EDUCATION

Doctor of Philosophy, 2009

Texas Tech University, Lubbock, Texas
Family & Consumer Sciences Education [Minor: Management]

Master of Business Administration, 1994

Texas Tech University, Lubbock, Texas
General Business/Management

Bachelor of Arts, 1980

Abilene Christian University, Abilene, Texas
Government [Minor: History]

PROFESSIONAL EXPERIENCE

Associate Professor, Dept. of Human Development and Family Studies (effective September 2017 – present)

Director, Center for Adolescent Resiliency (July 2011 – present)

College of Human Sciences, Texas Tech University, Lubbock, Texas

- Oversee and direct the research, education, and outreach activities of the Center for Adolescent Resiliency (CAR, formerly known as the Center for Prevention & Resiliency).
- Ensure staff compliance with university guidelines regarding research (human subjects) and operating procedures.
- Provide leadership to CAR staff in program development and project design related to adolescent health and wellness.
- Initiate and support professional development opportunities for CAR program directors, assistants, and other program or research staff.
- Guide and coordinate research methodologies and data management.
- Develop research collaborations, submit grants, and foster relationships that support the research, education, and outreach mission of the Center.
- Disseminate program outcomes and research findings through journal submissions, paper/poster proposals to academic and professional conference, and research briefs prepared for the Sequor Youth Development Initiative.

Associate Professor/Extension Specialist (September 2009 – present; promoted from Assistant Professor to Associate Professor effective September 1, 2015)

Joint appointment with the College of Human Sciences, Texas Tech University, Lubbock, Texas, and Texas A&M AgriLife Extension, Texas A&M University System

- Synthesize, integrate, and apply research and expertise from within the College of Human Sciences (COHS) to support educational programming activities of Texas AgriLife Extension.
- Provide leadership for Texas A&M AgriLife Extension professionals in development, implementation, and evaluation of Extension education programs relevant to Human Science and 4-H/Youth Development program areas.
- Participate in scholarship by generating new knowledge through research studies and activities and disseminating this knowledge through peer-reviewed, Extension, and other press publications; identify and initiate efforts to acquire external support for integrated research and programming activities.
- Develop and teach distance courses designed to meet the graduate education and professional development needs of Extension personnel.
- Develop opportunities for COHS-related outreach and engagement, working with community agencies, service learning professionals, COHS faculty, and Extension educators, to encourage student engagement in outreach and service.

Project Director (January 2007 – August 2009)

NIH Grant: Work-related Travel: Effects on Health and Family

Department of Human Development and Family Studies, Texas Tech University,
Lubbock, Texas

- Liaise with research and program officers at Texas Tech University and the National Institutes of Health; prepare annual budgets, financial and activity reports
- Develop and monitor data collection and data management procedures
- Plan and supervise the work of multiple graduate research assistants
- Recruit research participants and supervise participation process
- Contribute to research activities (analysis, submissions, presentations, and manuscripts)
- Prepare brochures, newsletters, and reports for participants, funding agency, and other stakeholders

Course Developer and Adjunct Instructor (2004 – 2011)

Department of Outreach & Distance Education
Texas Tech University, Lubbock, Texas

Graduate Teaching Assistant (September 2005 – December 2006)

Department of Applied and Professional Studies
Texas Tech University, Lubbock, Texas

Adjunct Instructor (January 2004 – July 2006)

Department of Business Administration
Lubbock Christian University, Lubbock, Texas

Community Volunteer (March 1992 – December 2003)

PTA (member and officer); Teacher and speaker for women's ministries

Programmer/analyst (March 1990 – March 1992)

Plains Cotton Cooperative Association, Lubbock, Texas

Systems analyst (January 1986 – August 1988)
IBM New Zealand, Wellington, New Zealand

TEACHING ACTIVITY & EXPERIENCE

Texas Tech University, Lubbock, Texas

Human Sciences/Family & Consumer Sciences Education (2011-2014)

