

**DEBAJYOTI PATI, PHD, FIIA, IDEC, LEED® AP**

Updated 05-2021

Professor  
Department of Design  
Texas Tech University

1301 Akron Avenue, Lubbock, TX, 79409  
806-834-0850  
d.pati@ttu.edu

**EDUCATION**

Ph.D.: Georgia Institute of Technology, Atlanta, GA, U.S.A., (2005).  
M.A.S.A.: University of British Columbia, Vancouver, B.C. Canada, (1991).  
B.Arch.: University of Bombay, Bombay, India, (1987).

**EMPLOYMENT HISTORY**

**Academic Positions**

08 2015 -	Professor	Texas Tech University, Department of Design, Lubbock, TX, U.S.A.
09 2011 – Current	Rockwell Endowment Chair	Texas Tech University, College of Human Sciences, Lubbock, TX, U.S.A.
09 2011 – 08 2015	Associate Professor	Texas Tech University, Department of Design, Lubbock, TX, U.S.A.
2005 May – Aug	Post Doctoral Fellow	College of Architecture, Georgia Institute of Technology, Atlanta, GA, U.S.A.
1993 – 2002	Lecturer/ Assistant Professor	Department of Architecture, College of Engineering and technology, Biju Patnaik University of Technology, Bhubaneswar, India.
1989 Jan – Aug	Lecturer	Department of Architecture, College of Engineering and technology, Orissa University of Agriculture and Technology, Bhubaneswar, India.

**Industry Positions**

2005 – 2011	Vice President, Director of Research	HKS Architects, Dallas, TX, U.S.A.
2008 – 2013	Executive Director	Center for Advanced Design Research & Evaluation, Dallas, TX, U.S.A.
1993 – 2002	Director (Architecture)	Designers' Den Private Limited, Bhubaneswar, India.
1991 – 1992	Architect	Cairns Architect Planner, Vancouver, B.C., Canada.
1987 – 1988	Architect	Gananath Shetty Architects, Bombay, India.
1986 – 1987	Architect (Intern)	Spatial Designs Private Limited, Bombay, India.

**Administrative and Select Professional Leadership Positions**

2019 -	Member, International Advisory Board	Swiss Center for Design and Health
2018 -	Chair	Building Research Council, NIBS-AIA BRIK Program
2012 -	Board of Director	NIBS-AIA, BRIK (Building Research Information Knowledgebase) program
2016 -	Director, North America Chapter	International Academy for Design and Health
2008 – 2013	Executive Director	Center for Advanced Design Research & Evaluation, Dallas, TX, U.S.A.
1993 – 2002	Director (Architecture)	Designers' Den Private Limited, Bhubaneswar, India.

**REGISTRATION AND CERTIFICATION**

- Registered to practice, Council of Architecture, India
- LEED Accredited Professional, Green Building Certification Institute, USA
- Trained to use *Serviceability Tools & Methods (ST&M)* by the International Center for Facilities, Canada

**PROFESSIONAL AFFILIATIONS**

- GEPN (Global Education Policy Network)
- SCDH (Swiss Center for Design and Health)
- IADH (International Academy for Design and Health)
- NIHD (Nursing Institute for Healthcare Design)
- ASID (American Society of Interior Designers)
- Center for Health Systems and Design, Texas A&M University
- CHD (Center for Health Design)
- EDRA (Environmental Design Research Association)
- IDEC (Interior Design Educators Council)
- IIA (Indian Institute of Architects); Fellow of IIA
- USGBC (US Green Building Council)
- ISTE (Indian Society for Technical Education)
- CIB (International Council for Research and Innovation in Building and Construction; past member)
- AEI-ASCE (Architectural Engineering Institute of The American Society of Civil Engineers)
- AACS (Association of Applied and Clinical Sociologists; past member)

**SELECT AWARDS AND HONORS**

- 2021 EDRA (Environmental Design Research Association) CORE (**Certificate of Research Excellence**) award for research titled “A Comparative Analysis of Visualization Methods in Architecture: Employing Virtual Reality to Support the Decision-Making Process in the AEC Industry.”
- 2017 Recognized for national/international prominence achievement from EDRA CORE award at the **Celebration of Faculty Excellence in Research, Scholarship, and Creative Activity**. Texas Tech University.
- 2017 EDRA (Environmental Design Research Association) CORE (**Certificate of Research Excellence**) award for research titled “Neural Correlates of Nature Stimuli”.
- 2016 Interior Design Educators Council (IDEC), **Scholarship Achievement Award** for research titled “Identifying and Examining Micro Physical Environment Factors Contributing to Patient Falls”.
- 2015 IIDA (International Interior Design Association) **Research Academic Award**, for research titled “Identifying Elements of the Health Care Environment that Contributes to Wayfinding”.
- 2015 CIE (Computer and Information in Engineering) Advanced Modeling and Simulation (AMS) Technical Committee 2015 **Best Paper Award**, for paper titled “Identifying Possible Patient Slips and Falls Using Motion Capture Experiments”. ASME 2015 International Design Engineering Technical Conferences & Computers and Information in Engineering Conference (IDETC/CIE 2015). Boston, MA.
- 2014 Winner, **International Research Project Award** for study titled “Neural Correlates of Nature Stimuli: An fMRI Study”, International Academy for Design and Health.
- 2014 **Outstanding Researcher Award**, College of Human Sciences, Texas Tech University.
- 2013 College of Human Sciences nominee, **Barnie E. Rushing Jr. Faculty Distinguished Research Award**, Texas Tech University.
- 2012 Winning team, **Nurture Collegiate Healthcare Design Competition**.
- 2010 Ranked 12<sup>th</sup> among the Healthcare Design magazine’s **25 Most Influential People in Healthcare Design**.
- 2010 Winner, **International Research Project Award** for study titled “An Empirical Examination of Patient Room handedness in Acute Medical-Surgical Settings”, International Academy for Design and Health.
- 2009 Ranked 15<sup>th</sup> among the Healthcare Design magazine’s **25 Most Influential People in Healthcare Design**.
- 2009 Winner, **International Research Project Award** for study titled “Inpatient Unit Flexibility: Design characteristics of a successful flexible unit”, International Academy for Design and Health.

