ENVIRONMENTAL & ENERGY ECON AT THE TTU CENTER IN SEVILLE

During this Study Abroad Program, we will analyze the impacts of U.S. and European climate policies on the economy, as well as the environmental impacts of current economic patterns using economic models. Energy Economics - Regulation of international energy markets, and analysis of U.S. and European energy policies using economic models. There will be an emphasis on energy and environmental policies encouraging the use of renewable energy sources, such as biofuels, solar, wind and hydro power and contributing to clean energy production and climate change mitigation.

FINANCIAL AID & SCHOLARSHIPS

Study Abroad Competitive Scholarship (SACS)

Students participating in these TTU programs are eligible to apply for the Study Abroad Competitive Scholarship. Awards generally range from \$250 - \$750 for the summer.

Applications for the summer will be available online at www.studyabroad.ttu.edu on **October 2**. Applications will be accepted until **February 1, 2024**

Financial Aid

Students eligible for Financial Aid at TTU can use that aid to study abroad. The Study Abroad office will provide the Financial Aid office with a budget for your program.

Students should contact:

Nikki Nordell, nikki.nordell@ttu.edu in Financial Aid directly for help with specific Financial Aid questions.
