

COLLEGE OF HEALTH & HUMAN SCIENCES

TEXAS TECH

Master of Science in Human Sciences

Core Courses (9 Hours) – Non-Thesis

	<u>Semester</u>	<u>Hours</u>
HUSC 5300 Interdisciplinarity in the Human Sciences	_____	3
HUSC 6301 Human Sciences Capstone Experience	_____	3
Graduate Research Class (advisor approval required)	_____	3

Choose from:

HUSC 5350 Special Topics: Research Methods in Hum Sci
FCSE 5304 Techniques of Research in FCSE
HDFS 5351 Research Methods in HDFS (offered F2F)
NS 5330 Introduction to Nutrition Research
IS 6302 Transdisciplinary Research

Core Courses (15 Hours) - Thesis

	<u>Semester</u>	<u>Hours</u>
HUSC 5300 Interdisciplinarity in Human Sciences	_____	3
HUSC 6000 Thesis in Human Sciences	_____	6
Graduate Research Methods (2 courses; advisor approval required)	_____	6

Choose 1 from:

HUSC 5350 Special Topics: Research Methods in Hum Sci
FCSE 5304 Techniques of Research in FCSE
HDFS 5351 Research Methods in HDFS (offered F2F)
NS 5330 Introduction to Nutrition Research
IS 6302 Transdisciplinary Research

Choose 1 from:

FCSE 5311 Problems in FCSE: Intro to Statistics (every other Fall)
HDFS 5349 Quantitative Methods in HDFS (offered F2F)
COMS 5305 Quantitative Research Methods
HRM 5385 Focus Group Research Methods
COMS 5301 Qualitative Research Methods

COLLEGE OF HEALTH & HUMAN SCIENCES

TEXAS TECH

Two Elective Areas of Concentration (18-21) hours

Students will choose courses in two elective areas of concentration. **At least one of these concentrations must come from the College of Health and Human Sciences.** Options include: Community, Family, and Addiction Sciences; Design, Family and Consumer Sciences Education; Interdisciplinary Health & Human Sciences; Hospitality and Retail Management; Human Development and Family Sciences; Nutritional Sciences; and Personal Financial Planning.

Students can choose to apply coursework from select TTU graduate certificates to fulfill degree requirements. Some possible choices include: Charitable Financial Planning; Early Childhood & Family Policy; Financial Health and Wellness; Gerontology; Human-Centered Design; Human Sciences Education and Training; Youth Development Specialist; Youth Program Management and Evaluation; and Women's and Gender Studies. Advisor approval is required.
