

Download a Portfolio

1. On the **My Portfolios** page, click the **More** link for the portfolio you want to download, then click **Download**.

2. In the **Download** pop-up window, click the **Download** icon or click the **Click to download your Portfolio** link. The portfolio downloads as a zip file on your computer.

3. Extract all the files from the zip file to your computer or storage device, then click the **index.html** file to launch the portfolio.
