The above are suggested guidelines for registration. Courses in BOLD are scheduling priorities and must be taken in sequence. Students who prefer a lighter load each semester may take courses offered during the summer sessions. However, not all courses are offered in the summer. Refer to the website <http://www.raiderlink.ttu.edu/student> for updates on course offerings. **This plan assumes that the student is exempt from any additional foreign language requirement for the University Core.**

Gray box indicates grade must be a "C" or better
