Texas Tech University Uniform Graduation Requirements

1. **Foreign Language Requirement**
   Students graduating from Texas Tech University should be able to express, negotiate, and interpret meaning in a second language.
   Any entering student who has not completed two years of a single foreign language in high school must complete at least two semesters (or its equivalent) of a single foreign language at the first-year college level **or** at least one semester of a foreign language at a 2000 level or higher as a graduation requirement. This requirement may also be satisfied by transferring in the equivalent courses from another college or university. Individual Texas Tech University colleges may have additional foreign language proficiency requirements. Additional requirements may be necessary for select majors.

2. **Science Laboratory Requirement**
   Students graduating from Texas Tech University are required to complete two semester credit hours of science laboratory courses. Normally this will be done by taking two 4-credit science courses or combinations of lecture and lab.

3. **Communication Literacy Requirement**
   Students will complete the required communication literacy requirement.

4. **Core Curriculum Requirement**
   Students will complete the required core curriculum.

5. **Multicultural Requirement**
   In addition to the State of Texas core curriculum, every student must include at least one 3-hour multicultural course or its equivalent that focuses explicitly on the distinctive subcultures of the United States or on the culture of another society.

Maximum number of transferrable semester credits hours from a two-year institution applicable to a baccalaureate degree at the university is 80.

College of Architecture Admissions Requirements:

Students who are transferring to the College of Architecture - El Paso from another institution must submit two applications: one to the College of Architecture in El Paso, and one to the main Texas Tech University system here: https://www.depts.ttu.edu/admissions/apply/
The College of Architecture El Paso application requires the following items to be sent by **November 30th** to Architecture.elpaso@ttu.edu:

<u>Application Supplements</u>

1. Application Supplement. (fillable pdf form found on TTU College of Architecture – El Paso Program's website).
2. One-page Statement of Intent indicating why you chose Architecture as a profession and what unique and diverse perspectives you will bring to the College of Architecture.
3. Unofficial Transcripts. (in addition to Official Transcripts sent to TTU).

4. Digital portfolio of 15 to 25 pages, PDF format. The portfolio should include a collection of design work demonstrating the architectural abilities of the applicant. It should communicate the level, integrity, and breadth of your aptitude for the study of architecture. The review committee is interested in evaluating architectural design work. The portfolio should include work produced as a student and may also include a selection of supporting self-directed or outside work (two pages maximum). It should be composed in landscape orientation and demonstrate the applicant's abilities in the following areas:

- Design explored in two and three dimensions and supported through drawings and models.
- Appropriate use of media and the mastery of craft in constructing drawings and models.
- Understanding of plan, section, and three-dimensional drawing to describe architectural space.
- Freehand drawing: use of line, line weight, accurate observation.
- Studio course work that additionally demonstrates aptitude in construction, design, analysis and programming through graphics and models.

Program Guidelines

1. It is highly recommended that all additional core courses be completed prior to last semester at TTU.
2. It is strongly encouraged that final EPCC transcripts be submitted to TTU before the start of the final semester at TTU to avoid potential graduation delays.
