

DIRECTION TO NANOPHOTONICS CENTER

By rides (Uber, etc.) use the address:

901 Boston Ave, Lubbock, TX 79409

From the Lubbock Preston Smith International Airport by car:

Exit the airport along Martin Luther King, Jr. Blvd. and proceed to loop 289 South (or East) toward Lubbock. Take the University Ave exit and follow “Texas Tech University” sign and drive about 5 minutes. Turn right on University Ave to Glenna Goodacre Blvd. Turn right and then left onto Drive of Champions, passing football stadium. Turn left on Drive of Champions to Canton Ave and you will see an entry station. Stop and get visitor permit at the entry station. Park car at one of the visitors’ parking spaces at Engineering Key near Nanophotonics Center. Lubbock Preston Smith International Airport. Lubbock Preston Smith International Airport is located minutes from the Texas Tech campus.

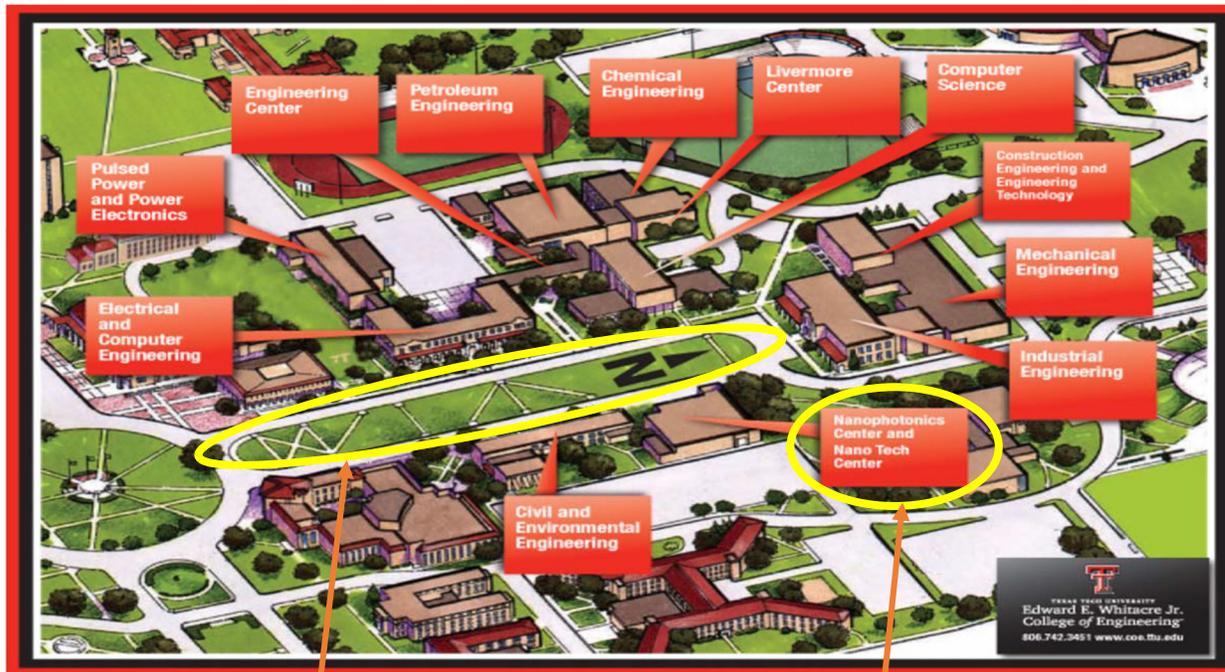

Airline service includes American Airlines, Delta, United Express and Southwest Airlines. Car rental is also available at the Lubbock airport.
