

Due to the COVID-19 pandemic, we have made modifications to the format in which we normally host Opportunity Days. This year Opportunity Days will be hosted in two stages. The first portion of the event will be held virtually **February 24-25, 2021**. During the virtual format, employers will be able to conduct virtual interviews with students.

Once we are able to safely host on-campus events, the second portion of Opportunity Days will be announced. The second stage of Opportunity Days will provide the opportunity to conduct in-person interviews as well as allow attendees the chance to connect with our students in a variety of events including Casino Night, an awards banquet, and other sponsored activities.

### **Pricing for Individuals**

- **Virtual Interviews Feb. 24<sup>th</sup> – Feb. 25<sup>th</sup>:**
