# Texas Tech University And Odessa College Student Access and Success Articulation Agreement

---

## Parties

This Articulation Agreement (“Agreement”) is between Texas Tech University (“TTU”) and Odessa College (“OC”) (individually “Institution” or collectively “Institutions”) and outlines their commitment to the *Student Access & Success* program (“Program”). OC considered as a whole and this Agreement extends to all campuses within the OC system or district. TTU and OC enter into this Agreement in the spirit of cooperation and mutually recognize each other as quality Institutions of higher learning.

## Background

TTU created the Program to support State of Texas’ and Texas Higher Education Coordinating Board’s *60x30TX* Strategic Plan Initiative promoting access, affordability, quality, success, and cost efficiency in Texas’ institutions of higher education. The mission of the Program is to support a more globally competent workforce by increasing the number of individuals seeking to further their education. The goal of the Program is to increase access to and the number of transfer pathways from which prospective students may choose to pursue a baccalaureate degree while seeking to reduce overall costs of education.

OC has been an integral part of educating West Texans since 1946. The college has grown tremendously, both in students and in the courses available. Currently OC offers more than 120 Associate and Certificate Degree programs in the Arts & Sciences, as well as Career and Technical. The mission of Odessa College is to lead the way in preparing its students and community for the future. The College District offers exemplary courses, programs, and services to assist students in achieving their educational goals and becoming lifelong learners, community builders, and global citizens. Odessa College shall empower its employees to model excellence in their service to students, colleagues, and the community.

The Aspen Institute's Community College Excellence Program, the nation's signature recognition of high achievement and performance among America's community colleges, awarded Odessa College its Aspen Prize Rising Star Award in 2017 and 2019, ranking Odessa College among the top five in the nation for improving and advancing student achievement out of 1100 eligible institutions.
