OUTDOOR LEARNING ENVIRONMENT

Hagy Center for Young Children
Amarillo, TX

The Hagy Center for Young Children is an Amarillo College Campus and offers certification programs for those interested in careers in early childhood. The center has a capacity of 103 infant, toddler,

pre-kindergarten, and school age kids. There are two outdoor spaces, one designated area for infants and another for 3 and 4-year old's. The six classrooms have doors that open directly to the outdoor play space. The

building was completely renovated, and the outdoor space was funded by Happy State Bank. The OLE! additions will be completed by volunteers and through student projects (welding, etc.) at Amarillo College.