**SELECT PROFESSIONAL LEADERSHIP AND OUTREACH**

- 2021- Member, College of Architecture and Design Advisory Committee, Prince Sultan University, Riyadh, Saudi Arabia.
- 2020-21 Juror, 22nd EDRA Annual Great Places Awards.
- 2020- Member, Distinguished Experts Panel, Global Education Policy Network, Riyadh, Saudi Arabia.
- 2019 Juror, Design & Health World Congress, Ghent, Belgium
- 2019 - Member, International Advisory Board, Swiss Center for Design and Health.
- 2019 President, India Association of West Texas.
- 2018- Chair, Building Research Council, NIBS-AIA BRIK Program.
- 2016- Director, North America Chapter, International Academy for Design and Health.
- 2016 Juror, Healthcare Design Product Innovation Award
- 2015 Juror, Healthcare Design Architectural and Interior Design Showcase.
- 2015 Juror, Healthcare Design Product Innovation Award.
- 2015 Committee, AIA Academy of Architecture for Justice, POE Toolkit program.
- 2015 Chief Juror, OSA (Odia Society of the Americas) Street Makeover Competition.
- 2013 Juror, ASID (American Society of Interior Designers) Foundation Awards.
- 2013 Juror, Healthcare Design's Architectural and Interior Design Showcase.
- 2009-2013 Executive Director, Center for Advanced Design Research & Evaluation.
- 2012- Board of Directors, AIA-NIBS Building Research Council.
- 2012- Founding member, Steering Committee, AIA-NIBS Building Research Council.
- 2012- Member, REDCenter Advisory Council, American Art Resources.
- 2012-13 Conference organizing committee, EDRA 2013 International Conference.
- 2012- Member, RIPPLE Advisory Committee, Center for Health Design.
- 2012 Juror, Healthcare Design Architectural Showcase.
- 2012 Academic Advisor, ParticiPlace2011 international design competition, UC Berkeley.
- 2011-2015 Co-Chair EDRA CORE Program Development Committee.
- 2011 Juror, Healthcare Design Remodel Renovation Showcase.
- 2011 Juror, Healthcare Design Architectural Showcase.
- 2010 - Member, Editorial Advisory Board, Health Environments Research and Design Journal.
- 2010 Grant Reviewer, National Science Foundation.
- 2010 Juror, DESIGN: Environments for Aging showcase, Vendome/Long Term Living magazine.
- 2010 Member, AIA Academy of Architecture for Health, Research Initiatives Committee/Network of Stakeholders.
- 2008-10 Conference committee, EDRA International Conference, Washington, DC, 2010.
- 2008 Elected Fellow of Indian Institute of Architects.
- 2008 - 16 Member, Editorial Board, The Open Construction and Building Technology Journal.
- 2008 - 12 Center for Health Design; Member, Research Coalition.
- 2007 - 10 Member, Editorial Review Board, Health Environments Research and Design Journal.

## MEDIA MENTIONS

- 2018: "How to Future-Proof Your Hospital with Evidence-Based Design", *Healthcare Purchasing News*, December 18, 2018, Author: Evan Hicks, <https://www.hpnonline.com/home/article/13001520/how-to-futureproof-your-hospital-with-evidencebased-design>
- 2018: "Laying The Groundwork". *Healthcare Design Magazine*, July 31, 2018. Author: Debra Levin.
- 2017: "Research Matters". *Healthcare Design Magazine*, October 17, 2017. Author: Ellen Taylor.
- 2017: "Modern Medicine: It's a brave new world in healthcare design today". *Knoll Workplace Research*, [https://www.knoll.com/document/1355999055649/Knoll\\_ModernMedicine\\_wp.pdf](https://www.knoll.com/document/1355999055649/Knoll_ModernMedicine_wp.pdf)
- 2016: "Research explores how room design affects patient falls". *Health Facilities Management*, December 15, 2016. Author: Jeff Ferenc.
- 2016: "Put to Test", *Healthcare Design*, November 1, 2016.
- 2016: "Hospital Room Design Connected to Key Aspect of Patient Safety". *Newswise*, October 14, 2016.
- 2016: "Hospital Room Design Connected to Key Aspect of Patient Safety". *New Medical Lifesciences*, October 17, 2016.
- 2015: "Come Out, Come Out, Wherever You Are", *Healthcare Design*, September 23, 2015.

