

# TEXAS TECH UNIVERSITY Honors College™

# Fall 2023

## COURSE OFFERINGS BOOKLET

## ADMISSION TO HONORS COURSES

Honors courses are designed for Honors College members; however, any TTU student with a GPA of 3.0 or better is eligible to enroll in an Honors section as space permits.

For more information, or to request a seat in an Honors section, please contact the Honors College:  
McClellan Hall, Room 101 | (806) 742-1828 | [honors.advising@ttu.edu](mailto:honors.advising@ttu.edu)

## GRADUATION WITH HONORS DESIGNATIONS

Students must complete 24 hours in Honors coursework to graduate from Texas Tech University with the transcript designation “with Honors from the Honors College.”

A student who wishes to graduate with the transcript designation “with Highest Honors from the Honors College” must complete an Honors thesis and 30 hours of Honors coursework. Permission from the Honors College is required before beginning the Honors thesis.

Honors students must maintain a TTU GPA of 3.5 to remain in the Honors College and graduate with either of the above Honors designations.

Students intending to graduate with either designation must file an “Intent to Graduate” form with the Honors College one year prior to the graduation date. Honors College designations are listed on the transcript and the diploma. These are in addition to other distinctions graduates may earn, such as Latin Honors (e.g., *Summa cum laude*, *Magna cum laude*, and *Cum laude*).

## HOW TO USE THIS BOOKLET

Course information, such as days and times, are subject to change.

The core curriculum information listed in this booklet reflects the university’s list of core curriculum requirements, effective fall 2014 and following.

March 2023

Honors student:

Registration for Fall 2023 courses is approaching! Along those lines, the Honors advising process will commence soon.

Please see the dates below for information relevant to your classification by hours, earned as of December 2022. We recommend that you check your “My Enrollment” tab on your Student Dashboard *now* and then *again* a few days before your registration date to:

- Ensure that your “Total Hours” under “My Academic Overview” is correct as that is how the Registrar’s Office assigns your classification.
- Check under “My Holds” for any current or future holds that could affect your registration on your assigned day.
- Verify your specific registration day/time under “My Registration Dates/Times.” Email [honors.advising@ttu.edu](mailto:honors.advising@ttu.edu) immediately if you do not have a SENIOR or HONORS Time Ticket.

Classification by completed hours	FALL 2023 registration opens

*all times Central time-zone*

All Honors students can expect to receive email correspondence containing instructions on what actions to take in preparation for advising/registration. Remember to check your Clutter or Junk folders, in case our correspondence is directed there.

#### Appointment Scheduling Information:

*Honors advising is focused on assisting with the identification of Honors course options and strategizing completion plans for your Honors requirements. Please make arrangements to **connect with your primary major advisor** to discuss your overall degree plan.*

Honors advising appointments will be conducted in-person at McClellan Hall. Not all Honors students are required to meet with an Honors advisor, but all are welcome. If you are part of an Honors population that *\*is\** required to meet with an Honors advisor, or would simply like to connect with an Honors advisor, please use our online scheduling system, [Booksy](https://booksy.com/en-us/625228_ttu-honors-college_other_37111_lubbock) ([https://booksy.com/en-us/625228\\_ttu-honors-college\\_other\\_37111\\_lubbock](https://booksy.com/en-us/625228_ttu-honors-college_other_37111_lubbock)), to self-schedule an appointment time.

- **Honors new current/transfer Honors students** (admitted to the College for Fall 2023) will be contacted and **required to schedule an advising appointment** with an advisor. An Honors advising hold will be placed until the student schedules an appointment via Booksy.
- **Honors students who are not making steady progress towards Honors course requirements** will be contacted and **required to schedule an advising appointment**. An Honors advising hold will be placed until the student schedules an appointment via Booksy.
- **Honors students who are on track to graduate within the next academic year** are strongly encouraged, though not required, to schedule an advising appointment. No Honors advising hold should be placed.
- **Honors students who are pursuing 2+2 pre-health prerequisites and intend to complete Honors requirements on an accelerated path before application to professional schools** are strongly encouraged, though not required, to schedule an advising appointment. No Honors advising hold should be placed. **\*\*Please make this appointment specifically with KELSEY KIMZEY if possible.\*\***
- **All other Honors students** are invited to make an appointment to discuss Honors-related advising questions. No Honors advising hold should be placed.

### Permit Requests and Registration Information:

All university classes for Fall 2023 should be loaded on [Raiderlink](#) on March 6<sup>th</sup>. Honors sections offered during the fall semester are listed here in this booklet (which is subject to revision as Honors sections are added, cancelled, or otherwise modified).

