5. Room Assignment / Selection:
A. Assignment/selection of space is contingent upon the receipt of required application, properly signed contract, and paid application fee and applicable deposit(s).
B. The University reserves the right to assign students to spaces of a suitable type and size on a space available basis. Space is not guaranteed.
C. A single room request may be revoked at any time if an overflow circumstance occurs.
D. Students who lose a roommate or were not assigned a roommate may be given the option to contract for a single room when space permits. Should this option occur and be elected, students will be charged a single rate for remaining time left on the term of this Contract. Should space be available to grant a single room and the student does not elect a single room, the student is required to optimize by accepting the assignment/selection to another room or assignment/selection of another roommate. Failure to comply with the optimization policy will result in a change in the student’s account for a single room and/or possible contract termination. Occupants with a vacancy in their room will be required to keep the assigned room clear for a potential roommate. Roommates may be assigned in a specific room.

6. Dining Plan:
A. The student is required to have a valid Dining Plan during the Contract Period. The Dining Plan selected with the application for housing will be assigned for the entire Contract Period. If no selection is made, the Matador Dining Plan will automatically be assigned. Changes in the level of Dining Plan selected may be made through to the 20th class day of the given semester. The Dining Plan Change Request Form may be found at hospitality.ttu.edu. Dining Plan fees are billed 60% in Fall and 40% in Spring. Dining Bucks are allocated 50% in Fall and 50% in Spring. Dining Bucks are valid for food and beverage purchases at any Hospitality Services location and are only valid on campus. The University reserves the right, if deemed necessary for maintenance, efficiency, or other purposes, to modify serving hours or close a dining location, with as much advance notice as is reasonably possible.
B. Dining Bucks associated with the Dining Plan can be used at any time within the current term. Unused Dining Bucks are non-refundable but are transferable to the next housing and dining contract. If the student moves off campus, 70% of unused dining bucks are transferable to a new Dining Plan in the next housing and dining contract. Dining Bucks are accessed using the Student ID Card. Lost or stolen cards should be reported immediately to the University ID Office. Only the remaining balance, at the account the card is reported lost or stolen will be protected.
C. The Dining Plan includes a Dining Operations Cost, Dining Operations Cost taxes, and applicable Dining Bucks which are subject to the appropriate sales tax (Lubbock and Texas).
D. Students may add additional dining bucks to their dining plan at the Hospitality Services Office or online at hospitality.ttu.edu.

7. Student Resident Responsibilities:

D. Upon vacating the assigned space and turning in the assigned key, The University has full authority to remove and/or dispose of abandoned belongings. Abandoned belongings may result in additional charges.
E. Conduction of business of any kind from the assigned space or public spaces is prohibited.
F. No outside, third party vendor, is allowed to perform services within the residence hall rooms, suites, apartments, or the public living areas of The University. This includes, but is not limited to, cleaning, laundry, and moving services. These vendors will not be considered guests of students or The University. Service deliveries (pizza, flowers, etc.) may be picked up in the main lobby of the residence hall.
G. Service and/or Emotional/Companion animals will be allowed in University housing only after appropriate documentation has been first reviewed by Student Disability Services and the student has provided to and been approved by University Student Housing. 9. Limitation of Liability:
A. The University cannot guarantee the safety of and does not assume any legal obligation to pay for injury to persons (including death) or loss or damage to items of personal property, which occurs in its buildings or on its grounds prior to, during, or subsequent to the Contract Period. The student and their Guarantor are encouraged to carry appropriate insurance to cover such losses. The Student shall not be entitled to a refund or reduction of payment as a result of any facility malfunction or service interruption including, but not limited to air conditioning, electrical, heating, mechanical, elevators, plumbing, or power failure, or for losses caused by events or circumstances not directly within the control of The University including, but not limited to earth movement, fire, illness, infectious diseases, intentional loss, natural disasters, nuclear hazard, or war. B. For the benefit of The University to enforce at any time any of the provisions of this contract, or its failure to utilize any remedy which is authorized herein, shall in no way be construed to be a waiver of such provisions, nor in any way affect the validity of this contract or any part thereof, or the Right of The University therefrom to enforce each and every such provision.

11. Assignability of Contract:
A. The contract is personal and may not be assigned or otherwise transferred, nor may the student’s space be sublet or otherwise placed in the occupancy, control, or care of another person or entity. The student may not sublet or otherwise place in the occupancy, control, or care of another person or entity any space associated with the student’s assigned space, including but not limited to community areas such as bathrooms, hallways, kitchens, laundry rooms, lobbies, study lounges or any unassigned spaces.
