b. If the use of facilities is for programs or activities involving minor children, the
      sponsoring group must comply with Texas Education Code 51.976, which
      requires sexual abuse and child molestation training, certification, and reporting
      for program employees. Documentation of timely reporting to the Texas
      Department of State Health Services of such training should be received before
      reservation of space or facility will be confirmed.

3. Use of Facilities by Student Organizations
   a. Student organizations must be registered to use University facilities or grounds.
   b. These meetings must be held within a 30 calendar-day time period from the date
      the Center for Campus Life Staff notifies the Student Union for the petitioning
      organization’s intent to register. Academic
campus facilities may be reserved by “petitioning” student organizations for one meeting only, if their full-time faculty or staff advisor agrees to be present at their event. Petitioning student organizations are also allowed to submit unlimited grounds use requests during the 30 day time period. If the petitioning student organization does not have a faculty/staff advisor yet the staff in the Center for Campus Life can sign off. Additional reservations will not be approved until the student organization is registered.

4. **Procedure and Priorities for Designated Facilities**

   a. **Student Union**
      
      Priority for use of space in the Student Union is given to programs and activities which are conducted by the various departments within the Student Union. Secondary priority is given to registered student organizations and University departments. Reservations must be made in the Student Union Office Room 203.

   b. **Academic Buildings**
      
      Any registered student organization may request the use of space in academic buildings for specific purposes. These purposes may include, but are not limited to, regular meetings of honorary or professional organizations, lectures, seminars or workshops and special programs and functions. The space must be reserved through the Operations Division Planning and Administration. All requests must be submitted by an active member of the student organization using the online request form in Ad Astra Schedule at [http://academicscheduling.ttu.edu/Astra_Schedule](http://academicscheduling.ttu.edu/Astra_Schedule) or in person at the Operations Division Planning and Administration. A link to the scheduling site and complete instructions can be found on the department website at [http://www.depts.ttu.edu/registrar/sections/](http://www.depts.ttu.edu/registrar/sections/)

      All requests must include the full name, department, and phone number of the student organization’s full-time faculty or staff advisor. Recurring space assignments may be made for one semester only. All space assignments are made on the basis of use consistent with the purposes of the University and of available space. Space assignments for student organizations will not be scheduled on weekends, holidays, or during final examination periods. Academic use by departments and colleges has priority over other uses and organizational assignments may be changed or canceled if conflicts with regular academic programs develop.

      Academic space will be assigned on a limited basis if:

      - The intended use is in keeping with the educational purposes of the University.
      - The intended use does not conflict with the use by academic programs or academic organizations.
      - The intended use does not conflict with normal security and maintenance schedules.

   c. **Residence Halls**
Currently enrolled students who live in the residence halls and participate in the residence hall governments have first priority for use of all residence hall facilities. Facilities may also be provided for individuals or groups whose activities are sponsored by, or affiliated with, University Student Housing. 6. Freedom of Expression Activities and Forum Areas

a. The open exchange of information, opinions, and ideas between students is an essential element of the campus experience. These policies are intended to protect the interests of all students as well as other members of the University community. These policies presume that students are generally free to engage in freedom of expression activities in those outdoor areas of campus that are common and accessible to all students (such as park-like areas and sidewalks) without the need of prior approval of the University.

b. Although the Texas Tech University campus is generally an open campus for purposes of student freedom of expression activities, students are encouraged, and persons and groups not affiliated with the University are required, to use the Forum Areas of the campus for freedom of expression activities.

c. The following are the Forum Areas as currently defined at Texas Tech University.
Each location is marked with a plaque that reads, “Forum Area,” and may be used on a first-come, first-serve basis.

