This Satisfactory Academic Progress Policy and Procedure was reviewed for 2020-21 and 2021-22. The effective date, November 2, 2020, supersedes all other Texas Tech University Office of Student Financial Aid & Scholarships Satisfactory Academic Progress Policies and Procedures published on the web and/or in prior catalogs.

**PURPOSE**

- Texas Tech University is required by U.S. Department of Education to apply reasonable standards for measuring whether a student is making progress toward a degree as a standard for participating in any federal student aid program.

- The State of Texas also requires that students meet Satisfactory Academic Progress (SAP) in order to receive any state-funded student assistance.

- *Consistent application of standards is provided to all students within all categories of the student population.*

**POLICY**

- Satisfactory Academic Progress (SAP) is administered on all students.
  - For students without a SAP history, the student’s total history is analyzed. Federal and State requirements are met and apply to Texas Tech University’s institutional financial aid eligibility by measuring SAP (after the spring semester of every year) against qualitative and quantitative standards whether or not financial aid was applied for or received during any academic period in which the student was previously enrolled. Both standards, qualitative and quantitative, must be met for a student to be eligible for Title IV aid. The academic year includes the fall, spring, and summer semesters.
  - This policy will be reviewed during the fall semester of every year.
  - The maximum number of appeals a student may submit is three.

Note that the Office of Student Financial Aid and Scholarships SAP policy differs from Texas Tech University’s Academic Status Policy for undergraduates, graduates, and law school students. The Office of Student Financial Aid and Scholarships SAP policy reviews both pace and maximum time frame, in addition to GPA, and all attempted credit hours are included in reviewing student eligibility. These two policies also have separate appeal procedures.

- [Undergraduate Academic Status Policy](#)
- [Graduate Academic Status Policy](#)
- [Law School Academic Status Policy](#)
Satisfactory Academic Progress (SAP)

Required Minimum Cumulative Grade Point Average (GPA or Qualitative Standard)

- 2.0 for undergraduate programs, 2.0 for J.D. programs, 3.0 for graduate programs
- Financial aid GPA includes all attempted course work
- Rounding is not used when calculating GPA.

Completion Percentage (Pace or Quantitative Standard)
(Note that both pace and maximum time frame are measured in credit hours only, regardless of full time or part time attendance.)

- CR (research/thesis/dissertation hours) will be added to passed grades for pace and time frame calculation.

- Maximum Time Frame
  - Undergraduate students - attempted credit hours may not exceed 150% of the educational program.
  - Graduate students - attempted credit hours may not exceed 150% of the educational program.
  - J.D. students – attempted credit hours may not exceed 150% of the educational program.

- Pace
  - At least 67% of all credit hours attempted must have successfully passing grades (all students must complete coursework with successfully passing grades by the end of each period of enrollment or put both current and future financial aid eligibility at risk). Successfully passing grades are D- and higher; all others (F, DG, DW, DX, I, NC, NP, PR, W, WF, X and repeated coursework – see below) count as unsuccessful credit hours attempted.
  - Pace is calculated by dividing all passed hours (including repeat and transfer) by all attempted hours (including repeat and transfer). Rounding is not used when calculating pace rate.
  - Note for pace calculation: Pace is calculated as (passed hours)/(attempted hours). This is slightly different than how the academic side treats this as a course can count as attempted but not earned, or other combinations.
Elements Affecting GPA and Pace

- **Change of Major**
  Change of major can result in a possible overage of attempted credit hours which would impact the maximum time frame component.

- **Conflicting Information**
  All conflicting information is reviewed for SAP monitoring. For example, late posted grades or grade changes will not automatically change a student’s current status. Students may request that their SAP status be recalculated after confirming with the Registrar that the grade change has been posted to the academic record. A student may have to re-pay unearned financial aid.

- **Consortium**
  For consortium agreements, students will be reviewed and SAP calculated at the next normally scheduled SAP review.

- **Course Repetition**
  Students are allowed to repeat a course and have it count toward enrollment for financial aid eligibility only once. However, all attempts will count toward a student’s pace, GPA and maximum time frame. A passing grade will be treated as such. A student who scores a C, but retakes it to get an A, both count as passing.

- **Dual Degree**
  Students pursuing a double major or dual degree should keep in mind that once a student has completed the requirements for one major or degree, financial aid eligibility is limited. SAP is calculated based on current class/level as assigned by the Office of the Registrar. For SAP purposes, both Programs will require Academic Unit documentation.

