Texas Tech University And Frank Phillips College Student Access and Success Memorandum of Understanding

Parties

This Memorandum of Understanding (the “Agreement”) is between Texas Tech University (“TTU”) and Frank Phillips College (“FPC”) (individually “Institution” or collectively “Institutions”) and outlines their commitment to the *Student Access & Success* program (“Program”). FPC is considered as a whole and, unless expressly specified otherwise in this Agreement, this Agreement extends to all campuses within the FPC system or district. TTU and FPC enter into this Agreement in the spirit of cooperation and mutually recognize each other as quality Institutions of higher learning.

Background

TTU created the Program to support State of Texas’ and Texas Higher Education Coordinating Board’s *Building a Talent Strong Texas* initiative promoting access, affordability, quality, success, and cost efficiency in Texas’ institutions of higher education. The mission of the Program is to support a more globally competent workforce by increasing attainment of postsecondary credentials of value. The goal of the Program is to increase access to and the number of transfer pathways from which prospective students may choose to pursue a baccalaureate degree while seeking to reduce overall costs of education.

Frank Phillips College is the northern-most community college in Texas. The main campus is in Borger with extension campuses in Dalhart and Perryton. Founded in 1948, the college has provided educational opportunities to the top ten counties in the Texas panhandle, in which all communities are small and rural. Students may earn certificates and Associate of Applied Science degrees in workforce programs as well as Associate of Arts, Science, and Applied Teaching degrees for academic transfer to a university. FPC has a substantial dual-credit program with over 60 percent of the total population consisting of high-school students. Additionally, FPC is a Hispanic-Serving Institution (HSI). The college has a strong partnership with Texas Tech University, which is one of the top two choices for transfer students.

Purpose

The purpose of this Agreement is to foster engagement of pre-transfer students in communications with TTU and provide them a transfer pathway from FPC to TTU for completion of a baccalaureate degree. The Institutions are dedicated to providing greater educational opportunities and services for students transferring between the two Institutions, including a commitment to:

- Increase awareness of educational and student support opportunities available;
- Encourage currently enrolled transfer students to complete their associate's degree;
- Provide pre-TTU academic advising to increase degree applicability of transfer credits; and
- Provide a more seamless transfer experience to TTU.

The Agreement provides a structure through which transfer articulation on all levels can be supported by the Institutions.