SECTION Q. WITHDRAWALS

1. Voluntary Withdrawal from the University
   a. According to the Undergraduate and Graduate Catalog and OP 34.05, students who find it necessary to withdraw from the University during a semester or summer term must apply to the Office of the Registrar prior to the term withdrawal deadline. A student wishing to drop to zero hours must withdraw from the institution. If a student withdraws on the 13th class day or after, a W will be recorded for all classes that semester or term, and these W’s will not be counted toward the six state-defined permitted drops. International students must receive clearance from the Office of International Affairs as a part of the withdrawal procedure. Student athletes must receive clearance from their Athletic Academic Advisor. Withdrawal and re-enrollment procedures vary for School of Law students. Students enrolled in the School of Law and seeking withdrawal information should contact the Associate Dean for Student Affairs at the School of Law for assistance.
   b. Students considering withdrawal for medical reasons may contact the Office of the Dean of Students to discuss additional University resources and services.
   c. There may be financial implications to withdrawal. If a student receives financial aid or is living in TTU student housing, he/she should first contact those offices before applying for the withdrawal. If a registration hold exists on the student’s record, it must be cleared before the withdrawal can be processed. To check your student record for registration holds, log on at www.raiderlink.ttu.edu and select
Refunds
The Undergraduate and Graduate Catalog indicate that students withdrawing to zero hours at their request or those who have been withdrawn due to University action may be eligible to receive a refund of paid tuition and fees. A tuition and fee refund schedule is listed in the Undergraduate and Graduate Catalog and at http://www.depts.ttu.edu/registrar/.

Returning to the University after a Voluntary Withdrawal
Application materials and deadlines for former Texas Tech students are available at www.gototexastech.com. Official transcripts from all institutions attended subsequent to Texas Tech re-enrollment must be submitted by the application deadline. All returning students must have a minimum of a 2.0 GPA on work taken since leaving Texas Tech. Please visit the following for more information: http://www.depts.ttu.edu/formertech/.

2. Involuntary Withdrawals
a. When a student poses a direct threat to the health or safety of others, and the direct threat cannot be eliminated or reduced to an acceptable level through the provision of reasonable accommodations where required, a student may be involuntarily withdrawn from the University.

b. Notice
Notice regarding students who may be direct threats (both self-reports and third party reports) should be made to the Office of the Dean of Students or designee.

c. A “direct threat” means
• There is a high probability (not just a slightly increased, speculative, or remote risk)
• of substantial harm
• Based on observation of a student’s conduct, actions, and statements.

e. The Dean of Students or designee will review the information presented in the notice, including what attempts, if any, have been made to reduce or eliminate the direct threat, such as the student’s voluntary compliance with medical or counseling assistance.

f. The Dean of Students or designee will notify the student of the concern.

g. The Dean of Students or designee will request a meeting with the student to inform the student that an initial individualized, objective assessment will be scheduled within five University working days in order to determine whether the student poses a direct threat to him/herself or others. The meeting may include, but is not limited to discussion of:
• Involvement of parents or significant others;
• Academic progress;
• Living arrangements;
• Previously granted accommodations;
• Confidentiality waivers;
• Other possible accommodations, care and support resources including medical or counseling assistance; and
• Withdrawal implications such as financial aid, health insurance, visas, and academic timelines.

h. If the student does not respond to the request for a meeting or does not attend the meeting, written notice of the pending assessment will be sent via certified mail to the student’s last known official, local address as provided by the student to the Registrar’s Office and/or electronically to the student’s University email account. Students not responding to requests for meetings or assessments may be referred to the Office of Student Conduct for allegations of failure to comply with reasonable directives and/or requests of a University official acting in the performance of their duties.

i. Temporary Suspensions
During the involuntary withdrawal process, if the Vice Provost, Undergraduate Education and Student Affairs or designee determines that an immediate direct threat exists against others or an overt disruption of the campus community has occurred, the student may be temporarily suspended pending a final decision on the involuntary withdrawal as long as the student has received notice of the concern, and had an opportunity to address the concern, and the student is afforded a Hearing and right to appeal the final decision. During a temporary suspension, the student may not attend classes, use University services and/or resources (except those expressly permitted by the Vice Provost, Undergraduate Education and Student Affairs or designee), and may not be on campus until the proceedings have been resolved. If the student needs to return to campus, the visit must be coordinated through the Vice Provost, Undergraduate Education and Student Affairs or designee and the Texas Tech Police Department.

j. Involuntary Withdrawal Assessment
An individualized, objective assessment will be completed to determine whether a direct threat exists, and if so, whether the student should be permitted to remain enrolled at the University.

