

# Peanut and Tree Nut Products

## Peanut and Peanut Oil Selections

- **Peanut Butter** is not commonly used in dining locations.  
It is located at the Production Kitchen where there are safety protocols in place to produce peanut butter wedge sandwiches for re-sale in our mini-markets.  
The production team creates peanut butter sandwiches at the end of the day, on covered tables and use cleaning protocols for safely packaging peanut butter wedge sandwiches. These items are packaged in Wedge Containers and delivered to grab and go coolers campus wide.
- **Peanut Butter is sold** in mini pc's (personal/private containers) at select locations- Einstein Brothers Bagels, Starbucks, and other units available upon request and is housed in separate bins in small plastic containers or prepackaged items directly from manufactures.
- **Peanut Butter Desserts** Pies (PNB Cups and Snicker Pies) are contained in clam shell boxes in the grab and go sections at The Market's mini market and should be labeled with "Contains Nuts".
- **Peanut Toppings** is available at Pacuigo's Gelato Bar in the Student Union Building (SUB) on select Gelato items.
- **Peanut Oil**
