Sworn Statement of Commuting Status

In the event a student is residing and continues to reside in the established primary residence of their parents (or legal guardian), that student is eligible to live off-campus. The residence must be within a 60-mile radius of Texas Tech University, the parents must have established their primary Lubbock-area residence at least six months prior to the request for an exemption, and legal guardianship must have been established by a court of law at least one year prior to a request for an exemption in order for the request to be considered. Appropriate proof of residence and/or guardianship may be required and may be counter referenced against institutional documentation.