- Special Topics in FCSE: History & Philosophy of Extension Education (FCSE 5350)
- Problems in Human Sciences: topic varies (HUSC 5311)
- Independent Study in Extension (FCSE 4000)
- Developing & Evaluating Youth Programs (HUSC 4308)
- Developed 18-hour concentration in Youth Development for BS in Human Sciences (approved 2013).
- Textbook chapter
 - Dodd, S. (Accepted/In press). 4-H and the FCS Classroom in the 21st Century. In Karen Alexander, Barbara Allison, and Roxie Godfrey (Eds.), *Teaching Family and Consumer Sciences in the 21st Century*.
- Guest lecturer
 - *Collaborating with Cooperative Extension* (FCSE Doctoral Symposium; Feb. 2011)
 - *Careers with Cooperative Extension* (FCSE 2102, Introduction to FCSE; repeated)
 - *Youth Development Research* (HUSC 3325, Comprehensive Wellness for Adolescents; Spring 2014)
 - *Childhood Obesity Interventions* (NS 6118, Obesity Research Seminar, Fall 2014 and Spring 2015)

Department of Nutrition, Hospitality, and Retailing (2011)

- Hospitality Management (RHIM 3341)

Department of Outreach and Distance Education (2004 – 2011)

- Hospitality Control I (RHIM 3321)
- Hospitality Control II (RHIM 3322)
- Hospitality Management (RHIM 3341)

Department of Applied and Professional Studies (2005 – 2006)

- Graduate Teaching Assistant, Honors 3303 & IS1100
 - Coordinated teaching schedule
 - Liaised with visiting instructors
 - Prepared teaching and examination materials
 - Designed special projects for group activities
 - Graded exams and projects
 - Taught selected classes

Lubbock Christian University, Lubbock, Texas
Department of Business Administration (2004-2005)

- Human Resource Management

RESEARCH ACTIVITIES

Grants, Contracts, and Sponsored Projects

Pending:

“Action, Behavior, Identity: Promoting Healthy Eating among Adolescents to Prevent Obesity”; **lead PI**; \$1,438,204; USDA NIFA Agricultural and Food Research Institute Childhood Obesity Prevention Challenge Grant (subcontracts with University of Tennessee-Extension); submitted June 28, 2017.

Funded:

“Transforming through Transition: An Intervention to Shape the Culture and Community of Secondary Students”; **PI**; \$14,460; contract with Brownfield (TX) Independent School District; awarded October 2014.

“Transforming through Transition: An Intervention to Shape the Culture and Community of Secondary Students”; **PI**; \$2,500; contract with Seminole (TX) Independent School District; awarded February 2014.

“fMRI and the Role of Encoded Memory and Affective Response in Eating Behavior”; **PI** (co-PIs: Dr. JoAnn Long, Lubbock Christian University and Dr. Martin Binks, TTU); \$10,000 seed grant awarded May 2013; College of Human Sciences, Texas Tech University.

“Healthiest Communities and Childhood Obesity”; **co-PI** (PI: Dr. Kitty Harris, TTU); \$500,000 (\$250,000 per year; renewal every 2 years); awarded effective July 1, 2013; Covenant Health Systems.

SEED-HL: ‘Share Explore Experience Do-Healthy Lifestyles’ An Integrated and Innovative Program to Address Overweight and Obesity among Adolescents”; **PI** (co-PIs: Dr. Naima Moustaid-Moussa and Dr. Mary Murimi, TTU); \$20,000 awarded March 2013; TTU Office of the Vice-President for Research Proposal Stimulus Program.

“Transforming through Transition: A Continued Intervention with 8th & 9th grade students in Brownfield schools”; \$6,000; contract awarded February 2013; Brownfield Independent School District.

“East Lubbock Promise Neighborhood”; **co-PI** (PI: Dr. Michael O’Boyle); \$1,160,076 (8%); College of Human Sciences subcontract with College of Education at TTU; 5 year grant awarded December 2012; US Department of Education.

“Teaching on the Flipside: Strategies for Alternative Settings”; \$2,900; contract awarded August 2012; presentation at Region 17 Education Service Center professional development workshop for administrators and educators in alternative education settings.

“Transforming through Transition: An Intervention to Shape the Culture and Community of Secondary Students”; **PI**; \$4,200; subcontract with Region 17 Education Service Center for Texas Council for Developmental Disabilities.

“United Future Leaders: An afterschool program promoting character, civility, ethics, and leadership among youth in Roosevelt schools”; **PI**; \$2,100; subcontract with Region 17 Education Service Center for Texas Council for Developmental Disabilities.

