Second Undergraduate Degree Certification Form

Student Name: _____ TTU R#: _____

DEADLINE for Completed Form will be prior to the end of the term.

Students returning for a Second Degree must submit this completed document before financial aid can be processed.

Students returning for second degree: If a student with a baccalaureate degree enrolls in another baccalaureate program, his/her loan limits would be based on the amount of work that the school counts towards satisfying the requirements of the new program. For instance, if your college decides to accept 30 hours of a student's work in his/her previous baccalaureate program towards the requirements for a BS in Chemistry at your school, then the student would be eligible for second-year undergraduate loan limits.
