R#:

- ❖ Human Development and Family Studies is the study of the family life cycle and individual development from the prenatal period through the complete adult life span. Students may achieve a dynamic understanding of individuals and families, as well as the skills necessary for interactions between people.
- ❖ A student may minor in Human Development and Family Studies by completing 18 hours of HDFS course work of which 9 hours must be upper level. Courses for this minor are finalized and approved in conjunction with the student’s major and minor advisors. Check schedules for changes and summer offerings.
- ❖ All courses must be completed with a grade of “C” or higher.

Choose 6 courses (18 hrs) with at least 3 upper level courses (9 hrs)			Prerequisites