The assessment will be based on reasonable medical judgment, using current medical knowledge, or the best available objective information, to assess the student’s ability to safely participate in the University’s programs. The assessment will be in the form of a written report containing the findings and recommendations of the medical and other professionals performing the assessment.

Within five (5) University working days from the initial meeting with the student or five University working days from the date of notice regarding the meeting, the student will be scheduled for an assessment with a medical doctor, a licensed counseling or clinical psychologist, and other professionals as appropriate. If applicable, this assessment would include a psychiatrist from Student Health Services and a psychologist from the Student Counseling Center. The student may provide information from other medical professionals as part of
the assessment.
If a student elects not to participate in this assessment, the process will continue with the information that is otherwise available to consider.
The assessment will determine:

- The nature, duration, and severity of the risk;
- The probability that the potentially threatening injury will actually occur; and
- Whether reasonable modifications of policies, practices, or procedures will sufficiently mitigate the risk.

k. Involuntary Withdrawal Committee

The assessment report will be forwarded to the Involuntary Withdrawal Committee for review.

The Involuntary Withdrawal Committee is comprised of the following voting members: the student’s Associate Academic Dean, Director of the Student Counseling Center, Medical Director of Student Health Services, Director of Student Disability Services, and Dean of Students. If the student resides in campus housing, the Director of Student Housing will also serve as a voting member of the committee. The Dean of Students or designee will chair the committee. A non-voting resource person may be assigned from the Vice Provost for Undergraduate Education and Student Affairs to present information and assist the committee. The Involuntary University Withdrawal Committee will meet with the student in an informal, non-adversarial Hearing to review the information collected throughout the process, and discuss the assessment with the student. The student will be permitted an opportunity to address the evidence being considered by the Involuntary Withdrawal Committee.

The Hearing will be scheduled by the Office of the Dean of Students within five (5) University working days of the completion of the individualized assessment. The student will be provided the information to be considered at the Hearing by the Dean of Students in advance of the Hearing. The student may elect to attend the Involuntary Withdrawal Committee Hearing and present information on their behalf. The student may be accompanied by one or more advisors. A non-voting resource person will present information and act as a recorder for the committee. When deliberating a decision, the Involuntary Withdrawal Committee will meet in closed session with only voting members and the resource person present.

Following the Hearing, the Involuntary Withdrawal Committee will recommend one of the following:

- the student may remain enrolled at the University with no restrictions;
- the student may remain enrolled at the University subject to specific conditions and/or restrictions as defined by the Involuntary Withdrawal Committee; or
- The student should be involuntarily withdrawn from the University upon a specific date.

l. Review of Committee Recommendation
m. Appeals Process
The student may appeal the decision of the Dean of Students or designee by submitting a written appeal to the Associate Vice Provost for Student Affairs within five (5) University working days. The student will be notified in writing of the final decision within five (5) University working days of receipt of the appeal.

n. Final Decision
Upon completion of the appeal process or with no receipt of an appeal, the student who is involuntarily withdrawn may not attend class or use University facilities, must vacate University housing within 48 hours and may not return to campus unless approved by the Vice Provost, Undergraduate Education and Student Affairs. Referrals will be made for the student upon request to appropriate community resources, i.e. medical care and housing. The student may be entitled to refunds of prorated tuition, fees, and room and board charges as a result of involuntary withdrawal. A registration hold will be placed on the student’s record at the direction of the Dean of Students or designee, limiting any subsequent registration until approval is given by the Dean of Students or designee.

o. Eligibility for Readmission
Students are eligible for consideration of readmission following an involuntary withdrawal after one calendar year. At that time, the student should present documentation to the Office of the Dean of Students for review. Documentation may include, but it is not limited to, current psychological evaluation, demonstration of ongoing medical care, and a plan for care upon re-enrollment. The documentation shall be presented to the Involuntary Withdrawal Committee for recommendation to the Dean of Students or designee. Readmission requests and documentation must be presented by February 1 for summer enrollment, May 1 for fall enrollment, and October 1 for spring enrollment. Readmission will be contingent upon demonstration or documentation that the student is no longer a direct threat, and upon meeting admission deadlines and requirements.