- **Incompletes**
  At the time of evaluation, Incompletes (grade of “I”) do not affect a student’s cumulative GPA for SAP but count as credit hours attempted toward both pace and maximum time frame. Students with grades of Incomplete which become new letter grades prior to or during a subsequent period of enrollment and that may affect financial aid eligibility for that period of enrollment are encouraged to contact finaid.sap@ttu.edu for further evaluation.

- **Pass/Fail Courses**
  For pass/fail courses which count towards graduation requirements, a “pass” does not count in the GPA but does count towards attempted hours and impacts progression. A grade of “fail” impacts both the GPA and progression.
SATISFACTORY ACADEMIC PROGRESS (SAP)

- **Readmit Students**
  Students who have not had SAP calculated prior to readmission will receive a T1Pend code and SAP calculated after the term of readmission. SAP codes are valid for students who have a prior SAP calculation prior to readmission.

- **Remedial Courses**
  Remedial coursework will be counted in determining financial aid eligibility, enrollment status, and satisfactory academic progress. These courses will initially be included in maximum timeframe calculations. Exclusions may be considered in some cases. Remedial courses do not count towards the total number of credits needed for graduation. Students will be limited to no more than thirty (30) remedial credits for financial aid eligibility.

- **Students Who Receive All Failing Grades (Unofficial Withdrawals)**
  If a student receives all failing grades (a combination of 'F', 'DF', 'X', 'W', 'DG', 'DW', 'DX', 'NC', 'NP', 'WF', 'AP', 'ACT', 'CLP', 'DE', 'FLP', 'IB', 'SAT'), attendance in all classes will be reviewed. If attendance cannot be confirmed via official TTU Registrar records, Student Financial Aid personnel will apply the federally mandated calculation for the return of federal financial aid funds. Unearned federal financial aid (Title IV) will be returned to the programs from which the money was paid the student (or parent) and it is possible repayment could be owed to the university.

- **Transfer Credits**
  Transfer credits, including dual credit attempted at either Texas Tech or another institution will count toward a student’s cumulative GPA, pace and maximum timeframe for SAP. These credit hours will be calculated in the term the Registrar’s office has entered them. Students receive a pending SAP code for the initial term of enrollment to allow for calculation of transfer credits received.

- **Withdrawals, Dropped Courses, or Backdated Withdrawals**
  Withdrawals or dropped courses do not affect a student’s cumulative GPA for SAP, but count as credit hours attempted, but not passed, toward both pace and maximum time frame. Classes dropped prior to the 12th class day (first census) do not count as attempted hours.

- **Waivers and Exemptions**
  Legislative requirements state a student receiving certain waivers/exemptions must meet the GPA requirement portion of this SAP policy. Student may or may not have a FAFSA on file. Student Business Services identifies all students with qualifying waivers and exemptions to be included in the SAP analysis.
Satisfactory Academic Progress (SAP)

- **Fresh Start/Academic Amnesty**
  For students who have been granted academic amnesty under the state legislative “Academic Fresh Start” program, all attempted coursework, even those granted amnesty, will still be included in the SAP calculation, per federal Department of Education guidelines.

  Financial aid is not provided for a term in which a SAP appeal was not processed and approved; after that term has ended.

**Evaluation**

All students enrolled at Texas Tech University are evaluated for SAP annually (end of the spring semester), after the Registrar’s office has released official grades. Students can find their SAP status within the Financial Aid menu on Raiderlink.

For the annual evaluation, a student loses federal and state eligibility immediately if SAP is not met. If the student’s appeal is successful, the student is placed on SAP Contract and federal and state funds are disbursed for the next payment period only. The student must meet SAP at the end of the payment period or comply with requirements of academic plan designed to ensure student will make SAP by a specified point in time.

**Status Definitions**

- **Eligible** – Student is eligible for financial aid. This category may include students with no SAP issue at all, students who have appealed successfully and have successfully completed their SAP Contract period of enrollment, students who have successfully completed their SAP Contract period of enrollment and are following their Academic Plan, and students who have met SAP after being ineligible previously.

- **Suspended** - Failure to make SAP; however, student is eligible to appeal. If the appeal is approved, the student can continue financial aid eligibility for another period of enrollment under a SAP Contract status. Students may also choose not to appeal and attempt to regain financial aid eligibility by meeting SAP while paying out of pocket (without any financial aid). Students on suspension may not receive financial aid unless appeal is approved.