**\*\*The Honors College will no longer require a Permit Request Form (PRF) for most Honors courses (just a few exceptions).\*\*** Unless specified as application-based, Honors courses will be unrestricted to any student with an Honors cohort code. Prerequisites required for specific classes will still be in place as indicated by the university and the individual teaching departments.

Please note that Visual Schedule Builder will not always pull in Honors course sections accurately. We recommend you use the Plan Ahead Tool in the Add/Drop classes portal or use the Section Search Tool to build your schedule manually.

You can find a sample degree plan/course sequence for your major in the [TTU Undergraduate Catalog](#) ([catalog.ttu.edu](http://catalog.ttu.edu)) or find course requirements in your DegreeWorks portal.

Always include your R# in any correspondence with a TTU advisor so that we can help you more efficiently.

### Waitlists:

The Honors College will no longer manage in-house waitlists for any Honors courses with the exception of the limited application-based courses. All other Honors sections will be opened at the time of registration for all students with an Honors cohort code. If a section fills, the student should add themselves to the Raiderlink waitlist for the desired section AND then immediately register for an alternate, non-Honors section of the same course OR another alternate course that would be acceptable for degree sequencing. It is imperative to be registered for an alternate course as soon as possible in the event that the student's name never comes up on the Raiderlink waitlist.

\*If\* a space opens in a full course and you are the next person on the Raiderlink waitlist, the Raiderlink system should send information and instructions to your TTU email address. You will have a specific window of time to take action in registering for your offered seat, so it is essential that you check your TTU email daily.

**Do not contact instructors of courses for overrides.** Raiderlink will track enrollments and notify waitlisted students of available seats in a fair and orderly manner. Advisors are not authorized to override the automated Raiderlink waitlist system even if a professor were to approve you for their course.

Please let us know if questions arise. You are welcome to reach out to an individual Honors advisor or to us at [honors.advising@ttu.edu](mailto:honors.advising@ttu.edu).

We look forward to serving you in your preparations for the Fall 2023 semester, and beyond!

~ Your Honors Core Advising Team

# FALL 2023 CONVENTIONAL HONORS COURSE SECTIONS - ALL

- Courses with a **yellow notation** require a student to submit a Permit Request Form (PRF). PRFs must be approved by an Honors advisor. For information on how and when to submit your PRF, see the Honors Advising webpage. When permit required sections fill, the section will be listed in red. Students submitting a PRF for a filled section will be added to our internal waitlist. If a space becomes available, the student next on the internal waitlist is notified by their TTU email.
- Courses with an **orange notation** require a student to submit a separate application to enroll in the course. Course application information can be found in the course's description or at [Honors Course Information](#).

Questions? Email [Honors.Advising@ttu.edu](mailto:Honors.Advising@ttu.edu). Be sure to include your R# in the email.

## HONS 3300: Honors Thesis Course #1

Instructor: Kurt Caswell | Campus: Lubbock TTU

14937	H01	Ind. Study	n/a	n/a	n/a
CRN	Section No.	Class Type	Days	Time	Max Enrollment.

APPLICATION REQUIRED: SEE COURSE DESCRIPTION

**Note:** This section of HONS 3300 is for students completing an Honors Thesis, not for students involved in URS.

**Prerequisite:** To be admitted to the Honors thesis program, students must be enrolled in the Honors College, be in the final two semesters of their degree program and file an application for approval. Thesis courses are not offered during the summer terms. Honors students seeking an application will should contact Beth Scheckel at [Beth.Scheckel@ttu.edu](mailto:Beth.Scheckel@ttu.edu). The deadline to complete the application process is the first day of class each fall and spring semester. Students should begin the application process by mid-semester of the term preceding enrollment in the first thesis course. Students wanting to apply and enroll in HONS 3300-H01 for this Fall 2023 should contact Beth immediately to begin the application process.

An Honors thesis is a long formal research paper or written creative work that conforms to the journal publishing standards in a chosen field. The Honors thesis program consists of two semester-long research and writing courses, HONS 3300, followed by HONS 4300. Students do not meet in a classroom, but instead work independently, and in concert with a student-selected thesis director, and the HONS 3300/4300 instructor. The thesis director must be a Texas Tech University faculty member. With guidance, students work through a series of steps from the development of an argument to a completed thesis. In these two courses, students master the following skills: note-taking, effective outlining, integrating primary and secondary sources, document formatting, utilizing constructive feedback, argumentative and/or creative writing, and revising. Students who successfully complete an Honors thesis are eligible to will graduate from the Honors College with the distinction of Highest Honors.