## PRESENTATIONS

### KEYNOTES AND INVITED TALKS

- 2019: "The role of the physical design in care quality, safety, and efficiency." Politecnico di Milano, Milan, Italy, June 29.
- 2019: "Designing to reduce falls in patient rooms", Designing the Future of Healthcare: Linking Problem, Evidence, and Transformation, Georgia Institute of Technology, Atlanta, GA (April 23)
- 2019: "Physical Design and Health", Obesity Research Cluster Seminar, Texas Tech University, Lubbock, TX (March 18)
- 2018: "Evidence Based Design". University of North Texas, October 23, 2018.
- 2018: "Reducing Patient Falls: Where to Focus in Patient Room Design". National workshop on "Design for Patient and Staff Safety: A Systems Approach". Organized by the Center for Health Design, Chicago, IL, June 25-26.
- 2017: "Design Strategies To Make Safer Hospitals". DCP Research Seminar Series, University of Florida, April 5, 2017.
- 2015: Texas Tech University, Faculty Research Club (October 30).
- 2015: "Way to Love Numbers". TTU Statistical Consulting Lecture Series, Graduate Student Advising Council (GSAC), Texas Tech University. January 29, 2015.
- 2013: "Truth, Lies and Research". Invited keynote speaker. Healthcare Design Academy, Dallas, TX. August 8 - 9, 2013. (Regional)
- 2011: "New Directions in the Future of Healthcare Design—The Experts Speak Out". Healthcare Design Conference. Nashville, TN. Nov 13-16. Moderator: Todd Hutlock, Editor-in-Chief, HEALTHCARE Design and Healthcare Building Ideas. Panelists: Debajyoti Pati, David Tam, Jain Malkin, Sheila F. Cahnman, Kim E. Shinn, and Thomas Gormley. (National)
- 2011: "Safety and Efficiency Correlates of ED Physical Design: Notes from the Field". Center for Health Design, Pebble Partners Colloquium, Lexington, KY, September 13-14. (National)
- 2011: "The Research-Based Practice". 2011 SAR Architecture for Health Spring Conference. Panelists: Dina Battisto, Debajyoti Pati, Craig Zimring, Kirk Hamilton, and Tom Harvey. Clemson, SC, May 20. (Regional)
- 2010: "Designing for Patient Safety: The Role of Room Handedness and Decentralization". Architecture for Health Spring Lecture Series, Texas A&M University.
- 2009: "UTA Practice Academy Panel: Research + Evidenced Based Design". Invited Panelist. University of Texas at Arlington. October 26, 2009.
- 2008: "View From A Far: The Influence of View Content & Duration on Nurse Stress". April 2008 Pebble Partner Colloquium, Center for Health Design, Eugene, OR, April 8. (National)
- 2008: "Providing Tier-One Service: Clinical Expertise & Research Evidence. Architecture for Health Spring Lecture Series, Texas A&M University. TX, February 6.
- 2007: Overview of Current Courthouse Research. Neuroscience and Courthouse Design Workshop. Debajyoti Pati. Sponsored by Academy of Architecture for Justice and Academy of Neuroscience in Architecture. Polytechnic University, New York, NY, September 29-30. (National)
- 2007: "Designing for Patient safety". Architecture for Health Program, College of Architecture, Texas A&M University, TX, February 13.
- 2007: "Research in Healthcare Design Practice". Graduate Studies for Architecture and Health, Clemson University, SC, September 27.

- 2006 - 2009: "Evidence-Based Design". Masters of Architecture program, University of Texas at Arlington, School of Architecture.
- 2006: "Hard and Soft Program Spaces". Architecture Program, Southern Polytechnic and State University, GA.
- 2002: Craig Zimring, Ed Feiner, Gary Hack, Debajyoti Pati and Sharon Tsepas. (2002). Plenary Address: Designing the Public Domain in a Dangerous World. EDRA 33 Conference, Philadelphia. (International)

## RESEARCH + CONSULTING

### SUCCESSFUL FUNDED RESEARCH STUDIES AT TTU

#### ***SmartMate IV***

Funds: National Science Foundation Regional Innovation Corps Program  
Team: Pati, D., Hashemi, N., Yang, J, and Harry, J.  
Period: Summer 2021

#### ***EYP Ocean Medical Center Surgical Unit Study***

Funds: \$15,000 (Sponsored by EYP Health)  
Team: Pati, D. (100%)  
Period: October 2019 to July 2020

#### ***Develop a Prioritized List of Physical Design Interventions to Reduce Patient Falls***

Funds: Agency for Healthcare Research and Quality, R03HS025021 (\$98,619)  
Team: Pati, D. (PI), Lee, J. (Co-PI)  
Period: September 2016 – September 2017

#### ***A Comparative Effectiveness Study of Hypothesized Physical Design Interventions to Reduce Patient Falls in Hospital Rooms***

Funds: College Of Human Sciences Come n' Go Grant (\$5,000)  
Team: Pati, D. (PI)  
Period: October 2016 – August 2017

#### ***Interactions between the Built Environment and Individuals with Autism using Augmented Reality Visualization*** \$2750

Funds: Texas Tech Neuroimaging Institute Seed Grant (\$2,750)  
Team: Gaines, K. (PI), O'Boyle, M., Pearson, M., Islam, AKM, Pati, D., Kareem, A.  
Period: October 2016 – May 2017

#### ***Designing Emergency Departments to Provide Efficient, Patient-Centered Care: An Analysis of Split Flow and Sub-Waiting Area Models.***

Funds: 2016 Emergency Medicine Foundation and AAHF grant (\$79,999)  
Team: Wiler, J. (PI), Lennon, J. (Co-PI), Easter, B. (AI), Housharian, N. (AI), Pati, D. (consultant)  
Period: July 2016 – June 2017

#### ***An Objective Evaluation of Patient Seating Solutions to Reduce Falls in the Elderly Population.***

Funds: Herman Miller (\$2,750)  
Team: Pati, D. (PI; 100%), Shabboo Valipoor (RA).  
Period: June 2015 – May 2016  
Collaborators: TTU Department of Health Exercise and Sports Sciences.

#### ***Identifying and Examining Micro Physical Environment Factors Contributing to Patient Falls.***

Funds: National Patient Safety Foundation (\$99,993)  
Team: Pati, D. (PI; 70%), Yang, J. (Co-PI; 30%)  
Period: September 2013- May 2015

Collaborator/s: TTU Department of Mechanical Engineering; Covenant Hospital, Lubbock, TX; HKS Architects, Dallas, TX

***An fMRI-Based Exploration of Neural Correlates of 'Formal' Environmental Attributes in Healthcare Settings***

Funds: REDCenter, American Art Resources and Rockwell Foundation (\$28,812)

Team: Pati, D. (PI; 80%), O'Boyle, M. (Co-PI; 20%)

Period: June 2013- August 2014

Collaborator/s: TTU Department of Human Development and Family Studies; American Art Resources, Houston, TX

***Impact of Fluorescent Lighting Spectral Energy Distribution on Neurodiverse Populations: A Comparative Analysis of Neural and Behavior Outcomes***

Funds: College of Human Sciences Internal Grant (\$10,000)

Team: O'Boyles, M. (PI; 0%), Pati, D. (Co-PI; 50%); Amor, C. (Co-PI; 50%)

Period: August 2013- July 2014

***Identifying Elements of the Healthcare Environment that Contributes to Way-Finding***

Funds: US Department of Defense (\$250,000; Part of a larger contract with HKS, Inc.)

