Queer Medievalism in the U.S. South

Queer Medievalism in the U.S. South

TISON PUGH, Pegasus Professor of English at the University of Central Florida

Sponsored by the TTU English Department, the TTU Medieval & Renaissance Studies Center, and the TTU Humanities Center

Tune in for this Lunchtime Lecture, **Wednesday September 15, at Noon** (12:00-1:00 CT) to hear Dr. Pugh talk about the tenuous connection between myth and reality in southern life and literature. The antiquated concept of medieval chivalry is often employed to suture over various fault lines of race, gender, and sexuality, yet it simultaneously exposes the queer tensions underneath many performances of white masculinity.

Tison Pugh is the author or editor of over twenty books. His recent books include *On the Queerness of Early English Drama: Sex in the Subjunctive* and *Chaucer’s Losers, Nintendo’s Children, and Other Forays in Queer Ludonarratology*, as well as the edited collection *Queering the South on Screen*.