- **SAP Contract** - Failure to make SAP, but appeal is approved and student is financial aid eligible for one more period of enrollment, or possibly more if following required Academic Plan (which may include documentation requirements not directly related to academic performance). SAP Contract follows a successful appeal.

- **Ineligible** - Failure to meet SAP and/or failure to follow required Academic Plan/SAP Contract. A student is not eligible for financial aid until the SAP Appeal is approved.
**Appeal Procedure**

- All students who have their financial aid eligibility suspended may appeal to the Office of Student Financial Aid and Scholarships by completing a [Satisfactory Academic Progress Appeal Request Form](#) and submitting to the Student Financial Center, 301 West Hall, emailing to finaid.sap@ttu.edu from their assigned TTU.edu email account or faxing to 806-742-0880 to receive financial aid in a subsequent period of enrollment. You may visit a Financial Aid Advisor during our walk-in business hours at the Student Financial Center, 301 West Hall (8:00 a.m. – 5:00 p.m., Monday – Friday).
  - The Safeguards Rule of the Gramm-Leach-Bliley Act (GLBA) requires institutions to protect student information. Emails received from a non-TTU account are required to be encrypted. Emails received from non-encrypted senders, will be returned and not be processed.
- The appeal must be submitted by the 12th class day of the current term.
  - For student receiving military benefits, exemptions, or waivers (Hazelwood, GI Bill, etc.), appeals will continue to be accepted past the published deadline for the purpose of receiving applicable military benefits, exemptions, and waivers only. The student will not be eligible for federal, state, or institutional financial aid eligibility if appeal is submitted after the deadline. These students must submit the appeal and have completed necessary exemption/waiver applications by the last class day of the term as set by the Military & Veterans Programs and Student Business Services departments.
- GPA, pace, and maximum time frame are all appealable.
- If a student appeals on the basis of one circumstance and wants to appeal again based on the same circumstance, updated documentation must be provided about what has changed to permit the student to make SAP at the next evaluation. Reviewed on a case by case basis.
  - Student printed name, R number, daytime contact information, and signature.
  - The Appeal form also serves as the contract.
  - The student is responsible for submitting the complete SAP Appeal, not the Academic Advisor.
  - Basis on which student may [file](#) an appeal:
    - **Medical**: Illness, accident, or injury experienced by you or an immediate family member. (Documentation required: proof of office visit, police report, hospital bill statement, etc.)
    - **Death**: Death of an immediate family member. (Documentation required: obituary, death certificate or funeral program.)
Satisfactory Academic Progress (SAP)

- **Divorce:** You or your parents. (Documentation required: divorce decree (last page only – decree legality, lawyers’ statement, etc.)
- **Military Service:** If you withdrew due to military service, provide documentation.
- **Exceeding timeframe:** If you are a second undergraduate degree student, in a dual-degree program, or have changed your major.
- **Other Circumstances:** Please clearly state your reason and provide documentation.
- **COVID-19:** Circumstances related to an outbreak of COVID-19, including, but not limited to, the illness of a student or family member, compliance with a quarantine period, or the general disruption resulting from such an outbreak.

Include information describing why SAP minimum standards have not been met and how the situation has changed so that SAP will be met at next evaluation.

Detail any mitigating circumstances, including supporting documentation from a 3rd party (e.g., police reports, hospital bill or proof of office visit, death certificate, etc.).

Demonstrate understanding why student failed to make SAP and explain what has changed that will allow the student to make SAP at the next evaluation.

Include enrollment plans for next period of enrollment (e.g., number of credit hours, change in major, any other academic-related documentation, etc.)

- **Undergraduate and graduate student appeal deadline is the 12th class day of the term** ([TTU Official Publications - Academic Calendars](https://www.ttu.edu/officialpublications/academiccalendars/))

For Law School students, deadlines will be adjusted accordingly per academic calendar and timing of SAP administration.

Appeals will be reviewed within 10 business days once our office has received a complete appeal (the student and academic portion of the appeal). The entire process may take 4-6 weeks minimum.

The Student Financial Aid SAP Coordinator will review all appeals. 3rd and higher appeals will be reviewed by committee. Committee members will be selected from internal Financial aid staff and new committee members will be selected each semester.