IDIQ Contract No. W912DY-10-D-0002 (\$800,000)

Team: Pati, D. (PI), Harvey, T. (Co-PI), Pati, S. (Co-I), Willis, D. (Co-I)

Period: January 2013 to December 2013

Collaborator/s: Texas Health Presbyterian Hospital, Dallas, TX

***Examining the Behavioral and Brain Responses to Photographic Sky Compositions***

Funds: The Sky Factory (\$49,999)

Team: Pati, D. (PI; 60%); O'Boyle, M. (Co-PI; 20%); Amor, C. (Co-PI; 20%)

Period: September 2011 to August 2014

Collaborator/s: TTU Department of Human Development and Family Studies; Covenant Hospital, Lubbock, TX

***Creation of Evidence-Based Design (EBD) knowledge summaries for the American Institute of Architects***

Funds: AIA (American Institute of Architects; \$5,000)

Team: Pati, D. (PI; 100%)

Period: January 2012 to June 2012

***An Integrative Approach to the Design of Independent Living Environments for Adults with Intellectual and Developmental Disabilities***

Funds: ASID (American Society of Interior Designers; \$35,000)

Team: Gaines, K. (PI; 50%); Pati, D. (Co-PI; 50%)

Period: January 2012 to December 2013

***Develop a Framework of Healthcare Design Research Issues in Rural Healthcare Facilities***

Funds: College of Human Sciences Internal Grant, Texas Tech University (\$10,000)

Team: Pati, D. (PI; 50%); Gaines, K. (Co-PI; 50%)

Period: January 2012 to August 2012

## RESEARCH CONSULTING WORK IN CURRENT POSITION AT TTU

### ***Designing Emergency Departments to Provide Efficient, Patient-Centered Care: An Analysis of Split Flow and Sub-Waiting Area Models.***

Funds: 2016 Emergency Medicine Foundation and AAHF grant (\$79,999)

Team: Wiler, J. (PI), Lennon, J. (Co-PI), Easter, B. (AI), Houshiarian, N. (AI), Pati, D. (consultant)

Period: July 2016 – June 2017

### ***Comprehensive Interstitial Building Systems Study for the Military Health System.***

Entity: NIKA Architects + Engineers

Role: Expert Advice on MHS Research Framework

Period: January 2015 to September 2015

### ***Establish MHS's (Military Health System) Facility Innovation & Research Model (FIRM)***

Funds: US Military Health System, Department of Defense (\$800,000)

Contract Holder: CADRE and HKS Architects

Role: Coordination and Subject Matter Expertise; Validation Studies PI

Period: November 2011 to December 2013

### ***Clinical Review of the 2010 FGI Guidelines for the Design and Construction of Healthcare Facilities***

Funds: Facilities Guidelines Institute (\$35,000)

Contract Holder: CADRE

Role: Coordination and Subject Matter Expertise

Period: May 2011 to October 2011

## PAST RESEARCH STUDIES

### ***Examine the Impact of Inpatient Unit Decentralization on Staff Communication Collaboration and Process Efficiencies***

Funds: HKS Architects

Role: PI

Period: January 2011 to December 2011

Location: MD Anderson Cancer Center

Collaborators: MD Anderson Cancer Center, University of Kansas

### ***Environmental Correlates of Efficiency and Safety in Emergency Departments: An Exploratory Examination***

Funds: Academy of Architecture for Health Foundation (AAHF) Research Grant and Herman Miller Grant (\$35,000)

Role: PI

Period: January 2010 to December 2011

Location: Four emergency departments across the United States

Collaborators: Synurgy Healthcare Solutions

### ***Systemic and Cultural Factors Impeding Designing for Operational Flexibility***

Funds: Herman Miller Grant (\$10,000)

Role: PI

Period: January 2009 to May 2010 (complete)  
Location: Five acute care hospitals across the United States

***Advancing Translational Research through Facility Design (Expert Roundtable)***

Funds: HKS Architects  
Role: Coordination and PI  
Period: November 6, 2010 (complete)  
Collaborator: MedStar Institute for Innovation (MI2)  
Location: Washington Hospital Center, MedStar Health, Washington, DC.

***Towards optimizing inpatient unit design and care model: a measure to predict nurse walking distance on hospital bed units***

Funds: Herman Miller Grant (\$10,000)  
Role: PI  
Period: January 2008 to August 2009 (complete)  
Collaborator: The Research and Education Institute of the Texas Health Resources (THR)  
Location: THR system hospitals

***Patient room handedness and caregiver body mechanics: Physical design correlates of staff body mechanics in patient care delivery***

Funds: Academy of Architecture for Health Foundation (AAHF) Research Grant and Herman Miller Grant (\$20,000)  
Role: PI  
Period: December 2007 to May 2009 (complete)  
Collaborator: University of Texas Arlington, School of Nursing  
Location: UTA Smart Hospital

***Impact of patient room physical design elements on the care process, caregivers and patients***

Funds: HKS Architects  
Role: PI  
Period: October 2007 to December 2008 (complete)  
Collaborator: Integris Baptist Medical Center, Oklahoma City  
Location: Integris Baptist Medical Center, Oklahoma City

***Influence of positive distractions on children in hospital waiting areas***

Funds: American Art Resources, Catherine Meyers Ambient Art™, Henry Domke Fine Art, Mohawk, Gail Nash (\$5,000)  
Role: PI  
Period: January 2008 to August 2009 (complete)  
Collaborator: American Art Resources, Children's Medical Center Dallas  
Location: Children's Medical Center Dallas

***Membrane Ceiling in the Emergency Department***

Funds: HHS Grant - 6 HFPEP070012-01-02 (\$100,000)  
Role: Co-PI (Pietrzak PI)  
Period: October 2008 – June 2009 (complete)  
Collaborator: CCRD Partners

***Inpatient Unit Design: Defining the design characteristics of a successful adaptable unit***

Funds: AIA 2006 Research Grant and Herman Miller Grant (\$14,000)

Role: PI

Period: May 2006 to February 2007 (complete)

