

BUILDING A TRANSFER-EFFICIENT CULTURE

Transfer Advising Guides

- A collective Guided Pathways model with an integrated institution wide approach
- Helps students:
 - clarify their career and degree goals, while choosing a pathway that will achieve their goals
 - stay on the pathway to completion
 - master knowledge and skills that will enable them to advance in the labor market and successfully pursue lifelong education and careers

BUILDING A TRANSFER-EFFICIENT CULTURE

- **Transfer Advising Guides**
- **Reverse Mapping** - University degree requirements cross-walked with courses available at the college
- **Intent:**
 - Courses count towards a degree
 - Maximize courses (core & requirements)
 - Maximize courses taken at the College for degree completion
- Recognizing the differences between Community College and Universities

6 INSTITUTES. ENDLESS POSSIBILITIES.
