

Texas Tech University And Central Texas College Student Access and Success Memorandum of Understanding

Parties

This Memorandum of Understanding (the “Agreement”) is between Texas Tech University (“TTU”) and Central Texas College (“CTC”) (individually “Institution” or collectively “Institutions”) and outlines their commitment to the *Student Access & Success* program (“Program”). CTC is considered as a whole and, unless expressly specified otherwise in this Agreement, this Agreement extends to all campuses within the CTC system or district. TTU and CTC enter into this Agreement in the spirit of cooperation and mutually recognize each other as quality Institutions of higher learning.

Background

TTU created the Program to support State of Texas’ and Texas Higher Education Coordinating Board’s *Building a Talent Strong Texas* initiative promoting access, affordability, quality, success, and cost efficiency in Texas’ institutions of higher education. The mission of the Program is to support a more globally competent workforce by increasing attainment of postsecondary credentials of value. The goal of the Program is to increase access to and the number of transfer pathways from which prospective students may choose to pursue a baccalaureate degree while seeking to reduce overall costs of education.

More than fifty years ago, Central Texas College (CTC) was created to serve all or parts of a twelve-county service area in Central Texas, the greater Killeen area and Fort Cavazos. In addition to providing education to students in our local community, we are proud to serve military personnel not only in Texas, but also throughout the United States and worldwide on military installations. CTC’s accessible education supports student success and employability and also fulfills the needs of our global community through engaging and innovated education. CTC is committed to providing greater educational opportunities and services for students transferring between institutions and supports the concept of a seamless transfer, embracing the principle that transfer students should not be required to repeat competencies already achieved. CTC offers Associate of Arts and Associate of Science Degrees that maximize the transfer of credit to bachelor’s degree-granting institutions; Associate of Applied Science Degrees and

Certificate programs that prepare students for employment; and Continuing Education programs that provide personal and professional development.

Purpose

The purpose of this Agreement is to foster engagement of pre-transfer students in communications with TTU and provide them a transfer pathway from CTC to TTU for completion of a baccalaureate degree. The Institutions are dedicated to providing greater educational opportunities and services for students transferring between the two Institutions, including a commitment to:

- Increase awareness of educational and student support opportunities available;
- Encourage currently enrolled transfer students to complete their associate's degree;
- Provide pre-TTU academic advising to increase degree applicability of transfer credits; and
- Provide a more seamless transfer experience to TTU.

The Agreement provides a structure through which transfer articulation on all levels can be supported by the Institutions.

Responsibilities

1) TTU's Responsibilities:

- a) Encourage Completion of Degree. TTU will encourage CTC transfer students to complete the appropriate Associate degree either before matriculation to TTU or by reverse transfer of course credit following admission to and enrollment at TTU.

 - i) **Crosswalks**. Students transferring to TTU are eligible to receive degree credit for courses listed in Transfer Crosswalks to be created and provided to CTC by TTU. An example has been attached to this Agreement as Attachment A for reference.
 - ii) **Location**. TTU will honor transferable courses taken at any CTC location and by any delivery method.

- iii) ***Standards***. TTU will enforce the same standards and criteria for admission to TTU for all students who desire to transfer to TTU and to the intended degree and sequence as designated in the TTU catalog.
- c) ***Advising Services***. TTU will provide academic advising services to pre-transfer students through Undergraduate Admissions Transfer Advising.
- d) ***International Students***. TTU will coordinate with Undergraduate Admissions to promote a smooth transition for CTC's international transfer students.
- e) ***Financial Aid***. TTU will provide transfer students with information regarding the availability of transfer scholarships for eligible students as well as any other financial aid opportunities at TTU.
- f) ***Reverse Transfer***. TTU will utilize the developed reverse transfer credit process that includes the methodology to notify students after they have completed at least 15 hours at the CTC. This is subject to the process set forth in Section 3(d) of this Agreement.