Collaborator: University of Texas Arlington, School of Nursing

Location: Six large U.S. hospitals

***Influence of the visual environment and cumulative minor irritants in the physical and social environment of inpatient units on nurse stress and well-being***

Funds: HKS Architects

Role: PI

Period: June 2006 to May 2007 (complete)

Collaborator: Children's Healthcare of Atlanta

Location: Children's Healthcare of Atlanta at Egleston and Scottish Rite

***A multi-dimensional comparative assessment of Headwall versus Ceiling Booms in Intensive Care Units***

Funds: Getinge USA (\$3,250)

Role: PI

Period: December 2007 to May 2008 (complete)

Collaborator: Children's Medical Center Dallas

Location: Children's Medical Center Dallas

***CourtsWeb - An Interactive website for U.S. Courthouses and Courtrooms***

Funds: USGSA and Administrative Office of US Courts (\$1,000,000, approximately)

Role: GRA and Project Manager (Zimring PI)

Period: August 2001 – August 2005 (project continued after my relocation)

Location: 14 new federal courthouse projects

***Exploring relationships between physical design and walking behavior in campus settings***

Funds: NIH and CDC research grant (\$275,000, approximately)

Role: Co-author of grant proposal (Zimring PI; successful application at Georgia Tech; project continued after my relocation)

Period: November 2005 to October 2007

***The Role and Scope of a Centralized Courtroom Mock-up Facility***

Funds: USGSA and US Courts research grant (\$250,000, approximately)

Role: GRA and Project Manager (Zimring PI)

Period: August 1999 to August 2001 (complete)

***Maximizing the benefits of courtroom POEs in design decision support and academic inquiry through a unified conceptual model***

Period: 2003 to 2005

Doctoral Dissertation

***The North American skyway systems: a post implementation evaluation***

Period: 1990-1991

Masters Dissertation

## TEACHING

### COURSES TAUGHT IN CURRENT POSITION

#### Undergraduate

1. ID 4000 Individual Studies
2. ID 4385 Advanced Interiors
3. ID 4606 Collaboration Studio

#### Graduate

1. ENVD 5301 Graduate Research Seminar
2. ENVD 5307 Internship
3. ENVD 5310 Readings
4. ENVD 5311 Individual Studies
5. ENVD 5378 Research Methods I
6. ENVD 5381 Environmental Design Analysis
7. ENVD 5383 Sustainable Communities & Design
8. ENVD 5386 Acute Care Design
9. ENVD 6000 Master's Thesis
10. ENVD 6001 Master's Report
11. ENVD 6310 Research Design
12. ENVD 6370 Environmental Design Technology and Development
13. ENVD 6378 Research Methods II
14. ENVD 6389 Environmental Design Studio
15. ENVD 7000 Research
16. ENVD 8000 Doctor's Dissertation

### DEVELOPMENT OF NEW COURSES

1. ENVD 5383 Sustainable Communities & Design
2. ENVD 5386 Acute Care Design
3. ENVD 6310 Research Design

### FACULTY ADVISING

2015: Faculty Mentor for Dr. Chris Haddox, West Virginia University, under the WVU Big XII Fellowship Program (*successful*).

2012: Faculty 'Mentor' for the W.T Grant Scholars 2012 Application by Dr. Kristi Gaines (Assistant Professor, DoD). Titled: "An Integrative Approach to Creating Optimal Environments for Individuals with Neurodiversities" (*unsuccessful*).

## GRADUATE STUDENT ADVISING

### **Doctoral Dissertation Chair**

1. Rehab Aburas (Committee Chair – Doctoral dissertation; Graduated, 2014 summer. ‘*Examining the Influence of Nature Stimulus in Enhancing Labor Experience in LDR Units*’)
2. Hessam Ghamari (Committee Chair – Doctoral dissertation; Graduated, 2014 fall. ‘*Examining Eye Fixations during Wayfinding in Unfamiliar Environments*’)
3. Ahdab Mahdaly (Committee Chair – Doctoral dissertation; Graduated 2015 spring. ‘*The Influence of Visual and Direct Physical Access on the Sense of Control of Saudi Women in the Home Environment*’)
4. Ahmad Alansari (Committee Chair – Doctoral dissertation; Graduated 2015 fall. ‘*Examining the Preparedness of Interior Design Students in Kuwait from a Global Design Firm Perspective*’)
5. Haithem El-Hammali (Committee Chair – Doctoral dissertation; Graduated 2015 summer. ‘*An Exploratory Examination of the Deficiencies in Building Information Modeling (BIM) Pedagogy in Addressing Contemporary Industry Need*’)
6. Shabboo Valipoor (Committee Chair – Doctoral Dissertation; Graduated 2016 summer. ‘*An Objective Evaluation of Patient Seating Solutions for the Elderly Population*’)
7. Negin Housharian (Committee Chair – Doctoral Dissertation; Graduated fall 2016. ‘*Healthcare Planning Parameters Affecting Efficiency in Emergency Departments*’)
8. Nizar Haddad (Committee Chair – Doctoral Dissertation; Graduated Spring 2017. ‘*Do Green Building Strategies Influence Customers’ and Owners’ Perception in the Restaurant Business*’)
9. Ghada Najjar (Committee Chair – Doctoral Dissertation; Graduated Spring 2017. ‘*A Qualitative Exploration of Emotional Responses of People with Bipolar Disorder to the Interior Residential Environment*’)
10. Sahar Mihandoust (Committee Chair – Doctoral Dissertation; Graduated Summer 2019. ‘*Exploring the Relationship between Access to Nature Views and Nurse Burnout*’)
11. Redha Gheraba (Committee Chair – Doctoral Dissertation; Graduated Summer 2020. ‘*A Comparative Analysis of Visualization Methods in Architecture: Employing Virtual Reality to Support the Decision-Making Process in the AEC Industry*’)
12. Fares Alsaygh (Committee Chair – Doctoral Dissertation; Graduated Fall 2020. ‘*Exploration of Factors Influencing the Healthcare Experience of Saudi Arabian Female Patients: A Qualitative Inquiry*’)
13. Apoorva Rane (Committee Chair – Doctoral Dissertation; in progress)
14. Eman Nasrallah (Committee Chair – Doctoral Dissertation; in progress)
15. Saman Jamshidi (Committee Chair – Doctoral Dissertation; in progress)
16. Reem Bagais (Committee Chair – Doctoral Dissertation; in progress)

