The School of Allied Health Science and the School of Nursing offer the Honors designation for a bachelor's degree in Nursing (NURS); Clinical Lab Science (CLS); and Speech, Language, Hearing (AHSL). If Honors requirements are complete before matriculation into the Pharmacology program, students can receive an Honors certification. PMED and Pre-PT students must choose a major but may follow this guide until one is chosen.

**Lower-Level Coursework (1000-2000 level) – 12 hours**

1) __________________________ 3) __________________________
First-Year Experience (FYE) course – required in first fall semester. See www.honors.ttu.edu/fye/ for more info.

2) __________________________ 4) __________________________

Allied Health and Nursing majors must complete 55-66 hours of prerequisites before entering their specific program. Possible Honors courses within these requirements are: BIOL 1403, BIOL 1404, CHEM 1307, CHEM 1308, COMS 2300, HIST 2300, HIST 2301, PHYS 1408, PHYS 2401, POLS 2302, PSY 1300, and SOC 1301.

**Upper-Level Coursework (3000-4000 level) – 6 hours**

1) __________________________ 2) __________________________

Suggested courses: CHEM 3305, CHEM 3306 if needed. Students may also substitute up to six (6) hours of upper-level Honors credit through contracting, taking graduate courses, or completing a Study Abroad Waiver. Many students contract courses after matriculating at the HSC, including NURS 3312, NURS 3313, AHSL 3323, AHSL 3426, AHSL 4300, AHSL 4410, AHMT 4300, AHMT 4320, and AHMT 4480.

**Honors Seminar Coursework – 6 hours**

1) __________________________ 2) __________________________

HONS 1301/2311/3301 – Humanities credit  HONS 1303/3303 – Individual & Group Behavior credit
*Students entering in Fall 2012 or later no longer need the Tech. & Applied Science core requirement.

In addition, HONS 2311 and HONS 2314 also provide Multicultural credit. **At least one seminar must be at the 3000 or 4000 level.** Typical Seminars include: Honors Seminar in Healthcare; Science and Society; and Philosophical Issues in Human Caring. **It is suggested that students complete 18 of the required 24 Honors credits, including both seminars, before matriculation at the HSC. Additional info. can be found at www.honors.ttu.edu.**

Completion of these requirements allows a student to graduate with Honors. In addition, students can complete 6 hours of Honors research hours (HONS 3300 and 4300) and complete an Honors Thesis to graduate with Highest Honors.
