TEXAS TECH UNIVERSITY
Senate Resolution 54.80

(Stating the sentiments of the Student Senate expressing thanks to the Division of Laboratory Safety for recognizing the need to include graduate students in leading a culture of safety in laboratory and student environments)

WHEREAS, Texas Tech has thousands of graduate students working in laboratory and studio environments and

WHEREAS, the Department of Environmental Health and Safety has undertaken many procedural and administrative changes to improve safety in these work environments, and

WHEREAS, the Division of Laboratory Safety is creating an organization of graduate students and EHS personnel to foster transparency in the management of chemical, biological and physical hazards that may be present in research laboratories, studios and educational activities,

THEREFORE BE IT RESOLVED, that the Student Senate of Texas Tech University commend the Rebecca Maloney and Heather Coats for the formation of the Graduate Laboratory and Art Studio Safety Ambassadors to address the need for including graduate students improving safety and communication in their work environments.

BE IT FURTHER RESOLVED, that this resolution be spread upon the Journal and that copies be sent to Ms. Rebecca Maloney, Senior Safety Officer, Department of Environmental Health and Safety; Ms. Heather Coats, Senior Lab Safety Specialist, Department of Environmental Health and Safety; Mr. Jared Martin, Laboratory Safety Manager, Department of Environmental Health and Safety; Mr. Micheal Gunn, Director of Student Government Operations at Texas Tech University; McKenzi Morris, Editor of The Daily Toreador and the students of Texas Tech University.