### **Doctoral Dissertation Committee Member**

1. Angela Bourne (Committee member – Doctoral dissertation; Graduated; 2013. ‘*Neuro considerate environments for adults with intellectual developmental diversities: An integrated design approach to support wellbeing*’)
2. Islam Obeidat (Committee member, Doctoral dissertation; Graduated; 2013. ‘*Impact of collaboration on sustainability in academic settings: Collaboration between learning, application and innovation*’)
3. Michelle Pinson (Committee member – Doctoral dissertation; Graduated 2014 fall. ‘*The Physiological Effects of Window Decals on Pediatric Patients*’)
4. Marwa Abdelmonem (Committee member – Graduated spring 2016; ‘*Examining the Effects of Virtual Home Views on Depressed Elderly Residing in Nursing Homes*’)

5. Sahand Abbasi (Committee member – Graduated Fall 2020; '*Secret spaces for children in outdoor learning environments*').
6. Melinda Anderson-Guerrero (Committee member – Graduated Fall 2020; '*An exploration of outdoor learning environment behavior settings that afford solitary, parallel and cooperative play*').

**Master Thesis/Report Chair**

1. Monica Archuleta (Committee Chair – Masters report; Graduated; 2013. '*Place Attachment and Dementia in Assisted Living Facilities: Creating a sense of home*')
2. Hessam Ghamari (Committee Chair – Masters report; Graduated; 2013. '*Integration of Signage and Environmental Elements in Healthcare Facilities*')
3. Shuang Niu (Committee Chair – Masters report; Graduated 2014 fall. '*Identifying Building Types Best Suited for Adaptive Reuse as Dental Clinics in China*')
4. Nahlah Yousef (Committee Chair – Masters thesis; Graduated 2015 spring. '*Identifying Design Attributes of Public Buildings to Reflect Changing Political Ideologies of the Egyptian Government*')
5. Michell Cowart (Committee Chair – masters report; Graduated 2015 spring; '*A Design Concept for Breastfeeding in Public Venues to Address a Critical Public Health Issue*')

**Master Thesis/Report Committee Member**

1. Andleeb Ali (Committee member – Master report; Graduated; 2014. '*A Sustainable Design Approach for Positive Learning Environments in Elementary School Classrooms*')
2. Michelle Pinson (Committee member – Masters thesis; Graduated; 2013. '*The role of altered window views and perceived stress on pediatric patients*')
3. Diana Sabouni (Committee member – Masters thesis; Graduated; 2012. '*Creating Therapeutic Outpatient Healthcare Facilities: Taking a Closer Look at Imaging Departments*')

**Outside the Department**

1. Tyler De-La-Plaine, TTU Graduate School (Masters, completed); Fall 2018
2. Milad Fereshtehzad, Texas Tech College of Architecture (Doctoral, in progress)
3. Arsalan Gharaveis, Texas A&M University (Doctoral, completed); Summer 2017
4. Joanna Aduhene, TTU Department of Landscape Architecture (Masters, completed); Spring 2017

**STUDENT AWARDS**

- 2021: Ahmed Gheraba received an Honorable Mention in the EDRA Great Places Award for his dissertation research titled "A Comparative Analysis of Visualization Methods in Architecture: Employing Virtual Reality to Support the Decision-Making Process in the AEC Industry"
- 2020: Seyedehnastaran Nastaran won 2<sup>nd</sup> place in the Residential Design – Student 2020 Celebrating Design Texas Award from ASID Texas Chapter, for her class project on titled "A House for Lifelong Living".
- 2020: Alina Lim and Kaylee Polasek's speaking proposal titled "Helping Patient Mobility Through Advancements in the IV Pole Design" accepted for the 2020 Texas Tech University Undergraduate Research Conference. Proposal was based on undergraduate research conducted by them on my IV Pole Study.

- 2019: Seyedeh Nastaran Hashemi and Ashley Rose Marino won the first prize in the Europe Design & Health Future Leader Award Competition for project titled "A House for Lifelong Living".
- 2017: Shabboo Valipour in the winning team of EDRA (Environmental Design Research Association) CORE (Certificate of Research Excellence) award for research titled "Neural Correlates of Nature Stimuli".
- 2017: Ahdab Mahdaly in the winning team of Best Paper Award – Design and Health World Congress, Vienna, for paper titled "Transplantation of Western Architecture in the Gulf Region".
- 2016: Shabboo Valipour in the winning team of Interior Design Educators Council (IDEC), Scholarship Achievement Award for research titled "Identifying and Examining Micro Physical Environment Factors Contributing to Patient Falls".
- 2016: Marwa Abdelmonem (doctoral student) won the 2nd place in the Best Student Paper Award, EDRA conference, Raleigh NC.
- 2015: Shabboo Valipour in the winning team of CIE (Computer and Information in Engineering) Advanced Modeling and Simulation (AMS) Technical Committee 2015 Best Paper Award, for paper titled "Identifying Possible Patient Slips and Falls Using Motion Capture Experiments". ASME 2015 International Design Engineering Technical Conferences & Computers and Information in Engineering Conference (IDETC/CIE 2015). Boston, MA.
- 2015: Michell Pinson (doctoral student) won the Graduate Student Research Award, of the Interior Designer Educator Council, USA.
- 2014: Shabboo Valipour in the winning team of International Research Project Award for study titled "Neural Correlates of Nature Stimuli: An fMRI Study", International Academy for Design and Health.
- 2013: Hessam Ghamari adjudged Graduate Student of the Year, Texas Tech University, College of Human Sciences.
- 2013: Michelle Pinson's research project, "The Role of Altered Window Views on Feelings and Preferences of Pediatric Patients and Parents" received the first place graduate student award at the Southwest IDEC conference in Oklahoma City.
- 2013: Michelle Pinson's research project, "The Role of Altered Window Views on Feelings and Preferences of Pediatric Patients and Parents" received the 3rd place overall "Best Presentation" award at the Southwest IDEC conference in Oklahoma City.
- 2012: Five graduate students in the winning team of Nurture Collegiate Healthcare Design Competition (Islam Obeidat, Daina Sabouni, Duy Pham, Haitham El-Hammali, Rehab Aburas).