Consistent application of standards is provided to all students within all categories of students for purposes of appeal review and basis upon which students may file an appeal. Students are notified of their SAP appeal decision via their Texas Tech University email account. All appeal decisions are considered final. Students whose appeals are not approved may re-establish financial aid eligibility only by meeting the SAP standards. Should a student be denied and feels their circumstances merit further review, they must contact the Student Financial Aid & Scholarship Office to set up an appeal.
SATISFACTORY ACADEMIC PROGRESS (SAP)

appointment with the Student Financial Aid SAP Coordinator. A re-appeal does not guarantee SAP approval.

How a student can get reinstated should appeal be denied:

To regain financial aid eligibility, you must meet Satisfactory Academic Progress Standards as outlined in our SAP policy. Students denied for exceeding the maximum number of appeals will be evaluated at the end of each Spring. If a student believes they have regained eligibility after a Fall or Summer semester, they will need to self-identify and request to have Progress evaluated.

Academic Plans

All students who appeal successfully and are subsequently placed on SAP Contract may be subject to the implementation of an Academic Plan. In addition, students must also earn at least 2.0 GPA and 67% completion rate (3.0 GPA and 67% completion rates for graduate students) within subsequent periods of enrollment. The Academic Plans for individual students will be based on the particular situation and content of appeal on a case by case basis. Academic Plans will include an anticipated date that the student will be back to track to completion.

REPORTS ADMINISTERED

- T2Daily report, list current term of T3 students and their TAPPEL status. Reviewed daily.
- T0 Early Attendees report, identifies financial aid students who have a ROASTAT record created, allowing me to update their SAP status. Reviewed daily.
- SAP T0_ND report, identifies students who are Non-Degree student’s and have been enrolled into a degree seeking program. Reviewed daily.
- TAPPEL_No FAFSA report, identifies any student that I have updated SAP status and does not have a FAFSA or TTASFA on file, Reviewed daily.
- SBS Status report, report identifies any student with a TGPA flag and, is receiving a waiver/exemption that requires good SAP status. Report is reviewed daily.
- TAPPEL SAP report, identifies any student that I may have updated SAP status and Not TAPPEL or vice versa.
SATISFACTORY ACADEMIC PROGRESS (SAP)

**Procedure**

- SAP is run, and SAP code is applied to student account.
  - ***All law students will have a **T0** added before fall, spring and summer disbursement is ran to prevent aid from disbursing until notice is received from law school representative that grades are final.
  - **T0** - A placeholder code. The student needs to be processed to determine what the proper SAP code should be. T0 generally should be replaced fairly quickly, although it is possible for an inactive student to be given a T0 and never have it processed.
  - **T0_ND** - Non-degree, visiting students or any student class ineligible for student financial aid.
  - **T1** - Student meets all SAP rules and may receive financial aid. Checked annually.
  - **T1NEW** - Any academic history prior to this code is ignored for SAP purposes, giving student a fresh start. Usually given due to having graduated.
  - **T2** - On Contract. Student is on a term-by-term contract. Only the most recent term is checked. Failure to meet any SAP rule results in T3:Suspension. *Note: Summer is as one continuous term with part of terms.
  - **T3** - FinAid Suspension. Student has exceeded 150% of the allowed hours to obtain degree or has failed either Pace or GPA in one term. Student must file an Appeal. If the Appeal is approved, and the student has exceeded 150% of the allowed hours, they move to a T2Z, otherwise they move to T2.
  - **T1Z** – Approved for > 150% hours. 150% rule is not checked anymore.
  - **T2Z** - On Contract, approved for >150% hours. Same as T2, but does not check the 150% rule anymore. Failing to meet the Pace or GPA rules results in T3Z:Suspension.
  - **T3Z** - FinAid Suspension, approved for >150% hours. Same as T3, but does not check the 150% rule anymore. Must file an Appeal. If the Appeal is approved, they move to a T2Z.
  - **T1PEND** – Transfer and Readmits. All students with a student status equal to “T” (transfer) or “R” for readmit. This is only an internal code. No notification needs to be sent to this cohort, they will be evaluated at the end of their first term at TTU and then assigned a SAP code accordingly. Thereafter, they are evaluated at the end of each spring.
  - **TREVIEW**- Review. Student does not fit into any of the codes, or there was an error. Student needs to be manually reviewed and given a proper SAP code.
  - **TERR**- Error. An error occurred in processing. Rules need to be fixed to prevent this from happening again.
