

**Distinguished Visiting Scholars Program
Graduate Seminar on Understanding Hayek: An Ongoing Project
Spring 2022**

**Peter Boettke, Ph.D.
University Professor of Economics and Philosophy
George Mason University**

The seminar will focus on Prof. Boettke's past and ongoing research on the relevance of F. A. Hayek's insights for tackling difficult questions in the social sciences. The seminar will feature selections from Prof. Boettke's book, *F. A. Hayek: Economics, Political Economy and Social Philosophy*. Participants will also read and discuss Prof. Boettke's working manuscript *F. A. Hayek: A Very Short Introduction*. This manuscript is intended to provide guidance to young scholars for progressive research programs in the social sciences. Through participation in the seminar, graduate fellows will have a unique opportunity to provide their input to the working manuscript.
