

Visiting Scholars Program

Understanding Hayek: An Ongoing Project

Peter Boettke

University Professor of Economics and Philosophy

George Mason University

Participants examine the relevance of F.A. Hayek's insights for tackling difficult questions in the social sciences, focusing on selections from Peter Boettke's *F.A. Hayek: Economics, Political Economy and Social Philosophy* (Springer Nature Limited, 2018). A symposium published in *Cosmos+Taxis* provides additional discussion and critique of Boettke (2018).