## SERVICE AND OUTREACH

### TTU COMMITTEES

#### 2020-2021

- Chair, Investigator Financial Disclosure Committee, Texas Tech University
- Environmental Safety Award Committee, Texas Tech University
- Teaching Effectiveness Committee, College of Human Sciences
- Faculty Council, College of Human Sciences
- College Scholarship Committee, College of Human Sciences
- Horn Professorship Committee, College of Human Sciences
- Promotion and Tenure Committee, Department of Design
- Faculty Search Committee, Department of Design

#### 2019-2020

- COHS Dean Search Committee, Texas Tech University
- Investigator Financial Disclosure Committee, Texas Tech University
- Weeks Hall Design Committee, Texas Tech University
- Faculty Council, College of Human Sciences
- Online Learning Committee, College of Human Sciences
- Promotion and Tenure Committee, College of Human Sciences
- Dr. Parkinson post-tenure review committee, College of Human Sciences
- Department of Design, Travel committee
- Department of Design, Annual Faculty Review
- Department of Design, Journal Rating Committee
- Department of Design, Scholarship Committee

#### 2018-2019

- Investigator Financial Disclosure Committee, Texas Tech University
- Weeks Hall Design Committee, Texas Tech University
- Research Committee, College of Human Sciences
- COA Third Year Review Committee, Texas Tech University
- P&T Committee, College of Human Sciences
- Teaching Effectiveness Committee, College of Human Sciences
- Department of Design , P&T Committee, Chair
- Department of Design , Annual Faculty Review
- Department of Design , Travel committee

#### 2017-2018

- Investigator Financial Disclosure Committee, Texas Tech University
- India Task Force, Texas Tech University
- Weeks Hall Design Committee, Texas Tech University
- Research Committee, College of Human Sciences
- P&T Committee, College of Human Sciences

*Curriculum Vitae*

- Executive Associate Dean Search Committee, College of Human Sciences
- Department of Design , P&T Committee, Chair
- Department of Design , Faculty Search Committee
- Department of Design , Annual Faculty Review
- Department of Design , Travel committee

2016-2017

- Investigator Financial Disclosure Committee, Texas Tech University
- India Task Force, Texas Tech University
- Weeks Hall Design Committee, Texas Tech University
- Chair, Faculty Council, College of Human Sciences
- Research Committee, College of Human Sciences
- P&T Committee, College of Human Sciences
- Department of Design , P&T Committee, Chair
- Department of Design , Faculty Search Committee
- Department of Design , Annual Faculty Review
- Department of Design , Travel committee

2015-2016

- College of Architecture Dean search committee (TTU level)
- Investigators Financial Disclosure Committee (TTU Level)
- Graduate School Scholarship Application Committee (TTU Level)
- India Task Force, TTU, Office of Associate Vice Provost (TTU Level)
- College of Human Sciences Research Committee (COHS Level)
- COHS Tenure & Promotion Committee (COHS Level)
- Department of Design, Annual faculty Review Committee (DoD Level)
- Department of Design Travel Committee (DoD Level)

2014-2015

- College of Architecture Graduate Program Review Committee (TTU Level)
- Investigators Financial Disclosure Committee (TTU Level)
- India Task Force, TTU, Office of Associate Vice Provost (TTU Level)
- College of Human Sciences Research Committee (COHS Level)
- Department of Design, Annual faculty Review Committee (DoD Level)

2013-2014

- India Task Force, TTU, Office of Associate Vice Provost (TTU Level)
- College of Human Sciences Research Committee (COHS Level)
- Department of Design, Chair, Graduate Faculty Search Committee (DoD Level)
- Department of Design, Department Chair Search Committee (DoD Level)
- Department of Design, Journal Rating Committee (DoD Level)

2012-13

- Selection Committee, Chancellor's Council Distinguished Research Award (TTU Level)
- College of Human Sciences Research Committee (COHS Level)
- College of Human Sciences Faculty Council (COHS Level)

- Department of Design, Department Chair Search Committee (DoD Level)

2011-12

- College of Human Sciences Research Committee (COHS Level)
- College of Human Sciences Faculty Council (COHS Level)
- Department of Design Faculty Search Committee (DoD Level)

### **EXTERNAL P&T COMMITTEES**

- 2019 Assistant Professor, Chris Haddox, tenure and promotion at West Virginia University  
2018 Assistant Professor Rana Sagha Zahed's tenure and promotion at Cornell University.  
2018 Assistant Professor Hui Cai's tenure and promotion at University of Kansas.  
2017 Associate Professor Anjali Joseph's tenure and promotion at Clemson University.  
2014 Associate Professor Seunghae Lee's tenure at Oregon State University.

### **INTERNATIONAL COLLABORATIONS**

- 2021 - Executed partnership with Bern University of Applied Sciences, Bern, Switzerland.  
2019 - Executed partnership with Politecnico di Milano, Milan, Italy.  
2017- Executed partnership with KIIT University, School of Architecture and Planning, Bhubaneswar, Odisha, India.  
2016- Executed partnership with GD Goenka University, School of Architecture and Planning, Gurgaon, NCR, India.

### **INTERNATIONAL REVIEWER**

- 2020-21 Doctoral Dissertation, Andrea Brambilla, Politecnico di Milano, Milan, Italy.

### **OTHER EXTERNAL ACTIVITIES**

- 2019 - Organized Design & Health North America Chapter round tables in collaboration with and at the following locations:
- Delos Insights, Washington DC; August 19, 2019; "Can Managing Acoustic Stimuli in the Workplace Help Reduce Burnout?"
  - Cornell University, College of Human Ecology; April 26, 2019; "Nature, Health and Wellbeing."
  - Leo A Daly, Dallas; March 8, 2019; "Not your traditional medical school: trends in health education and the interaction with operational processes and the physical environment."
- 2018 - Organized Design & Health North America Chapter round tables in collaboration with and at the following locations:
- Perkins+Will, Dallas; October 12, 2018; "The Blue Zones Project Fort Worth."

