Texas Tech University And Galveston College Student Access and Success Articulation Agreement

Parties

This Articulation Agreement (“Agreement”) is between Texas Tech University (“TTU”) and Galveston College (“GC”) (together “institutions”) and outlines their commitment to the *Student Access & Success* program (“Program”). GC considered as a whole and this Agreement extends to all campuses within the GC system or district. TTU and GC enter into this Agreement in the spirit of cooperation and mutually recognize each other as quality institutions of higher learning.

Background

TTU created the Program to support State of Texas’ and Texas Higher Education Coordinating Board’s *60x30TX* Strategic Plan Initiative promoting access, affordability, quality, success, and cost efficiency in the Texas’ institutions of higher education. The mission of the Program is to support a more globally competent workforce by increasing the number of individuals seeking to further their education. The goal of the Program is to increase access to and the number of transfer pathways from which prospective students may choose to pursue a baccalaureate degree while seeking to reduce overall costs of education.

GC opened its doors in September 1967 as a comprehensive community college located on Galveston Island, just 50 miles south of Houston, Texas. GC is committed to teaching and learning by creating accessible learning opportunities to fulfill individual and community needs. GC provides the citizens of Galveston Island and surrounding region with academic, workforce development, continuing education, and community service programs. One of GC goals is to provide freshman and sophomore level courses that give students the opportunity to complete the first two years of their bachelor’s degree prior to successfully transferring to a university.

Purpose

The purpose of this Agreement is to foster engagement of pre-transfer students in communications with TTU and provide them a transfer pathway from GC to TTU for completion of a baccalaureate degree. The institutions are dedicated to providing greater educational opportunities and services for students transferring between the two institutions, including a commitment to:

- Increase awareness of educational and student support opportunities available.
- Encourage currently enrolled transfer students to complete their associate's degree.
- Provide pre-TTU academic advising to increase degree applicability of transfer credits.

The Agreement provides a structure through which transfer articulation on all levels can be supported by the institutions.
