NOTE: This is a professional training program which requires students to master skills as outlined in the CACREP Standards and in the Texas Administrative Code (681.83) as mandated by the Texas Behavioral Health Executive Council (BHEC) governing counseling licensure. Grading is based on performance, and according to our professional code, remediation must be implemented at the first indication of problems. Therefore, variation in grading is low, and failure rarely occurs. (09/28/2021) | Analysis of Result Data: Monitor students' acquisition of basic counseling knowledge and skills. Monitor students' dispositions (core values, attitudes, behaviors, beliefs, etc.) that are needed to become a competent and effective counselor. Encourage professional identity development. Continue to monitor course syllabi and teaching to be sure that CACREP Standards and State licensure requirements are met (ongoing requirement for improvement). |

A&E: n=312, mean score 4.40, SD 0.64 (06/01/2016)  
(06/28/2016)

**Analysis of Result Data:** EPCE 5353 and EPCE 5358 will be combined into a reorganized course that highlights professional orientation and professional identity. EPCE 5365 and EPCE 5366 were moved from Phase 2 to Phase 1 to better reflect the purpose of the courses. EPCE 5367 was replaced as End-of-Phase course for Phase 1 with EPCE 5357 Techniques of Counseling I, which represents the overall results of the Phase 1 courses. (06/28/2016)

**Assessment Cycle:** Action Complete (Prior to 2015-2016)  
**Result Type:** Criterion Met  
**Results of A&E and End of Phase Assessments**

Means were acquired from scores of individual students enrolled in the P1 courses over the past three semesters with the following results:

- EPCE 5353 – 3.62  
- EPCE 5355 – 3.83  
- EPCE 5364 – 4.39  
- EPCE 5370 – 3.55  
- EPCE 5371 – 3.82  
- EPCE 5372 – 3.92  
- EPCE 5376 – 0  
- EPCE 5377 – 0  
(5376 and 5377 were not taught during this time period.)

End-of-Phase  
EPCE 5376 – 4.58

The overall mean for the P1 courses was 3.96. (06/06/2015)

**Analysis of Result Data:** Student Action for Improvement  
A remediation plan is developed for students who do not achieve mastery of the objectives. The plan is individualized and may include one or a combination of the following:

- Repeat the course(s)  
- Repeat specific components of the course(s)  
- Enroll in an equivalent course  
- Meet with the faculty member and successfully complete additional assignments  
- Meet with all EPCE faculty to discuss the content of a remediation plan

**Program Action for Improvement**
### Course Level Assessment

- **Course Level Assessment** - The End-of-Phase course for P1 (EPCE 5357, Techniques of Counseling I) is assessed by the Counseling Techniques Evaluation (link) (Active)

- **Criterion**: A score of 3 or higher on the end of phase rubric

- **Related Documents**:

- The data indicated more information/course content is needed in such areas as crisis counseling, techniques, and grief/loss.
- Added an additional course "Dysfunctional Behavior for Children" to our degree plan.
- Identified problematic issues that were evident in student professionalism, such as students’ use of technology in the classroom and students not presenting themselves in a professional manner. (06/06/2015)

### Analysis of Result Data

**Analysis of Result Data:**  
Monitor students' acquisition of basic counseling knowledge and skills. Monitor students' dispositions (core values, attitudes, behaviors, beliefs, etc.) that are needed to become a competent and effective counselor. Encourage professional identity development. Continue to monitor course syllabi and teaching to be sure that CACREP Standards and State licensure requirements are met (ongoing requirement for improvement). (09/28/2021)
