Assistant Professor of Counselor Education and Supervision

The Department of Educational Psychology & Leadership at Texas Tech University (TTU) in Lubbock, Texas invites applications for a Tenure-Track Assistant Professor in Counselor Education & Supervision.

The College of Education at Texas Tech University is recognized as an emerging national leader in high-quality and innovative educator preparation. We are growing rapidly as we recruit gifted and entrepreneurial faculty that are committed to results-based education enacted in multiple ways with the schools, agencies and communities that we serve across Texas and the nation. The work of the College is deeply rooted in authentic partnerships that provide guidance in producing the measurably best educators and providing services that add significant value to those we serve.

Minimum Qualifications:

- A doctoral degree from a CACREP accredited Counselor Education program
- Evidence of a successful record of recent research publication and presentations.
- Experience in qualitative and quantitative methods of research, with evidence of recent research experience using these methods.
- Applicant must have a strong professional counseling identity
  o evidenced by membership in the American Counseling Association and membership in at least two of its divisions and/or state branches.
- Evidence of potential for supporting scholarly activity among counseling students.
- Experience working with diverse populations in a counseling setting.
- Extensive knowledge of CACREP standards and the counseling profession.

Preferred Qualifications - Preference will be given to those candidates who demonstrate:

- Recent experience supervising practicum and internship students in clinical mental health and school settings.
- Evidence of excellence in teaching, as evaluated by full-time Counselor Education faculty holding the rank of Associate Professor or Professor, department chair, and/or dean.
- Demonstrate proficiency in technology and the ability to deliver on-line teaching and supervision.
- Experience with parents and children in the school setting.
- Teaching and/or experience with the following: research methods, counseling assessment, and psychopharmacology.
- Licensures that will increase the visibility and diversity of our counseling program.
Responsibilities/Expectations include:

- Teaching two courses per semester at the Master's and PhD levels in traditional and non-traditional formats;
- Advising students;
- Serving on and chairing doctoral dissertation committees;
- Continuing an existing active research, publication, and presentation agenda;
- Serving on department, college, university, and community based committees/boards;
- Pursuing and securing external funding;
- Assuming other teaching, supervision, and professional responsibilities as required/assigned.
- All applicants should have licensure or license eligibility to be a Licensed Professional Counselor and/or school counselor in the State of Texas.

Texas Tech University is an Affirmative Action/Equal Opportunity Employer. We strongly encourage applications from women, minorities, persons with disabilities, veterans, and we consider the needs of dual-career couples. As an Affirmative Action/Equal Opportunity Employer, Texas Tech University is dedicated to the goal of building a culturally diverse faculty committed to teaching and working in a multicultural environment.

APPLICATION: Review of completed applications begins immediately and will continue until the position is filled. Please submit application materials on-line on the TTU Personnel Employment website: [http://www.texastech.edu/careers/](http://www.texastech.edu/careers/). Requisition # 5206BR. Please attach to your application: (1) a letter of interest outlining required and preferred qualifications and (2) a vita that is attuned to the required and preferred qualifications and includes three names of references with needed contact information. For additional information, please contact both Dr. Bret Hendricks bret.hendricks@ttu.edu 806-834-1744 and Dr. Charles Crews Charles.crews@ttu.edu 806-834-4149, Co-Chairs.

Professional References:
References will be contacted once the applicant has given consent to contact them. References should be able to address the candidates' teaching, research, service, collegiality, and ethics, as well as address the candidates' professional work behavior and the candidates' ability to engage students in the classroom, counsel clients, or conduct meaningful research.

Texas Tech University is a public research university and the flagship of the Texas Tech University system. With over 35,000 students, the university offers more than 150 courses of study through its 13 colleges. The Carnegie Foundation lists Texas Tech as a “high research activity” university. The Texas Tech Counselor Education is CACREP accredited for Master’s degrees in Clinical Mental Health and School Counseling, and a PhD Program in Counselor Education – CACREP accredited through 2023.
