Hypothetical Scenario:

In the future, suppose CACREP reorganized its accreditation structure so that CACREP accredited counseling programs as a whole academic unit (i.e., department), rather than its current structure of accrediting individual counseling program areas (e.g., Addiction, Career, School, etc) within an academic counseling unit.

Please rate your level of support/opposition for this hypothetical restructuring by selecting one response from the list below.

- I'M NOT SURE how I feel about the idea of CACREP accrediting counseling programs as a whole academic unit rather than individual program areas.

If you have any comments or reactions to the hypothetical scenario posed above, please share them below.

* Please provide a contact email address:

This address will be used if the CACREP office has any questions about the information provided in this survey.

REMINDER: Posting Program/Student Outcomes

The highlighted heading, "COUNSELING PROGRAM/STUDENT OUTCOMES" was listed under each individual program area on the Vital Statistics Survey. Your responses to the questions below this heading need to be made publicly available on your program's website by September 15, 2017, and a hyperlink to that webpage needs to be sent to cacrep@cacrep.org. This link will be made public on the CACREP website to meet recognition requirements set forth by the Council for Higher Education Accreditation (CHEA). The information to be posted includes the following four data points regarding each of your accredited program areas: (a) number of graduates in the past year, (b) completion rate, (c) licensure or certification examination pass rate, and (d) job placement rate of students/graduates.

If you are a new program completing the Vital Statistics Survey for the first time, you need to publicly report these data points in a program outcomes report on your program website. Once this report has been posted, you then need to send a hyperlink to the report via email to cacrep@cacrep.org.

If your program submitted a Vital Statistics Survey last year and you have previously posted program outcomes on the program website, you need to update your program outcomes report to reflect the most current data. If the hyperlink to the outcomes report changes when you update this information, you need to send a copy of the new hyperlink via email to cacrep@cacrep.org.
