

Site Coordinator Models

WEST TEXAS
**RURAL EDUCATION
PARTNERSHIP**

Site Coordinators serve as instructional coaches for teacher candidates.

Instruct, coach, and evaluate candidate progress toward instructional competency.

Serve as a liaison among school districts, mentor teachers, candidates, and the preparation program.

Teach and support candidates and mentor teachers.

Types of Site Coordinators

Educator Preparation Program (EPP) - TTU faculty based at a TTU campus or regional site (Lubbock, Hill Country, Waco). May work with districts near the campus.

District Based - Employed by the school district. Supervise 1-3 candidates per year. TTU trains and supports these site coordinators. Initial training costs \$6,000 per district. Held from May to June, prior to initial year.

EPP

Employed by TTU

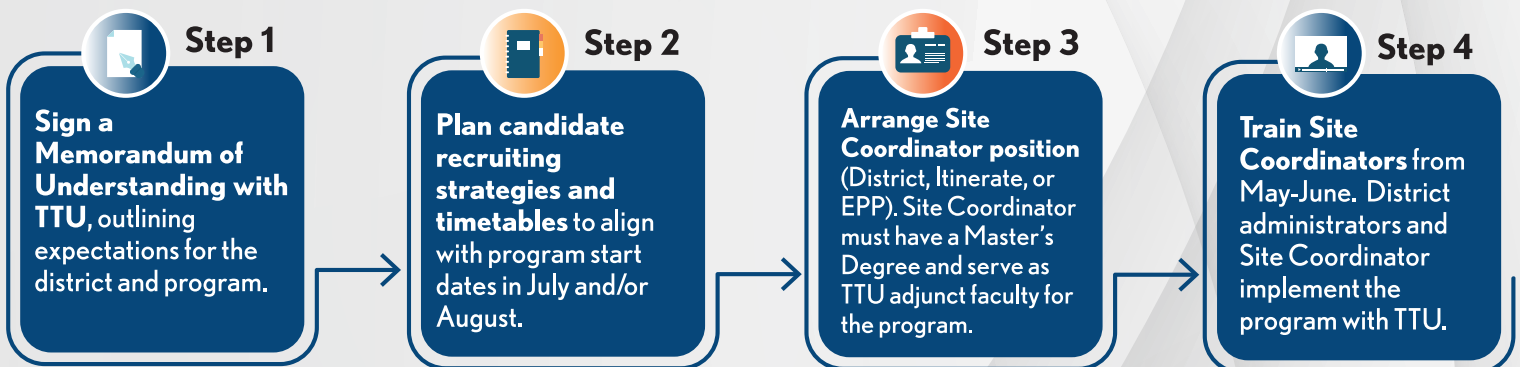

Itinerate

Serves various districts

Itinerate - Serves up to three districts. Is employed by one district, but is able to commute to 2 neighboring districts. Training costs also apply.

How Can A District Partner With Texas Tech?
