Brown Bag Series on Addiction Recovery Research

Spring 2022

The Center for Addiction Recovery Research hosts the Brown Bag Series for Spring semester beginning Feb. 21. This series tackles issues in addiction and recovery research and intervention and presents esteemed CARR-affiliated faculty and graduate students from the Addictive Disorders and Recovery Studies program of the Community, Family, and Addiction Sciences department.

The sessions, which are free and open to all, will take place at the **Human Sciences Building Room 220**, but will also be available via **Zoom**.
