Texas Tech University And Midland College Student Access and Success Articulation Agreement

Parties

This Articulation Agreement (“Agreement”) is between Texas Tech University (“TTU”) and Midland College (“MC”) (individually “Institution” and together “Institutions”) and outlines their commitment to the *Student Access & Success* program (“Program”). MC considered as a whole and this Agreement extends to all campuses within the MC system or district. TTU and MC enter into this Agreement in the spirit of cooperation and mutually recognize each other as quality institutions of higher learning.

Background

TTU created the Program to support State of Texas’ and Texas Higher Education Coordinating Board’s *60x30TX* Strategic Plan Initiative promoting access, affordability, quality, success, and cost efficiency in the Texas’ institutions of higher education. The mission of the Program is to support a more globally competent workforce by increasing the number of individuals seeking to further their education. The goal of the Program is to increase access to and the number of transfer pathways from which prospective students may choose to pursue a baccalaureate degree while seeking to reduce overall costs of education.

MC focuses on providing higher education, community services, and cultural enrichment to the Midland community. MC offers a rich and exciting range of opportunities and services, as well as a quality educational experience that is both affordable and comfortable. Courses in the college’s academic programs transfer easily to four-year universities, and MC’s career and technical programs provide the skills necessary to enjoy a successful career. The excellent faculty and small student to teacher ratio of 17:1 ensures individualized attention in an environment that fosters student success.

Purpose

The purpose of this Agreement is to foster engagement of pre-transfer students in communications with TTU and provide them a transfer pathway from MC to TTU for completion of a baccalaureate degree. The Institutions are dedicated to providing greater educational opportunities and services for students transferring between the two Institutions, including a commitment to:

- Increase awareness of educational and student support opportunities available.

- Encourage currently enrolled transfer students to complete their associate's degree.
- Provide pre-TTU academic advising to increase degree applicability of transfer credits.