Not funded:

“Where STEM and Food Collide: Formative research identifying and testing integrated concepts for informal STEM learning environments”; co-PI (lead PI Melanie Sarge); \$297,925; National Science Foundation, NSF 15-593 Advancing Informal STEM Learning program; submitted November 8, 2016.

“Effect of food-based tocotrienols and anthocyanins on cardiometabolic biomarkers and dietary risk for obesity”; co-PI (lead PI Wilna Oldewage-Theron); \$1,007,531; American Heart Association, Strategically Focused Research Network program; submitted November 8, 2016.

“Cultivating Food Competency to Prevent Obesity Among Youth”; **lead PI**; \$4,828,622; USDA NIFA Agricultural and Food Research Institute Childhood Obesity Prevention Challenge Grant (subcontracts with Texas A&M AgriLife Extension, Angelo State University, and University of Tennessee-Extension); submitted August 4, 2016.

“fMRI and the Role of Encoded Memory and Affective Response in Eating Behaviors”; **co-PI** (lead PI, JoAnn Long); \$12,069; submitted 6/1/2016 to the Council for the Advancement of Nursing Science (CANS) 15th Anniversary CANS/Partners Grant.

“fMRI and the Role of Encoded Memory and Affective Response in Eating Behavior: Expanding the Study of Use of Personalized Dietary Images”; **co-PI** (lead PI, JoAnn Long); \$5,000; submitted 5/1/2016 to American Nurses Foundation (ANF) Nursing Research Grant program.

“Pathways to Health Development in Adolescence”; **co-PI** (lead PI, Mary Murimi); \$390,439; submitted 6/16/2014 to National Institutes of Health (NIH PA-14-176; R21).

“Multidisciplinary Project to Enhance the Quality of Education in Agricultural Sciences to Combat Food Insecurity and Safety at the Local and International Levels”; co-PI (lead PI, Mary Murimi); \$749,992; USDA-NIFA Cooperative State Research Education Extension Service; submitted 4/20/2014.

“Multidisciplinary Project to Enhance the Quality of Food and Agricultural Higher Education in Combating Food Insecurity and Improving Food Safety in the Community”; **co-PI** (PI: Dr. Mary Murimi, TTU); \$750,000; submitted 2/8/2013 to USDA/NIFA Higher Education Challenge Grant program.

“Transferable Coping Strategies to Combat Childhood Food Insecurity among Multiethnic Households from Urban & Rural Settings in West Texas: A Mixed Methods Analysis”; **co-PI** (PI: Dr. Mary Murimi, TTU); \$250,000; submitted 11/29/2012 to University of Kentucky/USDA AFRI subcontract program.

“SEED-HL: ‘Share Explore Experience Do-Healthy Lifestyles’ An Integrated and Innovative Program to Address Overweight and Obesity among Adolescents”; **PI for subcontract; co-PI** (PI: Dr. Naima Moustaid-Moussa, TTU, formerly of University of Tennessee-Knoxville); \$550,000 (for sub); USDA NIFA/AFRI Childhood Obesity Grant Program; ranked medium priority; 2012.

“Navigating the Transition between Early & Late Adolescence: Mapping How Cognitive and Emotional Complexity Influence Decision-Making in Middle School Students”; **PI** (co-PI: Dr. Oak-Hee Park); \$796,713; National Institutes of Health; 2012.

“Bridging the Gap: Sustaining Progress in Adolescent Wellness, Character, and Leadership”; **PI**; \$48,886; The CH Foundation; 2011.

“Transformation Para Salud: Prevention and Control of Overweight and Obesity among Children in West Texas”; **PI for subcontract; co-PI** (PI: Dr. Christina Esperat, TTUHSC); \$992,116 (for sub); USDA NIFA/AFRI Childhood Obesity Grant Program; ranked high priority; 2010.

“Transdisciplinary Graduate Education & Research Training Certificate Program for Prevention of Childhood Obesity”; **co-PI** (PI: Dr. Debra Reed, TTU); \$4,292,023; USDA NIFA/AFRI Graduate Education Program; 2010.

“Determine and Disseminate Best Practice Integrated Approaches to Childhood Obesity Prevention along the US/Mexico Border”; **co-PI** (PI: Dr. Peter Murano, Texas A&M University/Texas A&M AgriLife Research); \$3,248,898 (Border State Consortium, submitted as subcontract with Texas AgriLife Extension); USDA NIFA; 2010.