### PEER REVIEW ACTIVITIES

Editor, Special Issue, "Rethinking the Power of Architectures for Pandemics That Promote Healing: A New Design, Learning and Management Approach". International Journal of Environmental Research and Public Health.

Design and Health World Congress, Ghent, Belgium, Peer Review

National Science Foundation (national)

As Member, Editorial Advisory Board, Health Environments Research and Design Journal (2010-)  
(international)

As Member, Editorial Review Board, Health Environments Research and Design Journal (2007-2010)  
(international)

As Member, Editorial Board, The Open Construction and Building Technology Journal (2008-2016)  
(international)

As Member, Research Committee, College of Human Sciences, Texas Tech University (2011-)

As Member, Research Coalition, Center for Health Design (national)

Health Environments Research & Design Journal (international journal)

Intelligent Building International (international journal)

Building & Environment (international journal)

Architectural Science Review (international journal)

Environment & Behavior (international journal)

Journal of Environmental Psychology (international journal)

Facilities (international journal)

Early Childhood Services (national journal)

EDRA, 2013, Providence, RI (a peer reviewed international conference)

EDRA, 2012, Seattle, WA (a peer reviewed international conference)

EDRA, 2008, Veracruz, Mexico (a peer reviewed international conference)

EDRA, 2007, Sacramento, CA (a peer reviewed international conference)

National convention of the Association of Collegiate Schools of Architecture, 2008, Houston (a peer reviewed national conference)

National convention of the Association of Collegiate Schools of Architecture, 2004, Miami

Buildings Integration Solutions, 2003, Austin (organized by the Architectural Engineering Institute of the American Society of Civil Engineers) (a peer reviewed national conference)

### EDITORIAL BOARDS

2007- continuing: Editorial Board, Health Environments Research and Design Journal

2008- 2016: Editorial Board, The Open Construction and Building Technology Journal

### INVITED EXPERT LECTURES

2017. "Six Sigma Applications in Healthcare Design". Shane Williams, Leo A Daly. November 15, 2017

2017. "Well Building Standards". Whitney Gray, Delos. November 1, 2017.

2017. "Planetree Model in Healthcare Design". Roseann Pisklak, EYP Health. October 25, 2017.

2017. "Salutogenic Design for Health". Dr. Alan Dilani, International Academy for Design and Health.  
October 18, 2017.

2017. "LEAN Applications in Healthcare Design". Jennie Evans. October 4, 2017.
2017. "Design Thinking". Christina Mainero, Deloitte. September 27, 2017.
2017. "Sustainable Healthcare Design". Teresa Rainey, EYP Health. September 13, 2017.
2017. "Evidence-Based Design". Roz Cama, Cama Inc, September 6, 2017.
2016. "Life Indoors". Roz Cama, Cama Inc., March 1, 2016.
- 2016: "Healthcare Interior Design for Other Cultures." Ana Pinto-Alexander, HKS, Inc., February 10, 2016.
- 2015: "Exploring the Impacts of Design on Patient Participation in Rural Health Facilities in Appalachia." Dr. Chris Haddox, West Virginia University, November 2, 2015.
- 2013: "LEED". Chris Mundell, VP, HKS Architects. August 29, 2013.
- 2013: BIFMA/ANSI e3 Sustainability Furniture Standards. Tom Reardon, Knoll Inc. November 7, 2013.
- 2013: Eco Labels & Certifications. Deborah Fuller, HOK. November 12, 2013.
- 2013: Life Cycle Assessments. Steven Kooy. Haworth, Inc. November 14, 2013.
- 2013: Household Efficiency. David Birney, PhD. Texas Tech University. November 21, 2013.
- 2013: Understanding LEED V4. Chris Mundell, VP, HKS Architects. November 26, 2013.
- 2012: Green, Lean and Adaptive: What is healthcare design learning from the automobile industry? Roger B. Call, AIA, ACHA, LEED AP. Director, Healthcare Architecture+Design, Herman Miller. September 18, 2012.
- 2012: The Influence of Hospitality Design on Healthcare Design: Why are hospitality and healthcare designers joining hands. Iris Dates, IIDA, EDAC, LEED AP ID+C. VP and Director of Design, Healthcare Interiors, HKS Architects. October 4, 2012.
- 2012: An Evidence-Based Approach to Selecting Artwork: How to get the best return on investment from artwork. Kathy Hathorn, MA, EDAC, CEO, American Art Resources. October 25, 2012.
- 2012: Healing Artwork. Upali Nanda, PhD. VP, American Art Resources and consultant Center for Health Design. September 27, 2012.
- 2012: Evidence-Based Judicial Facility Design. Jay Farbstein, PhD. Jay Farbstein & Associates, Inc. January 31, 2012.

## PROFESSIONAL DEVELOPMENT

- 2003 Completed *Serviceability Tools & Methods (ST&M)* courses administered by the **International Center for Facilities**, Canada.
- 2003 Completed executive course on *The New American Courthouse*, in the Graduate School of Design, Office of Executive Education, **Harvard University**.
- 2001 Participated in forum on *Building Performance Assessments: Current and Evolving Practices for Post Occupancy Evaluation Programs*. Organized by the **National Academy of Sciences**, Washington, D.C., sponsored by The Federal Facilities Council.
- 1997 Five-day winter school on *Institutional Planning and Management*, organized by the **Indian Society for Technical Education**, India.
- 1996 Three-day program on *Total Quality Management in Technical Education*, organized by the **Indian Society for Technical Education**, and sponsored by the Canada India Institutional Co-operative Project, India.
- 1995 Eleven-day program on *Performance Appraisal & Development System in Technical Institutions*, sponsored by the **Indian Society for Technical Education**, India.
