

Texas Tech University And Lone Star College Student Access and Success Articulation Agreement

Parties

This Articulation Agreement (“Agreement”) is between Texas Tech University (“TTU”) and Lone Star College (“LSC” or “Partner Institution”) (together “institutions”) and outlines their commitment to the *Student Access & Success* program (“Program”). TTU and LSC enter into this Agreement in the spirit of cooperation and mutually recognize each other as quality institutions of higher learning.

Background

TTU created the Program to support State of Texas’ and Texas Higher Education Coordinating Board’s *60x30TX* Strategic Plan Initiative promoting access, affordability, quality, success, and cost efficiency in the Texas’ institutions of higher education. The mission of the Program is to support a more globally competent workforce by increasing the number of individuals seeking to further their education. The goal of the Program is to increase access to and the number of transfer pathways from which prospective students may choose to pursue a baccalaureate degree while seeking to reduce overall costs of education.

Purpose
