

FBC Foundation for Blind Children

WE ARE HIRING:

Teachers of Students with Vision Impairments (TVI) and Orientation & Mobility Specialists (O&M)

Make a Difference. Build a Career. Change Lives.

The Foundation for Blind Children (FBC) serves over 2,000 Arizonans with vision loss, from Early Intervention to Senior programs. Beyond education, we host family events and weekend recreation, and our Instructional Resource Center provides braille, large print, and electronic materials nationwide. Join FBC to grow professionally while making a meaningful impact in the lives of children and adults with vision loss.