## HONS 3302: Medicine and the Narrative Tradition

Instructor: Peter Barta | Campus: Lubbock TTU (Hybrid)

37781	H01	3000-level SEMINAR	TR	3:30pm-4:50pm	22
CRN	Section No.	Class Type	Days	Time	Max Enrollment.

This course will examine the emergence of medicine from myth in Classical Antiquity and Ancient China. We will assess medicine as much as an art as a science. We will read/watch and discuss Classical, Chinese, Russian, Western European, and American literary and cinematic works that address illness, healing, health provision, doctors as authors, and doctors as patients. The aim of the course is to learn about vitals soft skills in health provision and to understand the importance of these in diagnosing and treating illness and in managing complex and challenging professional and social issues. The learning outcomes of the course also include some of the very same skills: listening, communicating and empathizing with somebody whose social, cultural, ethnic or linguistic background differs significantly from one's own. Student-led projects will develop personal skills, such as concentration, perseverance, and how to engage with others.

Students who successfully complete an Honors thesis will graduate from the Honors College with the distinction of Highest Honors.

## HONS 4302: Bones, Botanical, and Birds

Instructor: Susan Tomlinson | Campus: Lubbock TTU

37440	H01	4000-level SEMINAR	TR	2:00pm-3:20pm	20
CRN	Section No.	Class Type	Days	Time	Max Enrollment.

*Dangerous ship crossings, unknown and hostile terrain, starvation, bad weather, bandits, and no communication with loved ones for months or years. The nineteenth-century botanists, biologists, and ornithologists were the original Indiana Jones in their quest to discover new plant and animal species. They were courageous and determined, just as were the illustrators traveling with them, who produced some of the most important and often lovely scientific records of the day. In this Honors College seminar experience, we will travel with them, too, as we learn by illustrating plants and birds ourselves, using many of their same techniques. We will paint and draw and yes, go out into the field a time or two, but do not be afraid! You do not have to have prior skill or experience in either to be successful in their course.*

## HONS 4302: Mystery Science Theater 3000: The Culture of Riffing

Instructor: Rob Weiner | Campus: Lubbock TTU

37526	H02	4000-level SEMINAR	M	4:00pm-6:50pm	20
CRN	Section No.	Class Type	Days	Time	Max Enrollment.

*In 2021 Mystery Science Theater 3000 launched another Kickstarter campaign to bring back the show for a 13th season this time without a sponsoring network. This time the creators of the show would produce the show on their own online theater called The Gizmoplex for a 2022 debut. They again raised enough funds to make a 13th season. The 2015 reboot of the television program Mystery Science Theater 3000 (MST3K) became the largest crowd-funded video project in history at that time. No small feat for a show that had its last broadcast years ago in 1999. MST3K, a low-budget comedy program that made fun of and riffed on bad movies, aired on two major cable networks, one public access station, and produced a theatrical film in the span of eleven years (1988-1999). The show developed a fanatical following and is now considered by fans and critics one of the funniest and smartest programs to ever grace the small screen. In today's transmedia world, the impact of riffing is all around us from mashups on YouTube to fan-created cultures. This 4000-level seminar will focus on MST3K (and its various offshoots like RiffTrax. The Mads, Cinematic Titanic), its creators, the history of riffing (which pre-dates MST3K), comedy writing, fandom, and taking one form of art and creating something new and unique from it. The reboot Mystery Science Theater 3000: The Return (2017) and the MST3K The Gauntlet (2018) were both a critical successes on Netflix and have a 100% fresh rating on Rotten Tomatoes. This course will also examine in detail several films that were riffed on Mystery Science Theater 3000. Please note you are expected to watch terrible films and historical shorts that are politically incorrect by today's standards. This course contains sarcasm! This class is Reading Intensive and Contains Mature Content.*

CRN	Section No.	Class Type	Days	Time	Max Enrollment.

*This course will introduce students to the civilization of India. It will explore the religions, history, and politics of the subcontinent starting from the dawn of the Indus river valley civilization. It will explore Hinduism and the birth of Buddhism, and discuss the Islamic invasion of India as well as the emergence of Sikhism. The course will chart the development of the Mogul empire and the British colonial experience. It will explore the rise of Indian nationalism and how Gandhi through nonviolent civil disobedience was able to bring the British Empire to its knees. We will examine how the British left in 1947, the partition of India and the creation of the two nations, Pakistan and India. We will then explore the wars fought between Pakistan and India and look at the rise of the current ruling power in India.*

CRN	Section No.	Class Type	Days	Time	Max Enrollment.

