Lower-Level Coursework (1000-2000 level) – 12 hours

1) ____________________________
First-Year Experience (FYE) course – required in first fall semester. See www.honors.ttu.edu/fye/ for more info.

2) ____________________________
One 4-hour lab science course is required for non-science majors. Frequently offered Honors science courses are listed below. Students with 8 hours of lab science credit prior to acceptance in Honors are exempt from this requirement and can choose a non-science course to fulfill this credit.

3) ____________________________

4) ____________________________
Possible lower-level course choices: ASTR 1400, ASTR 1401, ATMO 1300, COMS 2300, HIST 2300, HIST 2301, HONS 2405, HONS 2406, and POLS 2302. Students seeking the Business Administration double major have additional Honors Business course offerings.

Upper-Level Coursework (3000-4000 level) – 6 hours

1) ____________________________  2) ____________________________
Possible course choices include: COMS 3358. Students may substitute up to six (6) hours of upper-level Honors credit through contracting, taking graduate courses, or completing a Study Abroad Waiver. For more information on these substitution methods, please see an Honors advisor. Students seeking the Business Administration double major have additional offerings including: MKT 3350 and MGT 4380.

Honors Seminar Coursework – 6 hours

1) ____________________________  2) ____________________________
ARCH 4311 is offered periodically as an Honors seminar. Otherwise, students can fulfill their “writing intensive elective” with an Honors seminar. In addition, HONS 2311 and HONS 2314 provides Multicultural credit (“diversity elective”). At least one seminar must be at the 3000 or 4000 level. Additional seminars and information can be found at www.honors.ttu.edu.

Completion of these requirements allows a student to graduate with Honors. In addition, students can complete 6 hours of Honors research hours (HONS 3300 and 4300) and complete an Honors Thesis to graduate with Highest Honors. The Honors designation (diploma and transcript) is available for the bachelor’s degree only. Students pursuing a master’s should work with an Honors advisor to plan the most efficient way to complete Honors requirements.
