We also highly recommend meeting with an Honors advisor by the end of the 2<sup>nd</sup> year to create a tentative long-term Honors completion plan prior to block enrollment. *\*\*While these suggested course options have been frequently offered as Honors in past semesters, they are subject to change and are not guaranteed Honors offerings.*

Additional information can be found at [www.honors.ttu.edu](http://www.honors.ttu.edu). Honors Upper-Level Seminar courses (3000/4000-level) can be taken at any time, regardless of major or classification, unless a particular course description states otherwise.

Completion of these 24 credit hour course requirements allows a student to graduate **With Honors**.

In addition, students may apply to complete 6 additional credit hours specifically through the Honors Thesis Program (HONS 3300 and 4300), culminating in a written thesis and graduation **With Highest Honors**.