*This course will explore the history of the Jewish people. It will begin at the earliest stages of human development and chart how mankind moved from a polytheistic world to the gradual emergence of the monotheism. The course will then examine the movement of the Hebrews as they become Israelites and finally the Jewish people. We will then examine the biblical kingdom and the first and second temple periods. The first section of the course will end with a discussion of the destruction of the Temple in 70 CE under the Romans and how the Jews began a life without a homeland. The second part of the course will examine the Jews in two distinct areas. The first examination will be that of the Jews in Christian Europe while the second examination will be that of the Jews in the Islamic world of the Middle East, North Africa and Spain. The third section will chronicle the Jewish people in the modern period as they become, in some places emancipated, and in other places more restricted. The fourth section will take a close look at the Holocaust and the creation of the state of Israel in 1948.*

### APPLICATION REQUIRED: SEE COURSE DESCRIPTION

**Prerequisite:** Must have successfully completed 90 undergraduate hours. Enrollment is restricted to Honors students only.

**Note:** This course is cross-listed with LAW 5402-001 and will be held in Room 107 of the Law School. **Application to take this course is required.** This course is assessed on a **Pass/Fail** basis for undergraduate students (along those lines, if a student earns a Pass for the course, that would fulfill the standard requirement with Honors sections for a B- or above to be earned to get Honors credit). Students receiving a grade of B or better in the course who later matriculate to the Texas Tech University School of Law may not be required to repeat the course if approved by the Associate Dean for Academic Affairs when another course or courses are available in the same subject area which may be taken in substitution for equivalent credit hours which will then be a part of such student's required first-year curriculum.

Special topics in law taught by a faculty member in the TTU School of Law. Standards and principles governing legal liability for intentional and unintentional invasions of interests of person and property. This course is assessed on a Pass/Fail basis for undergraduate students. Students receiving a grade of C+ or better in the course who later matriculate to the Texas Tech University School of Law may not be required to repeat the course if approved by the Associate Dean for Academic Affairs when another course or courses are available in the same subject area which may be taken in substitution for equivalent credit hours which will then be a part of such student's required first-year curriculum. School of Law courses commence earlier than TTU undergraduate classes.

This course will begin on August 21, 2023.

CRN	Section No.	Class Type	Days	Time	Max Enrollment.

*Introduction to personal finance, including goal setting, cash management, credit, insurance, taxes, housing, investment alternatives, and retirement plans. To better understand how individuals and families make financial decisions to meet their goals, reading assignments and discussion will focus on topics that are both relevant and timely. Class time will be spent collaboratively learning about the financial marketplace and behavioral tendencies, which form the environment in which people make financial decisions. Current issues such as financial literacy, time preferences, investment in human capital, behavioral finance, and generational differences will be explored. Discussion will arise from the readings assigned that focus on current issues, often found in popular press such as the Wall Street Journal, USA Today, and Kiplinger's Magazine. It will also come from interesting and sometimes controversial new research related to how and why people think about money as they do. We all know that our financial decisions are not always rational, as assumed in economic theory. However, behavior research from economic, psychological, and socio-cultural perspectives can inform us regarding financial decision making.*

**HE+**  
A NEW WAY TO  
HONORS!

HE+ courses are a new way to earn Honors credit! In HE+ courses, you'll experience a semester-long Honors enrichment activity with your faculty member and other Honors students, in regular TTU courses. Get ready for many more Honors opportunities to earn Honors credits--in every major--even at the upper division!

**MORE INFORMATION:

## FALL 2023 HONORS ENHANCED COURSE [HE+] SECTIONS - ALL

**HE+ courses** are a new way to earn Honors credit! In HE+ courses, you'll experience a semester-long Honors enrichment activity with your faculty member and other Honors students, in regular TTU courses. Get ready for many more Honors opportunities to earn Honors credit – in every major – even at the upper division!

If an Honors student enrolls in a designated HE+ section and successfully completes it (earning a grade of B- or better in the class) and successfully completes the non-graded Honors enrichment activity, that student will earn the number of *general* Honors credits associated with the credit assigned to the course. For example: with HIST 2301-001, the Honors student would earn 3 hours of Honors credit.

**\* Please note that HE+ sections, regardless of level, only fulfill general Honors course requirements (and do not fulfill the 3000-level and 4000-level seminar requirements). \***

With designated HE+ sections, there will be a HONS 0001 stand-alone no-credit course associated with it. The student would enroll in the HONS 0001 section associated with the HE+ lecture section in order to be a part of the HE+ initiative.

**\* *The HONS 0001 sections will be built and loaded in Raiderlink soon.*** The Honors College will contact all Honors students enrolled in each of the HE+ lecture sections with instructions about adding the HONS 0001 no-credit course to your schedule. \*
